LONDON UNDERCURRENTS

is a collaboration by two London-

File Type PDF 03 Emily Sparkes And The Disco Disaster: Book 3

based female poets Joolz Sparkes and Hilaire. This poetry cycle gives a voice to women who often go unheard, or are self-sacrificing in order not to upset the apple cart. There are thousands of women, extraordinary, ordinary, famous or

File Type PDF 03 Emily Sparkes And The Disco Disaster: Book 3

forgotten who have plenty to say and deserve to be heard. The authors want to share the hidden histories of London's unsung heroines that they have uncovered in their neighbourhoods north and south of the river. **LONDON**

File Type PDF 03 Emily Sparkes And The Disco Disaster: Book 3

UNDERCURRENTS shows that the personal is also universal and casts women as the central characters of their own story. The poems form a rich tapestry full of local colour throughout the ages viewed from both sides of the

File Type PDF 03 Emily Sparkes And The Disco Disaster: Book 3

Thames. Some of the poems are free verse, others have a rhyme scheme or a playful layout to emphasize a point and both poets have written contributions to each of the twelve sections of the book. **LONDON UNDERCURRENTS** is one of a

We live in a digital age where the mediums of art are inextricably bound to the binary code, and painting and photography are redefined in their interconnected relationship through digital reconfiguration. As digitisation

File Type PDF 03 Emily Sparkes And The Disco Disaster: Book 3

unmoors these mediums from their traditional supports, their modes of production, display and dissemination shift. These changes bring about new ways of creating, and engaging with, artworks. Through this, the

File Type PDF 03 Emily Sparkes And The Disco Disaster: Book 3

innate qualities of the mediums,
previously anchored in their
analogue nature, are re-
evaluated through their
connection with “the digital” .

Born out of the

discourses around networks of associations by examining where syntheses occur, and differences remain, between these mediums at the beginning of the twenty first century.
