Find out about more than 70 cat breeds, including their origins and characteristics, in this pocket-sized encyclopedia. This cat-ologue packs a whole lot of information into your pocket! Along with a photo of each breed, discover the facts and stats of each cat, including its size, where the breed originated, colors and markings, and unusual features or behaviors. You'll soon be able to tell apart a Burmese from a Siamese; a rex from a sphynx and a manx; and an American shorthair from a British shorthair. You will also discover a lot about colors and patterns. Did you know that tabby cats and tortoiseshells are not breeds, but colors within breeds? Plus there are pages introducing cat anatomy and behavior; and the book finishes with fun facts. The style of the Pocket Eyewitness series is perfect for all children, from reluctant readers who can easily digest the key points through to budding vets and cat-lovers who want to know more about the best pets on the planet. Cats with facts: what more could anyone want?

“Savvily combines literary themes and cross-stitch designs in [a] visually appealing collection of projects . . . delightful.” —Publishers Weekly  
Inside Book Riot’s Lit Stitch, you’ll find a number of badass, bookish cross-stitch patterns to let you show off your love of all things literary. Some are for bookmarks, others are for wall decor, and still others can take on a whole host of finished outcomes. *The Color Teil chronicles Teil Duncan's artistic journey, displaying over three hundred full-color images of her work. Her studies range from figure drawings and animals to beach and pool scenes. Inspiration comes in all sizes and shapes for Teil. She attributes her artistic talent and motivation largely to her Christian faith, which, while she lost touch with it during her young adult years, she now thrives within. Her walk with Jesus is Teil's top priority. Throughout this book, readers will become better acquainted with both the artist, as a person, and the art she creates. It is a vibrant, colorful journey that can only be described as: The Color Teil.*

Published in association with the Travel and Tourism Programme (the organisation who developed the syllabus), this text is a comprehensive and stimulating companion for students of GCSE Travel and Tourism. The book takes a "behind the scenes" look at the travel and tourism industry and follows a case-study approach. The book is divided into four sections which follow the new syllabus exactly: tourist destinations; leisure facilities; the social, economic and environmental impact of tourism; and employment in the tourism industry. By adopting this approach students are given a better understanding of how the industry operates. The many activities in the book are appropriate both for GCSE and GNVQ students. Their variety is intended to enable the development both of knowledge about travel and tourism and the skills which are considered essential for the industry's future workforce.

Fully updated from the essential 1st edition, this Handbook is designed to help A Level Geography students at every stage of their research assignments. It guides the student from original ideas and getting started, through to completion. Easy-to-use, practical and in line with the new awarding body specifications, it is the essential coursework companion. Written by Senior Examiners for Geography.

This text provides an up-to-date focus on current topics relating to planning and tourism development. Emerging issues such as green tourism and the regeneration of sites are covered in depth.

For complete syllabus coverage of the Cambridge International Diplomas. Cambridge International Diploma in Travel and Tourism.
