Explores the importance of the global economy, and provides insights for getting the most out of investments to achieve financial success.

As founder of Fitness Quest 10 in San Diego, California, Todd Durkin is used to pushing high-profile, high-performance athletes to their physical limit. But that's only half the battle. A crucial aspect of creating any kind of success--whether in business, sports, health, or relationships--is having the right mind-set. In *Get Your Mind Right*, this world-class performance coach shares his

*In his inimitable no-nonsense style, John Bird - founder of the Big Issue - shows us how to be successful in whatever we choose in just ten easy steps. No one is born deserving anything - you only deserve what you achieve by yourself. Drawing from this, John's philosophy is based on the idea that success is about deciding what you want, working out what is important to you and then going out to grab it. The beauty of this approach is that we can all achieve whatever we want; we just need to go after it. With unique lessons such as 'Don't be afraid to make mistakes along the way. Brian Tracy, one of the top professional speakers and sales trainers in the world today, found that his most important breakthrough in selling was the discovery that it is the "Psychology of Selling" that is more important than the techniques and methods of selling. Tracy's classic audio program, *The Psychology of Selling*, is the best-selling sales training program in history and is now available in expanded and updated book format for the first time.

Salespeople will learn: "the inner game of selling" how to eliminate the fear of rejection how to build unshakeable self-confidence

Salespeople, says Tracy, must learn to control their thoughts, feelings, and actions to make themselves more effective.

A positive attitude has the power to
