

100 Day Tear Off Countdown Calendar

Capture the excitement and joy of counting down the days until Christmas with this fun hands-on Advent activity book. Countdown to Christmas is the perfect way to spend quality time with your family during the Advent season. Create significant and unforgettable memories through Scripture readings, questions, stories, and simple activities that will help your children grasp the true meaning of the holiday. Make a Christmas tree ornament on Day 7 Read a story together on Day 8 complete them all. As the events in the story of Jesus' birth and life unfold, you and your children will build bonds of tradition and faith that will last a lifetime. It is the one present all members of the family will be happy to share! In this dark, moody love story, college student Kusunoki decides to sell off the next thirty years of his life at a mysterious shop in exchange for money-and maybe a chance to find something worth living for.

A family can't escape their secrets when they're forced to spend a week in quarantine in this "sharply funny" (People) novel--an Indie Next and #1 Library Reads Pick! It's Christmas, and for the first time in years the entire Birch family will be under one roof. Even Emma and Andrew's elder daughter--who is usually off saving the world--will be joining them at Weyfield Hall. But Olivia, a doctor, is only coming home because she has to. She's just returned from treating an epidemic abroad. For the next seven days, the Birches are locked down, cut off from the rest of humanity, and forced into each other's orbits. Younger, unabashedly frivolous daughter Phoebe is fixated on her upcoming wedding, while Olivia deals with the culture shock of first-world problems. As Andrew sequesters himself in his study writing scathing restaurant reviews and remembering his glory days as a war correspondent, Emma hides a secret that will turn the whole family upside down. In the light, nothing is more shocking than the unexpected guest who's about to arrive....

Count down the days until the big day arrives and you two become Mr & Mrs! This countdown calendar consists of 100 days and counts down to 0 days. Each day has a section for notes so that you can add in entries such as "Dress fitting." Ripping off a page and throwing into the garbage everyday makes the wait until the big day more fun and exciting! Great size and weight for handling or hanging with printed hanging instructions. Countdown is printed in a large font that gets bigger as the days pass.

How to Pack

Thousands of workers labored at Kennedy Space Center around the clock, seven days a week, for half a year to prepare a mission for the liftoff of Apollo 11. This is the story of what went on during those hectic six months. Countdown to a Moon Launch provides an in-depth look at the carefully choreographed workflow for an Apollo mission at KSC. Using the Apollo 11 mission as an example, readers will learn what went on day by day to transform partially completed stages and crates of parts into a ready-to-fly Saturn V. Firsthand accounts of launch pad accidents, near misses, suspected sabotage, and last-minute changes to hardware are told by more than 70 NASA employees and its contractors. A companion to Rocket Ranch, it includes many diagrams and photographs, some never before published, to illustrate all aspects of the process. NASA's groundbreaking use of computers for testing and advanced management techniques are also covered in detail. This book will demystify the question of how NASA could build and launch Apollo missions using 1960s technology. You'll discover that there was no magic involved – just an abundance of discipline, willpower, and creativity.

“A beautifully drawn study of what is at risk when you lose control of your own life. Unique, gripping, and viscerally moving—this impressive debut novel heralds the arrival of an extremely talented writer.” —Jodi Picoult, New York Times–bestselling author of Leaving Time Destined to be a book club favorite, a heart-wrenching debut about two people who must decide how much they’re willing to sacrifice for love.

Mara Nichols is a successful lawyer, devoted wife, and adoptive mother who has received a life-shattering diagnosis. Scott Coffman, a middle school teacher, has been fostering an eight-year-old boy while the boy’s mother serves a jail sentence. Scott and Mara both have five days left until they must say good-bye to the ones they love the most. Through their stories, Julie Lawson Timmer explores the individual limits of human endurance and the power of relationships, and shows that sometimes loving someone means holding on, and sometimes it means letting go.

Krakauer’s page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. “Terrifying... Eloquent... A heart-rending drama of human yearning.” —New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of Into the Wild. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfilled experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away, and went on his own. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless’s short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless’s innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless’s uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding—and not an ounce of sentimentality. Mesmerizing, heartbreaking, Into the Wild is a tour de force. The power and luminosity of Jon Krakauer’s storytelling blaze through every page.

“A sweet yet deeply moving portrait of the highs and lows involved in finding one’s place in a wildly unpredictable world.” —Nic Stone, New York Times bestselling author of Dear Martin A young seer’s first prophetic vision upends her life and sets her off on a desperate quest to change fate in this contemporary fantasy middle grade novel with “heart, humor, and a plot that keeps those pages flying” (Carlos Hernandez, award-winning author of the Sal and Gabi series). Most people inherit eye colors or heirlooms, but for Celia Cleary, the gift of prophecy has been passed down in her family for generations. And on the 4,444th day of her life, Celia will have her first vision. But nothing could have prepared her for what she sees—the quiet boy down the street, Jeffrey Johnson, is about to die. Determined to save him despite her grandmother’s warnings against it, Celia alters events to stop her vision from playing out. But for each prophecy she avoids, another one takes its place, putting Jeffrey in constant danger. Fate has made its choice, and it’s not giving up the hunt. Focusing on homework or friends isn’t easy when you’re going head-to-head with death, and keeping Jeffrey Johnson alive is throwing Celia’s seventh grade year into chaos. It doesn’t help that she’s getting to know Jeffrey more and more with each new rescue attempt. It really doesn’t help when she realizes she kind of likes him. Will Celia’s gifts be enough to thwart fate? Or are some things in life inevitable?

Mr and Mrs 100 Day Tear-Off Countdown Calendar

Ethymological Entertainment for Every Day of the Year

Like The Forest of Hands and Teeth, Elizabeth Norris’s Unraveling blends realistic coming-of-age issues with a gripping science fiction worid. Unraveling’s heroine, sixteen-year-old Janelle Tenner, is used to having a lot of responsibility. She balances working as a lifeguard in San Diego with an intense academic schedule. Janelle’s mother is bipolar, and her dad is a workaholic FBI agent, which means Janelle also has to look out for her younger brother, Jared. And that was before she died... and is brought back to life by Ben Michaels, a mysterious, unraveling loner from her high school. When she discovers a strange clock that seems to be counting down to the earth’s destruction, Janelle learns she has twenty-four days to figure out how to stop the clock and save the planet.

Need a little help sticking with your diet? Look for an easy to use daily diet motivator? Stay motivated and count down the days with this easy to read, hangable "100 Day Tear-Off Diet Countdown Calendar." Boosts your diet willpower every day. Suitable for virtually any diet plan. Counts down from "100 Days Left" to "0 Days Left," one page per day. Convenient size and weight for handling and hanging. Countdown is printed in a large font that gets larger as the days pass. Hanging instructions printed inside. Guide marks for hanging printed on cover. Tear-Off guide marks printed on every page. Last pages are blank to use as you please. Add a special message or photo to celebrate reaching your milestone. Please seek medical advice before starting a new diet or exercise plan.

The future world has been divided into sectors—each the same as the other. Surrounded by thick steel fences, there is no way in and no way out. Yet a cyborg army penetrates each sector, picking off its citizens one by one, until no one is left. Behind the sectors’ thick walls, the citizens wait to die. Few will be chosen to survive what’s coming, the rest will be left behind to suffer. A new world has been created and its rulers are incredibly selective on who will become a citizen. They want only those with important roles in society to help create a more perfect future. Sixteen-year-old Sia lives in one of the sectors as part of a family that is far too ordinary to be picked to live. According to the digital clock that towers high above her sector, she has only fifteen days to live. Sia sees the reports and knows a horrific death is in store for her, but she is determined to make the most of her final days. Sia refuses to mourn her short life, instead promising herself that she’ll stay strong, despite being suffocated by her depressed mother and her frightened best friend. Just when Sia feels more alone than ever, she meets Mace, a mysterious boy. There is something that draws Sia to him, despite his dangerousness, and together, they join a group of rebels and embark on an epic journey to destroy the new world and its machines, and to put an end to the slaughter of innocent people. Aimed at 13- to 17-year-old readers, both boys and girls, Dark Days has subtle themes of environmentalism, government corruption, and teamwork. In the similar vein of The Hunger Games series, the gravity of Sia’s situation with only fifteen days to live, will help bring some common teenage issues—friendship, self-esteem, budding romance—to the forefront. Sia is a strong female character who becomes a true leader, a good roll model for teenagers. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

On the tenth anniversary of the date that UN peacekeepers landed in Rwanda, Random House Canada is proud to publish the unforgettable first-hand account of the genocide by the man who led the UN mission. Digging deep into shattering memories, General Dallaire has written a powerful story of betrayal, naiveté, racism and international politics. His message is simple and undeniable: “Never again.” When Lt-Gen. Roméo Dallaire received the call to serve as force commander of the UN intervention in Rwanda in 1993, he thought he was heading off on a modest and straightforward peacekeeping mission. Thirteen months later he flew home from Africa, broken, disillusioned and suicidal, having witnessed the slaughter of 800,000 Rwandans in only a hundred days. In Shake Hands with the Devil, he takes the reader with him on a return voyage into the hell of Rwanda, vividly recreating the events the international community turned its back on. This book is an unsparing eyewitness account of the failure of humanity to stop the genocide, despite timely warnings. Woven through the story of this disastrous mission is Dallaire’s own journey from confident Cold Warrior, to devastated UN commander, to retired general engaged in a painful struggle to find a measure of peace, reconciliation and hope. This book is General Dallaire’s personal account of his conversion from a man conscious of his own weaknesses and failures and critical of the institutions he’d relied on. It might not sit easily with standard ideas of military leadership, but understanding what happened to General Dallaire and his mission to Rwanda is crucial to understanding the moral minefields our peacekeepers are forced to negotiate when we ask them to step into the world’s dirty wars. Excerpt from Shake Hands with the Devil My story is not a strictly military account nor a clinical, academic study of the breakdown of Rwanda. It is not a simplistic indictment of the many failures of the UN as a force for peace in the world. It is not a story of heroes and villains, although such a work could easily be written. This book is a cri de coeur for the slaughtered thousands, a tribute to the souls hacked apart by machetes because of their supposed difference from those who sought to hang on to power. . . . This book is the account of a few humans who were entrusted with the role of helping others taste the fruits of peace. Instead, we watched as the devil took control of paradise on earth and fed on the blood of the people we were supposed to protect.

Dark Days

Reviews the circumstances surrounding the Challenger accident to establish the probable cause or causes of the accident. Develops recommendations for corrective or other action based upon the Commission’s findings and determinations. Color photos, charts and tables.

In a dark future, when North America has split into two warring nations, 15-year-olds Day, a famous criminal, and June, the brilliant soldier hired to capture him, discover that they have a common enemy. P. Putnam’s Sons.

New York Times Bestseller The Bob’s Burgers Burger Book gives hungry fans their best chance to eat one of Bob Belcher’s beloved specialty Burgers of the Day in seventy-five original, practical recipes. With its warm, edgy humor, outstanding vocal cast, and signature musical numbers, Bob’s Burgers has become one of the most acclaimed and popular animated series on television, winning the 2014 Emmy Award for Outstanding Animated Program and inspiring a hit ongoing comic book and original sound track album. Now fans can get the ultimate Bob’s Burgers experience at home with seventy-five stories from the show but actually edible Burgers of the Day. Recipes include the “Blus is the Warmest Cheese Burger,” the “Bruschetta-Boat-U-Burger,” and the “Shoot-Out at the OK-r Corral Burger (comes with Fried Okra).” Serve the “Sweaty Palms Burger (comes with Hearts of Palm)” to your ultimate crush, just like Tina Belcher, or ponder modern American literature with the “I Know Why the Cajun Burger Sings Burger.” Fully illustrated with all-new art in the series’s signature style, The Bob’s Burgers Burger Book showcases the entire Belcher family as well as beloved characters including Teddy, Jimmy Pesto Jr., and Aunt Gayle. All recipes come from the fan-created and heavily followed blog “The Bob’s Burger Experiment.”

A decadent spring break beach getaway becomes a terrifying survival story when six Miami teens are kidnapped. A pulse-pounding thrill ride from the New York Times bestselling author Rachel Vincent. Maddie is beyond done with her cousin Genesis ’ s entitled and shallow entourage. Genesis is so over Miami ’ s predictable social scene with its velvet ropes, petty power plays, and backstabbing boyfriends. While Maddie craves family time for spring break, Genesis seeks novelty—like a last-minute getaway to an untouched beach in Colombia. And when Genesis wants something, it happens. But paradise has a price. Dragged to the cover of dark, Genesis, Maddie, and their friends are kidnapped and held for ransom deep inside the jungle—with no diva left behind. It all feels so random to everyone except Genesis. She knows they were targeted for a reason. And that reason is her. Now, as the hours count down, only one thing ’ s for certain: If the Miami hostages can ’ t thwart their captors ’ plan, no one will make it out alive. Tapping into our darkest fears while exploring issues of injustice, loss, and the courage to fight for what matters most, this thrilling read is perfect for fans of Nova Ren Suma, Becca Fitzpatrick, and Jennifer L. Armentrout.

Drawing from the wildly popular, self-published The Freedom Journal and The Mastery Journal, this motivational planner provides the structure and tools to build productivity, discipline, and focus. It explains how to set an attainable goal, while daily planning and 10-day review pages assure you’ll complete your tasks, reflect on your successes and challenges, and make your dreams come true!

NATIONAL BESTSELLER A GOOD MORNING AMERICA BOOK CLUB PICK AMAZON EDITORS’ 20 BEST BOOKS OF THE YEAR PICK “With its countless epiphanies and surprises, Oona proves difficult to put down.” —USA Today “By turns tragic and triumphant, heartbreakingly poignant and joyful, this is ultimately an uplifting and redemptive read.” —The Guardian A remarkably inventive novel that explores what it means to live a life fully in the moment, even if those moments are out of order. It’s New Year’s Eve 1982, and Oona Lockhart has her whole life before her. At the stroke of midnight she will turn nineteen, and the year ahead promises to be one of consequence. Should she go to London to study economics, or remain at home in Brooklyn to pursue her passion for music and be with her boyfriend? As the countdown to the New Year begins, Oona faints and awakens thirty-two years in the future in her fifty-one-year-old body. Greeted by a friendly stranger in a beautiful house she’s told is her own, Oona learns that with each passing year she will leap to another age at random. And so begins Oona Out of Order...

Hopping through decades, pop culture fads, and much-needed stock tips, Oona is still a young woman on the inside but ever changing on the outside. Who will she be next year? Philanthropist? Club Kid? World traveler? Wife to a man she’s never met? Surprising, magical, and heart-wrenching, Margarita Montimore has crafted an unforgettable story about the burdens of time, the endurance of love, and the power of family.

Three Days of Happiness

Your 30-Day Plan to Lose Weight, Balance Hormones, Boost Brain Health, and Reverse Disease

A teen girl suffers from progeria, a rare disease that causes her to age rapidly. This is the story of three unlikely friends learning to live life to its fullest before ultimately letting it go.

A mother describes the increasing accomplishments of her five-year-old, from crying and sleeping, to riding a tricycle, then preparing for school.

It’s time to pack perfect. Every trip, every time. Your journey starts here. When you travel, the journey is just as important as the destination—and packing is the first step. In How to Pack, Hitha Palepu, a former consultant who has traveled more than 500,000 cumulative miles around the world, shows that what and how you pack are who you are. Confidence and comfort inspire success upon arrival, whether you’re exploring a new city, hoping to nail a job interview, or relaxing on a beach. In How to Pack, you’ll learn about: • Power Pieces vs. Fantasy Pieces: How clothing earns its place in your suitcase • The Accessory Math Secret: The precise formula for all you need to finish off your outfits • Folding versus Rolling: What’s right for which items • Globetrotter Gorgeous: Editing your beauty routine while still looking great • The Packing Timeline: How to avoid “I’m forgetting something” syndrome • Pack Perfect Lists: Samples and blanks for any kind of trip

They’ll never see her coming. . . . When Evangeline Stone wakes up naked and bruised on a cold slab at the morgue—in a stranger’s body, with no memory of who she is and how she got there—her troubles are only just beginning. Before that night she and the two other members of her Triad were the city’s star bounty hunters, mercilessly cleansing the city of the murderous creatures living in the shadows, from vampires to shape-shifters to trolls. Then something terrible happened that not only cost all three of them their lives but also convinced the city’s other Hunters that Evy was a traitor—and she can’t even remember what it was. Now she’s a fugitive, piecing together her memory, trying to deal some serious justice—and discovering that she has only three days to solve her own murder before the reincarnation spell wears off. Because in three days Evy will die again—but this time there’s no second chance. . . .

Countdown to Zero Day

‘Susie Dent is a one-off. She breathes life and fun into words and language’ Pam Ayres ‘Susie Dent is a national treasure’ Richard Osman Welcome to a year of wonder with Susie Dent, lexicographer, logophile, and longtime queen of Countdown’s Dictionary Corner. From the real Jack the Lad to the theatrically literal story behind stealing someone’s thunder, from turtle (forgetting someone’s name at the very moment you need it) to snacident (the unintentional eating of an entire packet of biscuits), WORD PERFECT is a brilliant linguistic almanac full of unforgettable stories, fascinating facts, and surprising etymologies tied to every day of the year. You’ll never be lost for words again.

Transported through “a gate” to the mysterious world of Nil, seventeen-year-old Charley has 65 days to escape—or she will die. From the author of the international bestseller Eat Dirt, a 30-day plan to burn fat, fight inflammation, and reverse disease using the keto diet. Today, the ketogenic diet is the world’s fastest growing diet, and with good reason. When practiced correctly, it has been proven to burn fat, reduce inflammation, balance hormones and gut bacteria. Unfortunately, many people remain unaware of several key factors that are crucial to the diet’s success, setting them up for frustration, failure, and relapse. In KETO DIET, bestselling author Dr. Josh Axe sets the record straight, offering thorough, step-by-step guidance to achieving lifelong health. Unlike other books on the subject, KETO DIET identifies and details five different ketogenic protocols, and explains why picking the right one for your body and lifestyle is fundamental to your success. Complete with shopping lists, delicious recipes, complimentary exercise routines, and accessible explanations of the science, KETO DIET will give readers all the tools they need to say goodbye to stubborn fat and chronic disease once and for all.

Top cybersecurity journalist Kim Zetter tells the story behind the virus that sabotaged Iran’s nuclear efforts and shows how its existence has ushered in a new age of warfare—one in which a digital attack can have the same destructive capability as a megaton bomb. In January 2010, inspectors with the International Atomic Energy Agency noticed that centrifuges at an Iranian uranium enrichment plant were failing at an unprecedented rate. The cause was a complete mystery—apparently as much to the technicians replacing the centrifuges as to the inspectors observing them. Then, five months later, a seemingly unrelated event occurred: A computer security firm in Belarus was called in to troubleshoot some computers in Iran that were crashing and rebooting repeatedly. At first, the firm’s programmers believed the malicious code on the machines was a simple, routine piece of malware. But as they and other experts around the world investigated, they discovered a mysterious virus of unparalleled complexity. They had, they soon learned, stumbled upon the world’s first digital weapon. For Stuxnet, as it came to be known, was unlike any other virus or worm built before. More than simply targeting the computers and stealing information from them, it created the digital realm to wreak actual, physical destruction at a nuclear facility. In these pages, Wired journalist Kim Zetter draws on her extensive sources and expertise to tell the story behind Stuxnet’s genesis in the corridors of Israel’s White House and the spectacular, unlikely tale of the security geeks who managed to unravel a campaign years in the making. But Countdown to Zero Day ranges far beyond Stuxnet itself. Here, Zetter shows us how digital warfare developed in the US. She takes us inside today’s flourishing zero-day “grey markets,” in which intelligence agencies and militaries pay huge sums for the malicious code they need to carry out infiltrations and attacks. She reveals just how vulnerable many of our own critical systems are to Stuxnet-like strikes, from nation-state adversaries and anonymous hackers alike—and shows us just what might happen should our infrastructure be targeted by such an attack. Propelled by Zetter’s unique knowledge and access, and filled with eye-opening explanations of the technologies involved, Countdown to Zero Day is a comprehensive and prescient portrait of a world at the edge of a new kind of war.

Nijkamp portrays the events thoughtfully, recounting fifty-four intense minutes of bravery, love, and loss.” —BookRiot

Five years in the writing by one of science fiction’s most honored authors, Doomsday Book is a storytelling triumph. Connie Willis draws upon her understanding of the universalities of human nature to explore the ageless issues of evil, suffering and the indomitable will of the human spirit. For Kivrin, preparing an on-site study of one of the deadliest eras in humanity’s history was as simple as receiving inoculations against the diseases of the fourteenth century and inventing an alibi for a woman traveling alone. For her instructors in the twenty-first century, it meant painstaking calculations and careful monitoring of the rendezvous location where Kivrin would be received. But a crisis strangely linking past and future strands Kivrin in a bygone age as her fellows

try desperately to rescue her. In a time of superstition and fear, Kivrin-barely of age herself-finds she has become an unlikely angel of hope during one of history's darkest hours. Praise for Doomsday Book "A stunning novel that encompasses both suffering and hope. . . . The best work yet from one of science fiction's best writers."-The Denver Post "Splendid work-brutal, gripping and genuinely harrowing, the product of diligent research, fine writing and well-honed instincts, that should appeal far beyond the normal science-fiction constituency."-Kirkus Reviews (starred review) "The world of 1348 burns in the mind's eye, and every character alive that year is a fully recognized being. . . . It becomes possible to feel . . . that Connie Willis did, in fact, over the five years Doomsday Book took her to write, open a window to another world, and that she saw something there."-The Washington Post Book World

Mark Forster's book "Get Everything Done and Still Have Time to Play" took an entirely new approach to time management. One of his most important points was that once we have taken on a commitment, prioritising does not work because we need to do everything relating to that commitment. In the six years since he wrote the book as he has reached thousands of people through writing, seminars and coaching, he has continued to develop and refine his methods . He has now perfected even more effective methods of getting everything done through the introduction of some radical new ideas, including closed lists, the manyana principle and the "will do" list. He is brilliant at helping people to use new forms of communication effectively so that they do not become a tyrant. The result is a complete system which will enable almost anyone to complete one day's work in one day.
