Grow deeper in your relationship with Christ by enriching your understanding of the Bible, God's love letter to you.

To your avail, I have this fascinating book here that holds unique facts about Jesus Christ. It is mightily condensed with particulars that you cannot find inside of any other book unless you read the Holy Bible. The Holy Bible is my go-to Book for everything! That is why I thoroughly researched over 500 hours within the Bible to bring you accurate and distinct facts about our Loving Lord for this particular book. It is rooted in Biblical principles, genuine truths, and values that we should all be applying to our lives daily. I am vehemently convinced that after you accomplish reading these written works, chances are, you will know more about Jesus than anyone you know! You will securely grow in Christ and add to your Christian armor with every devoted page. Everything in parenthesis has been added for your enjoyment. The Glorious details that are provided for you will build your Faith and strengthen your living soul. There's not one thirsty life that will not have a grandiose impact of well-being and confidence about our Savior following the veracity of effects at the rewarding close of portions.

Having “ the talk ” can sometimes be an awkward experience for both parent and child. Even so, I didn ’ t want to wait until my children ’ s hormones kicked in, and I didn ’ t want to be caught off guard when they had questions, but most of all, I didn ’ t want them growing up with misconceptions concerning sex. I wanted my children to be informed about the facts of life, yet without being too sexually explicit in the process, because some of the facts weren ’ t good such as pornography, diseases, and predators, but these subjects needed to be addressed as well. As a result, I told them what I have written in Your Special Gift, by using the analogy of a gift, a lock, and a key to define commonly used sexual terms, and to caution them about possible consequences, and to warn them of potential predators. I also used Scripture as the basis of defining true love. The simplicity of the gift analogy opens the door of communication between parent and child in an effective straightforward, and yet sensitive way, so that any question concerning sex can be answered by using this method. Your Special Gift is well-suited for children in the 8-to-12 year-old range.

And Scientifically Accurate

An Uplifting Book with Bible Verses About: What Does God Say About Me The Facts on the Bible

This handy book assembles some of the most intriguing information about the Bible. Topics include language and literature, animals and plants, temples and synagogues, everyday life in Bible times, and people and groups. It covers the Magi, unicorns, the Wailing Wall, manna, the star of David, the Nephilim--the giants of old, and many more really interesting subjects. This attractive volume will make a fine and irreplaceable addition to your library of Bible knowledge.

How John Wrote the Book of Revelation is the first of its kind, and introduces genetic literary reconstruction to Biblical studies. It enables the reader to produce prior drafts of Hebrew and Christian Scriptures, thereby allowing the reader to apply the literary science of genetic criticism to a book in the Bible. How John Wrote the Book of Revelation takes the most difficult book to understand in the Christian Scriptures and reveals the sequence in which it was written, from the very first line to the final parallel. This provides the reader, for the first time, with the experience of observing how a Biblical book was written, and does this from an intimate perspective, as though they were looking over John's shoulders as he crafted it. How John Wrote the Book of Revelation is the first book that teaches the reader how to read Revelation the way it was written. After centuries of blind guess work trying to divine meaning, and weak interpretations of symbols, this book finally presents a clear, precise, and consistent method. It is a guidebook to identify all the rich symbols and their meanings within Revelation. Inside the pages of this book is the all-encompassing theory of construction for the book of Revelation. It includes three prior drafts of the book of Revelation, along with hundreds of charts and illustrations. How John Wrote the Book of Revelation is like no other book that has been written before, and sets a new paradigm for all Biblical works.

This helpful resource highlights the top 100 Scripture stories; the best Bible verses to review and memorize; and fun Bible facts so that parents can both teach their children about the Bible and also pass on a rich spiritual heritage.

"heavens and earth" of Genesis 1:1 were perfect (Deuteronomy 32:4) and beautiful (Ecclesiastes 3:11). Genesis 1:1, in just one short blessed sentence, covers within its grasp the 'totality of a perfect creation'. This fact is corroborated by Proverbs 8:22-31 narrating the primeval creation. In no way, Proverbs 8:27-31 are 'parallel' with Genesis 1:3-31 but actually complement Genesis 1:1 with additional details. Next, Proverbs 8:27-31 does not mention chaos on the primeval earth thereby proving that the chaos of Genesis 1:2 was of later occurrence. Moreover, Proverbs 8:26c-31 prove that the original earth was teemed with life, including pre-adamic 'sons of men' in whom Wisdom delighted. This could not be the case after Adam's fall. Undoubtedly, a faulty interpretation of Genesis 1:1-31 and Exodus 20:11 lies behind the 'battle for a true view of the beginning'. If these Scriptures, along with Proverbs 8:22-31, were objectively interpreted, taking into account Genesis 2:4a relating to beginnings, it would be clear that there were two beginnings of God's creative works; one, in the eternity past (2 Peter 3:5) and the other, in the realm of time (2 Peter 3:7), leaving no room for any debate relating to the origins or the age of the universe. It's time we admit our failure to consider all the Scriptures relating to creation and interpret the biblical creation accounts appropriately! And next, with faith, come to grips with the actual revealed Biblical Creation Truth, for 'His Name's sake'; even as we look forward to the creation of new heavens and earth in the eternity future (2 Peter 3:13)!

The inspiration of the Bible is central to Christian faith, yet there is no general agreement on the nature of this inspiration. In this provocative book, Kern Robert Trembath reviews seven major evangelical explanations of inspiration and demonstrates that all either view the Bible itself as the actual recipient of inspiration or explain biblical authority on grounds more appropriate to the doctrine of God--in effect investing the Bible with characteristics that properly belong only to God. Building on the work of William Abraham, Trembath constructs his own theory of inspiration--one that regards inspiration as a tripartite concept involving the elements of initiator, means, and receiver. He insists that only a human being can be the recipient of inspiration and that the Bible must therefore be understood as the means, rather than the end, of the process. He goes on to articulate a new definition of biblical inspiration--as "a mediated enhancement of human experience by God, through the Bible"--and argues that this new understanding of inspiration is most compatible with a Thomistic doctrine of God, which insists that God's acts are mediated through the world, rather than immediately occurring in it.

This book contains 20 "Scripture Studies." These studies enable individuals or groups to do in-depth, topical studies of the Bible. They are also invaluable to the Bible study teacher in preparing lessons. This is Volume I of what will be two volumes. This volume covers the essential doctrines of the Christian faith. It is these doctrines that separate the true Christian faith from cultic and other deviations. Included are studies on such essential doctrines as the authority and reliability of the Scriptures, the attributes of God, the Trinity, and forgiveness and salvation. The format is to first present the Scriptural evidence for the author's conservative (or evangelical) viewpoint in one or more studies. Then in one or more following studies, "opposing viewpoints" are presented. Then rebuttals to these opposing viewpoints are given. Included in each study are hundreds of Scripture references. So there will be no lack of material from which to begin your studies.

Bestselling author Robert Morgan explores 100 Bible verses that powerfully impacted our leaders during defining moments in American history and reflects upon what these verses mean for us as a nation today. 100 Bible Verses That Made America is a tour through the biblical roots of American history—a powerful exploration of our country's founders, leaders, and the critical moments that laid the foundation for the formation of the USA. Had there been no Bible, there would be no America as we know it. It is the Bible that made America. When George Washington was sworn into office as our first president, he did not place his hand on the Declaration of Independence or the Constitution of the United States, as important as those documents are. Instead, he swore upon and even kissed the Bible to sanctify this important moment. The Bible, Washington knew, had ushered American history to this point. While not every Founding Father was a Christian, each was knowledgeable about the Bible. And while none of them was perfect, many embraced a deep faith in the unfailing Word of God. 100 Bible Verses That Made America contains: Short, devotional-style chapters, each featuring a Bible verse and how it influenced a historical figure Engaging stories spanning from the Mayflower to modern day Vivid segments that emphasize the Bible as the cornerstone of American history Journey with Robert J. Morgan as he shares the Bible's role in the defining moments of American history and its impact on the people of our nation, reminding us of the beauty of faith and country and reigniting our passion for both.
