Cathy Park Hong grew up steeped in shame, suspicion, and melancholy. She would later understand that these "minor feelings" occur when American optimism contradicts your own reality—when you believe the

Minor feelings  
are not small,  
they're  
dissonant—and in  
their tension  
Hong finds the  
key to the  
questions that  
haunt her. With  
sly humor and a
