This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original textual elements with text in an easy-to-read typface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Gertrude Stein, as a college student at Radcliffe and a medical student at Johns Hopkins Medical School, was a privileged woman, but she was surrounded by women who were trapped by poverty, class, and race into lives that offered little choice. Her portraits of Anna and Lena are examples of realistic depictions of immigrant women who had no occupational choice but to become domestic workers. This collection of documents from the history of women's suffrage, medical history, modernist art, and literature enables readers to see how radical Stein's subject was.

Now available as an ebook for the first time ever in America, the bestselling coming-of-age classic novel by John Irving—the 40th anniversary edition with a new introduction by the author. "He is more than popular. He is a Populist, determined to keep alive the Dickensian tradition that revels in colorful set pieces...and teaches moral lessons."—The New York Times The opening sentence of John Irving's breakout novel The World According to Garp signals the start of sexual violence, which becomes increasingly political. "Garp's mother, Jenny Fields, was arrested in Boston in 1942 for wounding a man in a movie theater." Jenny is an unmarried nurse; she becomes a single mom and a feminist leader, beloved but polarizing. Her son, Garp, is less beloved, but no less polarizing. From the tragicomic tone of its first sentence to its mordantly funny last line—"We are all terminal cases"—The World According to Garp maintains a breakneck pace. The subject of sexual hatred—of intolerance of sexual minorities and differences—runs the gamut of "lunacy and sorrow." Winner of the National Book Award, Garp is a comedy with forebodings of doom. In more than thirty languages, in more than forty countries—with more than ten million copies in print—Garp is the precursor of John Irving's later protest novels.

The History of Love: A Novel

1001 Ideas for Trimwork Second Edition

Planning, Designing, Installing

New York is a city for lovers: In Love in New York guides the reader to the most romantic sights and destinations the city has to offer. Whether you want to watch the sun rise over the East River like Woody and Diane or enjoy a Cary Grant/Deborah Kerr moment at the top of the Empire State Building, there is no greater city than New York for couples in love. The book begins with "first impressions," the iconic New York sights that never fail to dazzle: the skyline (and the best places to view it), the most beautiful blocks and neighborhoods, the famous views (rooftops, bridges, riverside parks). Chapters follow on great date ideas, including destination museums and unusual "dinner-and-a-movie/theater" combinations. For readers ready to commit, the authors detail the best proposal spots; where to go ring shopping; the coolest places to register for gifts; and information about the legal requirements for marrying in the city (gay and straight), including a rundown on the classic City Hall wedding—with the best places to buy flowers and to celebrate afterwards, naturally. There are also ideas for planning honeymoons and anniversaries. Throughout, sidebars offer romantic options such as wonderful bars with fireplaces, the prettiest park benches, great New York literary and film affairs to inspire your visit, and romantic day trips within and near the five boroughs. From champagne on the Peninsula rooftop in midtown to ice skating in Bryant Park, in Love in New York is the perfect gift for any couple dreaming of experiencing the romance of New York.

Following her mother's untimely and mysterious death, Delia embarks on a voyage of discovery through the streets of her native Naples searching for the truth about her family. Reality is buried somewhere in the fertile soil of memory, and Delia is determined to find it. This stylish fiction is set in a beguiling but often hostile Naples, whose chaotic, suffocating streets become one of the book's central motifs. A story about mothers and daughters, and the complicated knot of lies and emotions that binds them. Elena Ferrante was born in Naples. She is the author of seven novels: The Days of Abandonment, Troubling Love, The Lost Daughter, and the quartet of Neapolitan Novels: My Brilliant Friend, The Story of a New Name, Those Who Leave and Those Who Stay, and The Story of the Lost Child. Fragments, a selection of interviews, letters and occasional writings by Ferrante, will be published in early 2016. She is one of Italy's most acclaimed authors. Ann Goldstein has translated all of Elena Ferrante's work. She is an editor at the New Yorker and a recipient of the PEN Renato Poggioli Translation Award. Ferrante's polished language belies the rawness of her imagery, which conveys perversity, violence, and bodily functions in pie detail.' New Yorker 'It's the first time a novel ever made me get physical, and it was the first good mood I'd been in for weeks.' New York Times 'Like Joyce's Ulysses, this journey draws vigorously on its cityscape. Naples is one of those sun-drenched spooky cities, thrumming with life and populated by ghosts, spastic with impregnable local culture.' Time Out New York 'A brutally frank tale about the dangerous intersection of rage and desire.' Booklist 'Both The Days of Abandonment and Troubling Love are tour de forces, and harrowing tours of a feminine psyche under siege. They both confirm Ferrante's reputation as one of Italy's best contemporary novelists.' Seattle Times 'There is an increasingly hallucinatory quality to the prose, a vulgarity and grotesqueness, too. Ferrante's novels are regarded as brilliant. Gritty and confronting, they are about an underbelly of southern Italy tourists rarely see.' New Zealand Herald 'Ferrante's uncompromising directness and her unflinching gaze cannot be faulted.' Age/Sydney Morning Herald 'The most erratic of the three novellas, its unhinged, broken quality matching the psyche of both Delia and her mother, whose violent history is hinted at in the character of a half-drawn child...It's brave to write a protagonist who at turns shames and exalts her mother with such cruelty and tenderness.' New Zealand Listener

Inspirational ideas for throwing the perfect party from a L.A. interior designer and party planner Joe Nye. Clients and friends turn to Joe Nye for his advice on gracious living, in particular how to create a smashing get-together. Flair covers three aspects of party planning that can make an event shine—flowers, paper components, and the table setting. In each section, Nye gives inspirational ideas and tips on how to make the most of these decorative elements for any type of occasion. Beautiful photographs of several diverse settings—a beach cocktail gathering, a casual red, white, and blue patriotic sit-down, a pastel-hued ladies' luncheon, and an elegant black-and-white supper—show how to achieve winning possibilities that can be pulled off with ease. Nye always throws in fun, unexpected elements, such as serving soup in antique finger bowls from the flea market and personal accents that make for a truly memorable event. The book covers topics such as when to use paper napkins, how to make flowers last longer, and host/hostess etiquette. A shopping resource completes this charming guide for those who relish the joy of entertaining.

A stunning novel by the bestselling National Book Award–winning author of White Noise and Underworld. Since the publication of his first novel Americana, Don DeLillo has lived in the skin of our times. He has found a voice for the forgotten souls who haunt the fringes of our culture and for its larger-than-life, real-life figures. His language is defiantly, radiantly American. In The Body Artist his spare, seductive twelfth novel, he inhabits the muted world of Lauren Hartke, an artist whose work defies the limits of the body. Lauren is living on a lonely coast, in a rambling rented house, where she encounters a strange, ageless man, a man with uncanny knowledge of her own life. Together they begin a journey into the wilderness of time, love and human perception. The Body Artist is a haunting, beautiful and profoundly moving novel from one of the finest writers of our time.

Trim Idea Book

The Bartender's Bible

ONE OF THE MOST LOVED NOVELS OF THE DECADE. A long-lost book reappears, mysteriously connecting an old man searching for his son and a girl seeking a cure for her widowed mother's loneliness. Leo Gursky taps his radiator each evening to let his upstairs neighbor know he's still alive. But it wasn't always like this: in the Polish village of his youth, he fell in love and wrote a book...Sixty years later and half a world away, fourteen-year-old Alma, who was named after a character in that book, undertakes an adventure to find her namesake and save her family. With virtuosic skill and soaring imaginative power, Nicole Krauss gradually draws these stories together toward a climax of "extraordinary depth and beauty" (Newsday).

A locals' treasure map to the secret spots favored by true New Yorkers. The "must-visit, must-see" travel list given to you by the New Yorker friend you wish you had. Vibrantly illustrated throughout, this practical guide transports readers to discover an insider's view of the Big Apple. The vivid watercolors illustrate destinations of the architectural marvels, cultural hubs, food and drink spots, and music venues that make New York so exciting. Cultural musings, accessible histories, anecdotes, and informative details accompany the illustrations throughout, making this volume as practical as it is beautiful. The book features eleven curated neighborhood destination walks--guiding the reader through the energetic New York streets, passing restaurants and coffee shops, historical sights, museums and galleries, parks, and the kind of authentic and timeless sites that one hopes to find when imagining the city. Interwoven throughout are insider guides on how to eat like a New Yorker; explore the city's most beautiful parks and gardens; navigate transit via ferry, subway, and bike; visit some of NYC's most iconic TV and film locations.

Flannery O'Connor (1925-1964) was an American author. Wise Blood was her first novel and one of her most famous works.

This true book (printed in full color) contains all the information needed to cut and install crown molding and trim. Cathedral/vaulted ceilings are rarely attempted because of the many diverse compound miter joints necessary. With our easy to follow 3-Step Method, written for the novice do-it-yourself person and the professional alike, you will be amazed how easy it is. An Insider's Walking Guide

Class-tested and coherent, this textbook teaches classical and web information retrieval, including web search and the related areas of text classification and text clustering from basic concepts. It gives an up-to-date treatment of all aspects of the design and implementation of systems for gathering, indexing, and searching documents; methods for evaluating systems; and an introduction to the use of machine learning methods on text collections. All the important ideas are explained using examples and figures, making it perfect for introductory courses in information retrieval for advanced undergraduates and graduate students in computer science. Based on feedback from extensive classroom experience, the book has been carefully structured in order to make teaching more natural and effective. Slides and additional exercises (with solutions for lecturers) are also available through the book's supporting website to help course instructors prepare their lectures.

Two New Yorkers present the very best things to do in the greatest city in the world, now completely revised and updated in a second edition. Organized by theme—including Eating and Drinking, 24-hour New York, Shopping and Spending, Arts and Culture, Views and Sites, the Great Outdoors, and Classic New York—and packed with detailed, helpful indexes organized by neighborhood and by category, this is simply the most fun and comprehensive guidebook to New York City ever. **The Best Things to Do in New York** crosses genres and boroughs to explore every aspect of the most diverse and exciting city in the world. Written from experience by two people who love the city, and featuring priceless tips from expert contributors—from authors on their favorite bookstores to architects on the city's best buildings—**The Best Things to Do in New York** is much more than just a guide.

Featured items include French doors, windows and sashes, blinds, colonnades, window seats, and other interior and exterior elements. Captions. 326 black-and-white illustrations.

With over 1180 color photos and illustrations, 1001 Ideas for Trimwork, Second Edition presents molding profiles and designs to turn any style home into a showplace. This expanded second edition includes easy-to-accomplish trimwork projects such as crown moldings, chair railings, friezes, niches, wainscoting, pillars, stair embellishments, and mantel moldings. In addition to the hundreds of molding designs, the book includes scores of examples of professionally decorated rooms enhanced with trimwork and molding. Bring warmth and character to any room in the home with 1001 Ideas for Trimwork.

Mix Drinks Like A Pro Now you can with this indispensable handbook, the most thorough and thoroughly accessible bartending guide ever created for both professional and home use. Encyclopedic in scope and filled with clear, simple instructions, *The Bartender's Bible* includes information on: Stocking and equipping a bar from liquors and mixers to condiments, garnishes, and equipment Shot-by-shot recipes for over 1,000 cocktails and mixed drinks from bourbon to rum to whiskey Wine drinks Beer drinks Nonalcoholic drinks Special category drinks tropical, classics, aperitifs, cordials, hot drinks, and party punches Anecdotes and histories of favorite potables And more! If you've ever wondered whether to shake or stir a proper Martini, or what to do with those dusty bottles of flavored liquors, *The Bartender's Bibles* the only book you need! A bartender, as a rule, is a person who enjoys the company of others, endeavors to solve problems, listens to the woes of the world, sympathizes with the mistreated, laughs with the comedians, cheers up the down at heart, and generally controls the atmosphere at his or her bar. A bartender is the manager of moods, the master of mixology. Certain scenarios are played out over and over again in bars everywhere. The questions are basically the same; only the details vary: What's in a true Singapore Sling? How long has the Martini been around? What's the difference between a Fix and a Fizz? A reference book as necessary to a bartender as ice. -- from *The Bartender's Bible*

Summary Effective Unit Testing is written to show how to write good tests—tests that are concise and to the point, expressive, useful, and maintainable. Inspired by Roy Osherove's bestselling The Art of Unit Testing, this book focuses on tools and practices specific to the Java world. It introduces you to emerging techniques like behavior-driven development and specification by example, and shows you how to add robust practices into your toolkit. About Testing Test the components before you assemble them into a full application, and you'll get better software. For Java developers, there's now a decade of experience with well-crafted tests that anticipate problems, identify known and unknown dependencies in the code, and allow you to test components both in isolation and in the context of a full application. About This Book Effective Unit Testing teaches Java developers how to write unit tests that are concise, expressive, useful, and maintainable. Offering crisp explanations and easy-to-absorb examples, it introduces emerging techniques like behavior-driven development and specification by example. Programmers who are already unit testing will learn the current state of the art. Those who are new to the game will learn practices that will serve them well for the rest of their career. About the Print Book The print book comes with an offer of a free PDF, ePub, and Kindle eBook from Manning. Also available is all code from the book. About the Author Lasse Koskela is a coach, trainer, consultant, and programmer. He hacks on open source projects, helps companies improve their productivity, and speaks frequently at conferences around the world. Lasse is the author of Test Driven, also published by Manning. What's Inside A thorough introduction to unit testing Choosing best-of-breed tools Writing tests using dynamic languages Efficient test automation Table of Contents PART 1 FOUNDATIONS The promise of good tests In search of good Test doubles PART 2 CATALOG Readability Maintainability Trustworthiness PART 3 DIVERSIONS Testable design Writing tests in other JVM languages Speeding up test execution

An ideal sourcebook for architects, woodworkers, and homeowners, this beautiful reference showcases the stunning architectural details of the Winterthur Museum. This guided tour explores 33 rooms from the Georgian and Federal periods with stunning photography, architectural terms, detailed drawings, and fascinating commentary.

The phenomenal New York Times best-seller that "explores the upstairs-downstairs goings-on of a posh Parisian apartment building" (Publishers Weekly). In an elegant hôtel particulier in Paris, Renée, the concierge, is all but invisible—short, plump, middle-aged, with bunions on her feet and an addiction to television soaps. Her only genuine attachment is to her cat, Leo. In short, she's everything society expects from a concierge at a bourgeois building in an upscale neighborhood. But Renée has a secret: She furtively, ferociously devours art, philosophy, music, and Japanese culture. With biting humor, she scrutinizes the lives of the tenants—her inferiors in every way except that of material wealth. Paloma is a twelve-year-old who lives on the fifth floor. Talented and precocious, she's come to terms with life's seeming futility and decided to end her own on her thirteenth birthday. Until then, she will continue hiding her extraordinary intelligence behind a mask of mediocrity, acting the part of an average pre-teen high on pop culture, a good but not outstanding student, an obedient if obstinate daughter. Paloma and Renée hide their true talents and finest qualities from a world they believe cannot or will not appreciate them. But after a wealthy Japanese man named Ozu arrives in the building, they will begin to recognize each other as kindred souls, in a novel that exalts the quiet victories of the inconspicuous among us, and "teaches philosophical lessons by shrewdly exposing rich secret lives hidden beneath conventional exteriors" (Kirkus Reviews). "The narrators' kinetic minds and engaging voices (in Alison Anderson's fluent translation) propel us ahead."—The New York Times Book Review "Barbery's sly wit . . . bestows lightness on the most ponderous cogitations."—The New Yorker

Shows homeowners how to choose and use moldings and trim. Includes design concepts. Over 500 full-color photos and illustrations.
