

101 Good Questions To Ask On A Date Discover Conversation Topics And Questions That Will Eliminate Any Incidence Of Awkward Silence And Increase Attraction With Your Date

Before You Get Engaged offers priceless advice and direction for daters who are considering popping (or answering) the big question. Author and counseling pastor David Gudgel teams with his son, Brent, and Brent's girlfriend, Danielle, using anecdotes, dialogue, and diary entries to discuss the twelve relational indicators indispensable to a healthy, lasting marriage, including: Would you marry you? Are you spiritually connected? Are you better together than apart? Have you considered what God has to say? Complete with fun and endearing proposal tips as well as ways to gently ask your significant other for more time, Before You Get Engaged will equip you with the insight, confidence, and peace to make one of the biggest decisions of your life.

You have one of the toughest and most important jobs out there: raising teenagers. Their reputation precedes them: cluttered rooms, changing moods, curfew wars and confusing relationships haunt the dreams of parents well before their oldest child hits adolescence. Wayne Rice, founder of Understanding Your Teenager, has compiled more than a hundred of the most common concerns that parents bring to him, questions like How should I respond when my daughter is disrespectful? When is it appropriate for teenagers to start dating? What do I do when my son refuses to go to church? My kids asked me if I ever used drugs. Should I tell the truth or lie about it? In There's a Teenager in My House a team of youth ministry experts including Mark DeVries Duffy Robbins David Olshine Tim Smith Jim Green Marv Penner Kendra Smiley Dave Veerman who offer practical, wise answers based on their years of experience ministering to (and raising) teenagers. The teenage years are tough on parents. They're tough on kids too. But with the helpful insights you'll find in There's a Teenager in My House, you can endure--and even enjoy--this exciting season of your child's life.

A revolutionary approach to enhancing productivity, creating flow, and vastly increasing your ability to capture, remember, and benefit from the unprecedented amount of information all around us. For the first time in history, we have instantaneous access to the world's knowledge. There has never been a better time to learn, to contribute, and to improve ourselves. Yet, rather than feeling empowered, we are often left feeling overwhelmed by this constant influx of information. The very knowledge that was supposed to set us free has instead led to the paralyzing stress of believing we'll never know or remember enough. Now, this eye-opening and accessible guide shows how you can easily create your own personal system for knowledge management, otherwise known as a Second Brain. As a trusted and organized digital repository of your most valued ideas, notes, and creative work synced across all your devices and platforms, a Second Brain gives you the confidence to tackle your most important projects and ambitious goals. Discover the full potential of your ideas and translate what you know into more powerful, more meaningful improvements in your work and life by Building a Second Brain.

The interview remains the most important step in finding a job. But in preparation for the interview, many job seekers primarily concentrate on developing answers to anticipated questions. However, recent research shows that the questions asked by the interviewee often carry more weight with interviewers than the questions answered. Here's the first book to reveal the key questions interviewees should always ask at the interview.

Summary of H. Norman Wright's 101 Questions to Ask Before You Get Engaged There's a Teenager in My House

Before You Get Engaged

101 Good Questions to Ask on a Date

101 Questions True Crime Fans Ask

Humor That Works

Learn the terrifying truth behind the world's deadliest serial killers... Serial killers haunt our dreams and inspire the terrifying villains of TV shows and horror movies. But how much do you really know about the minds behind the world's deadliest killers? What drives these murderers to kill and kill again? And what fuels our fascination with the true stories of their horrific crimes? Now forensic psychologist, private investigator, and crime writer Dr. Joni E. Johnston brings you the answers to these questions and more! SERIAL KILLERS: 101 Questions True Crime Fans Ask dives into the case files of the most infamous murderers in history, and answers the questions true crime fans have been dying to ask...

Are you a 20-something eager to find yourself in this crazy thing we call, The Real World? *cue dramatic sound effect* Until now, we've spent our entire lives in school. The great thing about school is that with each new year comes a new syllabus! But now what? No one warned us that our twenties would feel like floating in outer space. Can someone please turn on the gravity? We need a little direction here! Are you looking to find more clarity?Do you want to get to know yourself better?Are you eager to find your why?Are you ready to own your life? If so, take a BIG ole breath because you've come to right place. You are not alone in your 20-something journey and this book was written just for you as you speed through life. This book is quirky, fun, and full of advice. It's not going to add MORE to your plate (we've got enough going on), and I've organized it into the five major areas of life:1. SELF-LOVE 2. HEALTHY MIND 3. BODY ACCEPTANCE 4. RELATIONSHIPS 5. CAREER These, I believe, are the areas in which we experience the most change during this roller coaster of a decade. Each micro chapter will give you the tools, tips, n' tricks to navigate life's ups and downs with ease, grace, and a whole lot of fun. If you're ready to take the plunge, open to page one and let's get started.

Work Together Toward a Lasting Love If you've been married for more than five minutes, you know that marriage isn't all long-stemmed roses and heart-eye emojis. Marriages that stand strong under pressure take work—and lots of it. Whether you've just tied the knot or been together for years, After You Say "I Do" is the tool you need to strengthen your bond. This guide offers creative resources to help you and your partner navigate your differences and resolve conflict through open and healthy communication. Learn how to understand and navigate your different personalities handle and talk about your finances in productive ways prepare for the unexpected life events that are sure to come build healthy relationships and boundaries with in-laws A marriage that lasts is not a thing of the past. You can build a happy, healthy marriage one step at a time.

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, non-sensense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

In this instant New York Times bestseller, Angela Duckworth shows anyone striving to succeed that the secret to outstanding achievement is not talent, but a special blend of passion and persistence she calls “grit.” “Inspiration for non-geniuses everywhere” (People). The daughter of a scientist who frequently noted her lack of “genius,” Angela Duckworth is now a celebrated researcher and professor. It was her early eye-opening stints in teaching, business consulting, and neuroscience that led to her hypothesis about what really drives success: not genius, but a unique combination of passion and long-term perseverance. In Grit, she takes us into the field to visit cadets struggling through their first days at West Point, teachers working in some of the toughest schools, and young finalists in the National Spelling Bee. She also mines fascinating insights from history and shows what can be gleaned from modern experiments in peak performance. Finally, she shares what she's learned from interviewing dozens of high achievers—from JP Morgan CEO Jamie Dimon to New Yorker cartoon editor Bob Mankoff to Seattle Seahawks Coach Pete Carroll. “Duckworth's ideas about the cultivation of tenacity have clearly changed some lives for the better” (The New York Times Book Review). Among Grit's most valuable insights: any effort you make ultimately counts twice toward your goal; grit can be learned, regardless of IQ or circumstances; when it comes to child-rearing, neither a warm embrace nor high standards will work by themselves; how to trigger lifelong interest; the magic of the Hard Thing Rule; and so much more. Winningly personal, insightful, and even life-changing, Grit is a book about what goes through your head when you fall down, and how that—not talent or luck—makes all the difference. This is “a fascinating tour of the psychological research on success” (The Wall Street Journal).

True or false? In selling high-value products or services: 'closing' increases your chance of success; it is essential to describe the benefits of your product or service to the customer; objection handling is an important skill; open questions are more effective than closed questions. All false, says this provocative book. Neil Rackham and his team studied more than 35,000 sales calls made by 10,000 sales people in 23 countries over 12 years. Their findings revealed that many of the methods developed for selling low-value goods just don't work for major sales. Rackham went on to introduce his SPIN-Selling method. SPIN describes the whole selling process: Situation questions Problem questions Implication questions Need-payoff questions SPIN-Selling provides you with a set of simple and practical techniques which have been tried in many of today's leading companies with dramatic improvements to their sales performance.

"A Black History Reader, Dr. Claud Anderson's fifth book, was written to highlight and examine the ignored Social Construct on Race, its effects on Black Americans and strategies they can use to take advantage of its weakness. Using a Q&A format, Dr. Anderson focuses on the etiology of White racism imbedded within the Social Construct."--Publisher's website.

101 Fun Questions to Ask Your Kids

801 Questions Kids Ask about God

101 Fun Questions to ask your Kids - The supreme book for igniting conversations with the youngest members of your family. Crack it open at dinnertime, on road trips, during vacations and beyond. Some of the questions are silly, others splashed with science and history, while still others are fantastical. Once you ask one question, your kids will want to answer them all.

Contrary to what you've been told, keeping a marriage successful does NOT take hard work! All it takes is making a few small changes over time. If you're feeling your good marriage is starting to show a little wear, zero in on those imperfections, right?WRONG! Focus on what's going well! Enhance the good aspects of your marriage and build on the solid foundation you already have. Dr. Orbuch debunks many common marriage myths and you'll find out who needs more compliments—men or women. Who falls in love faster—women or men? With engaging quizzes and checklists; easy-to-use tips; and new takeaways on compatibility, fighting fair, and relationship ruts, 5 Simple Steps to Take Your Marriage from Good to Great will give you perfect ways to say "I love you" and show you how to reignite the passion in your relationship. You'll find out why it's okay to go to bed mad and why you don't want to engage in kitchen sinking! The advice in this smart, entertaining book will help you put the excitement back in your marriage in no time, and you'll be amazed at how easy it will be. 5 Simple Steps to Take Your Marriage from Good to Great is based on the findings of a groundbreaking study directed by Dr. Orbuch, and funded by the National Institutes of Health. The study—of the same 373 married couples—began in 1986 and continues today. Dr. Orbuch is a professor, a renowned therapist, and a nationally recognized relationship expert known as The Love Doctor®.

A revised and expanded edition of the classic relationship book that has helped thousands of couples shape a shared vision for their lives together. With this simple-yet-profound relationship tool, Susan Piver shows couples at any stage of their relationships—whether they are considering engagement, have been married for decades, or just want to deepen their connection--how they can forge and strengthen lasting, intimate bonds. Focusing on key areas such as home, money, work, community, and family, The Hard Questions contains 100 thought-provoking questions for couples to ask each other, including: • What will our home look like? • What are our professional goals? • How do you feel about sharing our life on social media? • Will we try to have children, and if so, when? The Hard Questions provides couples with guidance and support for having the kind of conversations that will lead them to a deeper understanding of each other and a happy, healthy, and prosperous future together.

Is ____ok in the bedroom? If I'm single, how far is too far? How do I get past my shame? Whether you are married or single, having great sex or no sex, your sexuality is inseparable from your spirituality. Sadly, most churches are silent on the subject. Dr. Jul Slattery is breaking the silence. In 25 Questions You're Afraid to Ask about Love, Sex, and Intimacy, she tackles the most common and critical questions women ask her about sexuality, like:

What if I don't like sex? Can I be single and sexual? Is masturbation a sin? How do I make time to make love? What if I want sex more than my husband does? Candid, wise, and practically minded, Dr. Slattery addresses matters like sexual abuse, pornography, betrayal in marriage, intimacy in the bedroom, singleness, and more, calling women to think biblically about all areas of their sexuality. Find answers to your questions, liberation from your fears, and freedom to explore God's good gifts of love, sex, and intimacy.

100 Essential Questions to Ask Before You Say "I Do"

4,000 ways to achieve instant intimacy. With new and updated questions! What, more than anything, makes you angry? Who were your childhood idols? What kind of leader are you most inclined to follow? What has happened to the art of conversation? In the age of the Internet, speed dating, and frantic text messaging, have we forgotten how to meaningfully connect? This book of 4,000 provocative questions will help you get to know anyone and everyone in every social situation. Use it to go beyond small talk at parties, networking events, dates, dinner tables, and road trips. It's for getting to know someone you just met and learning a lot more about someone you thought you already knew (who may be yourself). · A perfect social tool for the Internet generation · Features thematic sections on lifestyle choices, pastimes, politics, family, and more · A resource for self-discovery and for journalists and writers doing interviews and developing characters, plots, and story lines

To ace a job interview, you need to give the right answers—and ask the right questions. 101 Smart Questions to Ask on Your Interview is for every job candidate who thinks “Do you have any questions for me?” marks the end of an interview. In Ron Fry's view, it marks the beginning of the last, and perhaps most important, interview phase, one that's so important that failing to properly prepare for it can undo all your hard work, including providing great answers to tough questions. It's your moment to shine—to show off the depth and breadth of your research, to remind the interviewer of how perfectly your credentials fit the job description, and to actually ask for the job! Fry shows you how to take charge of the interview process, presenting yourself as the self-managing, versatile, and confident candidate most employers are seeking. He demonstrates how to use the interview process to sell the company on you while obtaining the information necessary to make sure you are sold on them. From what to ask, when to ask it, and the kinds of answers to expect, 101 Smart Questions to Ask on Your Interview gives all candidates, from first-timers to seasoned pros, the practical information and advice they need to ace entire interviews . . . and get their dream jobs.

The Straight Scoop on the Questions That Make You Blush Why do I feel turned on when breastfeeding? Could an epidural paralyze me? Am I awful for feeling sad my baby isn't the sex I'd hoped for? In this comprehensive new book, doula and birth educator Bailey Gaddis offers frank girlfriend talk and expert advice about pregnancy, childbirth, and early motherhood. During her own pregnancy, Bailey had many unanswered questions she felt were too taboo or embarrassing to ask. To help other women have a more informed, less cringey experience, she went on to train as a birth professional, and her work has inspired this book. Bailey consulted with medical experts and psychologists to ensure accurate answers to the featured questions, and she presents her sought-after expertise to you with thoughtfulness and humor. Her accurate, nonjudgmental answers to even the most embarrassing or scary questions will help guide you through pregnancy and the first weeks of motherhood with greater calm and confidence.

The phenomenon returns! Originally published in 1987, The Book of Questions, a New York Times bestseller, has been completely revised and updated to incorporate the myriad cultural shifts and hot-button issues of the past twenty-five years, making it current and even more appealing. This is a book for personal growth, a tool for deepening relationships, a lively conversation starter for the family dinner table, a fun way to pass the time in the car. It poses over 300 questions that invite people to explore the most fascinating of subjects: themselves and how they really feel about the world. The revised edition includes more than 100 all-new questions that delve into such topics as the disappearing border between man and machine—How would you react if you learned that a sad and beautiful poem that touched you deeply had been written by a computer? The challenges of being a parent—Would you completely rewrite your child's college-application essays if it would help him get into a better school? The never-endingly interesting topic of sex—Would you be willing to give up sex for a year if you knew it would give you a much deeper sense of peace than you now have? And of course the meaning of it all—If you were handed an envelope with the date of your death inside, and you knew you could do nothing to alter your fate, would you look? The Book of Questions may be the only publication that challenges—and even changes—the way you view the world, without offering a single opinion of its own.

You need 101 Secrets for Your Twenties.

Please note: This is a companion version & not the original book. Sample Book Insights: #1 The questions in this book are designed to help you determine if the person you're about to become engaged to is the right one for you. They will help you avoid becoming engaged to a stranger. #2 The questions in this section are from those who were married and were shocked by their answers. They were dismayed and felt deceived. They were cautionary guidelines for you to consider as you prepare to ask your partner these questions. #3 It can be difficult to find the right person, and you must be willing to stop and listen to your inner voice if it tells you that you are making a mistake. Be willing to pull the plug or at least put things on hold until issues can be resolved in the relationship. #4 My friend was dating a very nice woman, but he couldn't figure out why he wasn't excited about spending time with her. He realized that he was already half-in love with someone else.

In a Culture of Distortions, Discover God-Defined Womanhood and Beauty In a culture where airbrushed models and career-driven women define beauty and success, it's no wonder we have a distorted view of femininity. Our impossible standards place an incredible burden of stress on the backs of women and girls of all ages, resulting in anxiety, eating disorders, and depression. One question we often forget to ask is this: What is God's design for womanhood? In Girl Defined, sisters and popular bloggers Kristen Clark and Bethany Beal offer women a countercultural view of beauty, femininity, and self-worth. Based firmly in God's design for their lives, this book helps women rethink what true success and beauty look like. It invites them on a liberating journey toward a radically better vision for femininity that ends with the discovery of the kind of hope, purpose, and fulfillment they've been yearning for. Girl Defined helps readers · discover God's design for femininity and his definition of a successful woman · uncover the secrets of lasting worth, purpose, and fulfillment · be equipped and empowered to live out a radically better vision for womanhood · gain personal insight through the chapter-by-chapter study guide

All Groan Up: Searching for Self, Faith, and A Freaking Job! is the story of the GenY/Millennial generation told through the individual story of author Paul Angone. It's a story of struggle, hope, failure, and doubts in the twilight zone of growing up and being grown, connecting with his twentysomething post-college audience with raw honesty, humor, and hope.

101 Questions to Ask Before You Get Engaged

Answers questions about the Bible.

201 Questions to Ask Your Kids Do you have trouble talking to your kids? Does a successful conversation with your child consist of one-word responses or abrupt physical acknowledgments? Does your son or daughter get upset at the most innocent questions? Join the club. Unfortunately, communicating well with kids is something every parent desires but few achieve. We love our children, but talking to them in a meaningful manner isn't always easy. The questions in this book are designed to help. No matter what age or sex your children, no matter how many children you have, no matter how good or bad your current parent/child relationship, this simple "game" will get your family talking more. And when you're talking--really talking about emotions and fears and attitudes--you'll be learning about each other as individuals and growing closer together as a group. An Introduction For Kids Wouldn't it be fun to find out more about what your father or mother was like when he or she was a kid? Or get to tell your parents which of their friends you think looks dorkiest? Wouldn't conversation be more interesting if you and your family traded unexpected questions and answers at dinner rather than just talked about what homework did or didn't get done? There are a lot of great things to talk about that no one ever brings up because we usually think conversation is serious rather than a way of being playful. Of course, conversation should be about serious things some of the time--some of the questions in this book are about very serious topics. But other times, questions should be asked just to create new ways to think about things, look back on our lives, or imagine what life would be like if we could design in any way we wanted. In fact, I wrote this book because I think talking can be terrific fun, and even talking to your parents and brothers or sisters can be a kind of great game. Everyone can get to know each other and laugh a lot--and be amazed from time to time. No one wins or loses, but there is an element of surprise in finding out personal information about parents--and sharing some of your ideas, daydreams, and opinions with them. My idea is to think of some of the world's most interesting questions that parents and kids could talk about and give everyone the chance to pick the ones they'd like to hear about. Each person picks a question to ask and then answers a question when his or her turn comes around. All you have to do is choose from the list under 201 Questions to Ask Your Parents and ask any question you want. Your parents can take as long or as short a time they want to answer. Any you can all discuss the topic if you like. But then they go into their section of the book and ask you questions. Some of them might not be so interesting, but others--like asking you who is the meanest kid you know--might be cool to think about and share with them. They'll learn a lot about what you think are ways kids act nasty! You can wiggle out of any two questions that don't interest you or are embarrassing--but no more than that. It's good if a question makes you squirm a little; that means you either haven't thought about it before, or you have but you haven't wanted to deal with it. But why not try out and answer? Pick a set length of time to play for--and my guess is you'll want to extend it. These questions get addictive! You can play them at the dinner table, or after dinner, or on a car trip, or anytime you feel like hearing what your parents say about something. So, this is a book about how to have interesting and often funny conversations with your family. It's a way to avoid dead, boring silences and fill the time instead with questions and answers that everyone will enjoy thinking about. I know that in my family, it is too easy for us to get stuck talking about practical things like who has to be taken where the next day. That isn't particularly fun. It doesn't let me in on what my kids are thinking, and it doesn't help my two teenagers learn things that might help them understand me a little better. An ingenious book that speaks to both parents and their kids. 201 QUESTIONS TO ASK YOUR KIDS/201 QUESTIONS TO ASK YOUR PARENTS is two books in one. Open it from one side, and it provides parents with 201 questions for their children intended to spark discussion, help reveal who their children really are, and help children think about themselves and the world in new and useful ways. Turn it over, and there are 201 questions children can ask back to their parents. Devised as an interactive "game," this is a book that can get any family talking--really talking about facts and attitudes. An ingenious book that speaks to both parents and their kids. 201 QUESTIONS TO ASK YOUR KIDS/201 QUESTIONS TO ASK YOUR PARENTS is two books in one. Open it from one side, and it provides parents with 201 questions for their children intended to spark discussion, help reveal who their children really are, and help children think about themselves and the world in new and useful ways. Turn it over, and there are 201 questions children can ask back to their parents. The relationship expert from the Ladies' Home Journal, the Wall Street Journal, and Lifetime Television shows how to prevent marriage problems before they start There's nothing wrong with starter jobs and starter homes, but starter marriages? Relationship expert Monica Mendez Leahy is on a mission to help readers make their marriage last. Her 1,001 Questions to Ask Before You Get Married offers a reality check for couples on the marriage path, helping them realize how much they have yet to discover about their partner's nature, thought processes, lifestyle, and marital expectations. Engaged couples learn to discuss issues deeper than "chicken or fish" and to broach subjects that are often ignored before the nuptials yet essential for the foundation of an intimate, long-lasting relationship. Posed in a variety of fun formats, including multiple choice, fill-in-the-blank, and hypotheticals, these questions include topics such as: "Does your partner feel that you're too attached to your parents?" "Is there such a thing as innocent flirting?" "Is it OK to cheat on your taxes?" And more

The Perfect Remedy for Cold Feet! More than half of all couples who become engaged this year will never make it to the altar. Why? Leading experts believe it's because couples fail to really get to know their potential mate before getting engaged. Relationship expert and noted couples counselor Norm Wright steers potential brides and grooms through a series of soul-searching questions to discern if they're really met "the One." Couples will be much more confident about whether or not to pursue marriage after completing these in-depth and personal questions. Norm also addresses the delicate subject of calling off the wedding if readers discover that a potential mate isn't actually meant to be a life partner.

101 Answers to Questions Women Are Too Embarrassed to Ask about Pregnancy, Childbirth, and Motherhood

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Originally published: Why you? London: Portfolio, an imprint of Penguin Random House UK, 2014.

In 101 Answers to Questions Leaders Ask, Quint Studer offers practical, prescriptive solutions to some of the many questions he's received from health care leaders around the country since the debut of "Ask Quint" on the Studer Group website more than four years ago. Informed by best practices in a national learning lab of health care organizations, Quint shares his insights on how to deliver excellent patient care, engage employees, and improve physician relations for access, growth and strong financial performance. In short, Quint's answers accelerate the leadership learning curve. Questions are organized by topic, making the book valuable as a reference point for specific issues or on-the-spot problem-solving.

Adulting got you down? Whether you just polished off your college graduation cake, are in your twenties or thirties struggling through a quarter-life crisis, you're simply trying to figure out how to become all grown up, or you're a parent looking for that perfect college graduation gift or Christmas gift for your twentysomething, 101 Questions You Need to Ask in Your Twenties is the book for you. To find important life answers in your 20s, you need to start with good questions. Author, speaker, and blogger Paul Angone has dedicated the last 12 years to helping twentysomethings and in this book he culminates his work to give readers wisdom through major life questions like: What's the best way to know if you're actually ready to get married? Where's the future of work headed and what does having a successful career look like today? How do I make a choice when I don't know what to choose? How do I stop networking and start "relationshiping"? Why do some people have great marriages while others have complete wrecks before they even make it to the highway? Am I seeing the other side of people's Instagram photos (you know, the side they're not exactly posting pictures of)? What are the Pivotal Plot Points of my story? Do I have anyone on my "Dream Team"? After his success with 101 Secrets for your Twenties and connecting with millions of twentysomethings around the world through speaking engagements and his blog AllGroanUp.com, Paul Angone captures the hilarious, freakishly-accurate assessment of life as a modern-day twentysomething (and thirtysomething) facing real Millennial problems, but now he's digging even deeper. If you're drowning your anxieties in Netflix and ice cream, are afraid you're failing, going crazy, or both, or are just longing for a little guidance to get past "just getting by," grab this book and start thriving in the most "defining decade" of your life.

The author presents a collection of ways to reap the proven human and corporate benefits of humor at work, organized by core business skill and founded on his own work as a business speaker and coach with the consulting company, Humor That Works.

For many believers, the subject of the End Times stirs confusion, apprehension, and dread. No longer! This user-friendly manual answers 101 of the most frequently asked questions about everything from the Pre-Tribulation Rapture, the Antichrist, and Tribulation to the Second Coming and the Millennium. Prophecy expert Mark Hitchcock offers a biblically authoritative resource for understanding God's plan and a reason for peace instead of anxiety about each believer's role in it. This eBook contains links to online charts for viewing and printing.
