

101 World Whiskies To Try Before You Die

Thanks to industry guru Jim Murray and his internationally acclaimed annual Whisky Bible, the Japanese are now running out of their own single malt and people have fought in Toronto liquor stores to grab the last bottle of his World Whisky of the Year. Rye, Irish Pot Still, and Bourbon have all seen a massive resurgence in recent years not least thanks to the visionary campaigning of the world's first-ever full time professional whisky writer. Murray has tasted nearly 20,000 different whiskies for the Whisky Bible since it first hit the shelves in 2003. For this 2021 edition, he reflects on over another 1,200. The 4,700 whiskies included in this 2021 edition range from Scottish Single malts to Australian; from Canadian to Austrian. The whiskies from over 30 different countries are included and evaluated in his forthright, honest, amusing, fiercely independent, and non-pretentious style.

The best - and most enjoyable - way to find out about whiskies is by drinking them. This truly hands-on handbook takes you on a tasting journey to discover your own personal whisky style, and helps you to expand your horizons so you can find a world of new whiskies to enjoy. Through a series of guided at-home tastings, you'll get familiar with the full spectrum of whisky aromas and flavours on offer - from the smoky tang of Islay peat to the aromatic scent of Japanese oak. Find out how to engage all your senses to navigate the range of malts, grains and blended whiskies and get to grips with different whisky styles. Take a tasting tour of the world's finest makers, including iconic Scottish distilleries and small-scale artisan producers all over the globe. And as you become more whisky-confident, you can break out of your whisky comfort zone. Do you love the honeyed sweetness of a Kentucky Bourbon? If so, why not try a smooth malt that's been aged in ex-Bourbon barrels? Or a creamy, oat-infused Irish craft whiskey? Guides to whisky prices and ages will help you to make smart buys. Discover how to pour, store and serve whiskies and match them with foods. Learn to mix cocktails, from a classic whiskey sour to your own signature creation. With 20 step-by-step whisky tastings, clear infographics and jargon-busting advice - taste your way to whisky wisdom.

The world's best-selling book on malt whisky, now updated to include all the latest significant bottlings. This seventh edition of Michael Jackson's Complete Guide to Single Malt Scotch continues to provide whisky enthusiasts with all the information, advice, and guidance they need to improve their knowledge and appreciation of single malt whisky. Fully updated with all the latest significant bottlings, Michael Jackson's Complete Guide to Single Malt Scotch includes an unrivaled A- Z of single malts with background information on the distilleries and tasting notes for more than 1,000 bottlings. It even provides each whisky with an overall score. Michael Jackson, regarded as the world's foremost authority on whisky until his death in 2007, originally authored this title. His legacy lives on in the 2015 edition edited by world-leading whisky consultants Dominic Roskrow and Gavin D. Smith. By giving practical advice on buying and collecting malts and interpreting whisky labels, and providing hundreds of color images, Michael Jackson's Complete Guide to Single Malt Scotch can turn any whisky novice into an informed veteran.

This highly accessible and enjoyable guide is full of practical and fascinating information about how to enjoy whisky. All whisky styles are covered, including (just whisper it) blends. Along the way a good few myths are exploded, including the idea that whisky has to be taken neat. In 'What to Drink', Dave Broom explores flavour camps - how to understand a style of whisky - and moves on to provide extensive tasting notes of the major brands, demonstrating whisky's extraordinary diversity. In 'How to Drink', he sets out how to enjoy whisky in myriad ways - using water and mixers, from soda to green tea; and in cocktails, from the Manhattan to the Rusty Nail. He even looks at pairing whisky and food. In this spirited, entertaining and no-nonsense guide, world-renowned expert Dave Broom dispels the mysteries of whisky and unlocks a whole host of exciting possibilities for this magical drink.

Explore the World's Most Exquisite Spirits

Pittsburgh's drinking culture is a story of its people: vibrant, hardworking and innovative. During Prohibition, the Hill District became a center of jazz, speakeasies and creative cocktails. In the following decades, a group of Cuban bartenders brought the nightlife of Havana to a robust café culture along Diamond Street. Disco clubs gripped the city in the 1970s, and a music-centered nightlife began to grow in Oakland with such clubs as the Electric Banana. Today, pioneering mixologists are forging a new and exciting bar revival in the South Side and throughout the city. Pull up a stool and join Cody McDevitt and Sean Enright as they trace the history of Steel City drinking, along with a host of delicious cocktail recipes.

A beautifully packaged look at the world's finest whiskies, with detailed photography of each bottle Rare Whisky is a stylish exploration of the world's finest and rarest whiskies, exquisitely packaged in a hardback book with slipcase. This book looks at the most exceptional whiskies across the world, focusing on key producers such as Scotland, Ireland, the USA and Japan, as well as interesting rarities from the likes of India and Taiwan. With beautiful photography of extremely rare bottles, from a breathtaking 1920s vintage sold at auction to the best offerings from recent years, Rare Whisky is essential reading for all whisky lovers.

Lonely Planet Scotland is your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you. Sip the water of life, whisky, in an ancient pub, trace the trails of the clanspeople fleeing Glen Coe, or play a round in St Andrew's, golf's spiritual home; all with your trusted travel companion.

'An enjoyable romp through the craft whisky industry. Prepare to have your eyes opened and taste buds transported along the ever expanding whisky route.' Will Lyons *'Buxton has done it again: a cracking read. A novel and invaluable addition to any whisky library.'* Charles MacLean

'Ian Buxton is the perfect guide to the rapidly changing world of whisky. Can you afford to be without a copy of 101 Craft and World Whiskies?' Henry Jeffreys, author of *Empire of Booze* Discover the exciting new world of craft distillers and whiskies from around the world in Ian Buxton's brilliant new addition to his 101 Whiskies series. From Austria to Argentina and Norway to New Zealand, the world of whisky is expanding as we have never seen before. Distilleries as far away as Taiwan and as close to home as England are reinventing what whisky means - and an iconoclastic generation of boutique, craft distillers are challenging previous orthodoxies and teasing drinkers with their exciting new styles and radical releases. *101 Craft & World Whiskies to Try Before You Die* is an up-to-the-minute guide from best-selling whisky commentator Ian Buxton, author of the popular 101 Whiskies series, and the first independent assessment of this global drinks revolution. Guaranteed to appeal equally to whisky aficionados and new enthusiasts in search of a trusty and well-informed guide, Ian Buxton's wonderful new handbook is delivered in his trademark irreverent and trenchant style. There's a whole world of whisky to be discovered, free of bagpipes and heather and far from leather-clad fireside armchairs, that's overturning tradition. Taken neat or over ice, *101 Craft & World Whiskies* will blow the cobwebs off your dram.

Fully Revised and Updated Edition

The Making of a Whisky Brand

What No One Ever Tells You about Starting Your Own Business

101 Whiskies to Try Before You Die (5th edition)

Whiskies Galore

101 Gins to Try Before You Die

101 World Whiskies To Try Before You Die is the companion guide to 2010's 101 Whiskies To Try Before You Die. Ian Buxton again eschews the obvious whiskies and recommends another 101 whiskies that he believes every whisky lover should taste. In Ian Buxton's new collection of whisky recommendations he has cast his net wider. He includes not only whiskies from the established whisky-producing countries, but also many newcomers. The book includes whiskies from Austria, Belgium, Canada, the Czech Republic, England, India, Ireland, Japan, The Netherlands, Scotland, Taiwan, USA and Wales. All the whiskies included are both affordable and accessible. Ian Buxton does not believe in collecting whiskies or investing in whisky. He believes in tasting and enjoying the huge range of whiskies that are available. The book includes single malts and blends - and provocatively a few renegade suggestions that are bound to offend purists.

Morrison Bowmore Distillers (MBD) started life in 1951 as an independent player in an industry largely dominated by the dinosaur that was The Distillers Company. Its founder was Stanley P Morrison who, with partner James Howat, astutely built the company into one of Scotch whisky's major players. Then, with the assistance of Stanley's sons Brian and Tim they eventually created a distillery portfolio of Bowmore, Auchentoshan and Glen Garioch. A considerable trade in bulk whisky was built up but as this market declined and interest in single malts grew, the firm developed its branded business. In 1989, Suntory of Japan acquired a stake, later to assume full control. Since 2000, under CEO Mike Keiller, Morrison Bowmore Distillers has evolved into a single malt specialist concentrating almost exclusively on its three core brands. As this history receives its finishing touches, 2014 will represent the final chapter as the business is subsumed into the new Beam Suntory group, thus becoming part of the Scotch whisky industry's rich history. This lavishly illustrated volume traces the early beginnings of MBD and charts the development of the company over six decades as it grew and prospered. Peppered with characters that lived and worked for the company, it is perhaps the first and only MBD history that will ever be produced as it becomes a part of one of the world's whisky giants. Worldwide - whisky has never been in better shape. Despite the recession, new distillation capacity is being added at a record pace and new consumers in new markets are entering the arena. Distillers are experimenting with new finishes, packaging and

marketing techniques and amongst consumers there is a hunger for knowledge and informed commentary. *The Science and Commerce of Whisky* is written by two acknowledged authorities in the area and fills a significant gap in the literature. It will provide a uniquely authoritative overview of a developing and dynamic sector reflecting best current practice and combine this with a historical perspective, production expertise and insightful, expert market and marketing commentary. The style is readable and accessible and will appeal to undergraduates on appropriate degree courses, industry and craft practitioners and the many whisky enthusiasts around the world.

We're in the middle of a Gin Craze. Scarcely a day goes by without an established brand offering a fresh take on their established styles or, more likely, a new boutique distillery opening its doors - where gin is de rigueur. From Adnams to Zuidam; Beefeater to Bombay and London to Plymouth (and beyond) this new book from a best-selling drinks writer is the authoritative guide to the world of gin, and the first book to explore the explosion of innovative gin brands and the artisanal distillers that are reinventing this most English of drinks. With serious gin bars stocking well over 300 brands and adding still more, how do you choose? Is Edinburgh Gin a style, or just a brand name? Can a rose-flower and cucumber infusion properly be called gin? Can gin be aged in wood or does that just make it a strange tasting young whisky? And what tonic to choose, and why? In his inimitable style, best-selling drinks writer Ian Buxton will lead readers through the great gin trap with his latest no-nonsense guide to 101 Gins.

Discover why rum is becoming the hottest spirit in the world right now with the latest and greatest offering from bestselling author and master mixologist Tristan Stephenson

101 Movies to Watch Before You Die

A Field Guide to Whisky is a one-stop guide for all the information a whisky enthusiast needs. With the whisky market booming all over the world, now is a perfect time for a comprehensive guide to this popular brown spirit. What are the basic ingredients in all whiskies? How does it get its flavor? Which big-name brands truly deserve their reputation? What are the current whisky trends around the world? And who was Jack Daniel, anyway? This abundance of information is distilled(!) into 324 short entries covering basic whisky literacy, production methods, consumption tips, trends, trivia, geographical maps and lists of distilleries, whisky trails, bars, hotels, and festivals by an industry insider. Boasting 230 color photographs and a beautiful package to boot, *A Field Guide to Whisky* will make a whisky expert out of anyone.

Renowned whiskey educator Robin Robinson presents a global course on the ever-expanding world of whiskey, from American craft offerings and the Irish whiskey revival to the latest in Japanese, French, and even Indian whiskies. Across ten robust "courses," Robinson guides the whiskey enthusiast through the basics and beyond, including everything from history to production, aging, finishing, and tasting, as well as how to read a label, host a tasting, and build a collection. Organized by country or region, each "class" explores the brands, techniques, and backstories of the best whiskies in the world. Thoroughly up-to-date, *The Complete Whiskey Course* is a one-stop reference for both newcomers and longtime fans of the "water of life."

A fascinating global whisky tour, this lavishly updated edition takes you on a mouth-watering discovery of the world's most exciting whiskies.

Whisky is the world's favourite spirit and is enjoying booming sales, yet too often it's shrouded in mystery, myth and complex-sounding terminology. This authoritative book, written by three world experts, gives simple advice on how to seek out and enjoy the immense diversity of flavours and styles on offer, and how to become more adventurous. As with any subject, the more you know, the more you can appreciate and enjoy it. This book aims to equip you with enough knowledge to be able to find your way around the whisky sections of a specialist drinks retailer and to help you feel confident choosing whisky in a bar or restaurant. We aim to demystify whisky without taking away the magic. The history of whisky and production methods are clearly explained, and there is advice on how to nose, taste and savour, as well as a selection of classic whisky cocktails and advice on matching food and whisky. The book covers not just famous Highland malts, Irish pot still whiskeys and American bourbons, but also whiskies from Japan, Canada, Australia and India.

Entries include... Ageing Process Bourbon Craft Movement Fermentation Flavour Compounds Irish Whiskey Japanese Whiskey Master Distiller Old Fashioned Organic Whisky Prohibition Tasting Techniques Wine Casks ...and many more.

Discover the secrets of whiskey's aromas and flavors, the stories behind great distilleries, and expert tasting notes in this updated edition originated by one of the most highly respected commentators in the whiskey world, Michael Jackson. From grain to glass, Whiskey tells you everything and anything you'll ever want to know about whiskey, from storing and serving whiskey, to whiskey cocktails, to pairing whiskey with food. In addition to a refreshed design, this updated edition includes the recent names in whiskey today, a new section devoted to American craft distilleries, and the addition of new distilleries from across Europe, Africa, Asia, and Australia.

Island whiskies have long held a fascination and a powerful emotional draw on whisky drinkers the world over. Their special combination of heritage, mystique, and remote location captures the imagination; their highly distinctive flavours are often imitated but seldom bettered. There have been few books on island whisky and none written in recent years. But Whiskies Galore is not your average whisky book. It is not merely a catalogue of distilleries, but a story of discovery and adventure. Join Ian Buxton on a personal journey across Scotland's islands, where he learns to fish with high explosives, ends up hurling his dinner into the sea, and comes face to face with a basking shark. Combining an expert's knowledge of whisky with a travel writer's fondness for anecdote, and with a keen description of place, he provides a special treat for all who love the islands' magical drams.

Great Whiskeys is the ideal drinking companion for any whiskey lover: it is generous, knowledgeable, and willing to go anywhere. No other spirit matches the romance of whiskey; its carefully nurtured, long gestation, the curious flavors of its birthplace, its infinite subtleties and varieties all have a magic that captivates seasoned connoisseurs and new fans alike. Great Whiskeys reveals the secrets that give each whiskey its character and cherry picks the best expressions to try. As the whiskey world becomes more global, heritage brands are exported ever more widely, and innovative whiskeys from new producing countries are winning accolades. Great Whiskeys reflects this diversity by bringing you whiskeys from 22 countries. This is a guide that covers every whiskey style: single malt, blended, grain, bourbon, rye, and more. Enthusiasts and converts alike could not find a more comprehensive and accessible resource.

101 Whiskies to Try Before You Die

In the history of naval warfare probably no type of ship has provided more firepower per ton than the monitor indeed they were little more than a huge gun mounting fitted on a simple, self-propelled raft. Designed and built rapidly to fulfil an urgent need for heavy shore-bombardment during World War I, they were top secret in conception, and largely forgotten when the short-lived requirement was over. Nevertheless, they were important ships, which played a significant role in many Great War campaigns and drove many of the advances in long-range gunnery later applied to the battle fleet. Indeed, their value was rediscovered during the Second World War when a final class was built. Monitors were largely ignored by naval historians until Ian Buxton produced the first edition of this book in 1978. Although published privately, this became an established classic and copies of the first edition are now almost unobtainable, so this new edition will be welcomed by many. It has been completely revised, extended and redesigned to a generous large format which allows material deleted from the original edition for lack of space to be restored.

Discover why rum is becoming the hottest spirit in the world right now with the latest and greatest offering from bestselling author and master mixologist Tristan

Stephenson.

Featuring 1,000 listed whiskies from around the world, this exceptional and unique guidebook is a must-have for whisky amateurs and connoisseurs alike. It provides a visual categorisation of the main aromas (nose, body, finish and strength), plus additional tasting notes based on the authors' uniquely conceived aroma wheel. Including maps which illustrate geographical areas of production and different terroirs, as well as 3D illustrations of whisky production, *Iconic Whisky* provides an amazing wealth of information about the nature and origins of whiskies from all around the world. From different types of whisky to the different stages of the production process, grain types (and how these affect flavour), casks (sizes and history), glassware and vocabulary, this book contains essential resources that all amateurs and professionals need to know in order to refine and reinforce their knowledge of whisky culture and tasting techniques. While Scotland gave birth to whisky, its progeny now populate all four corners of the globe - from the U.S. to Japan, South Africa to Scandinavia. Today whisky sales are booming, making the timing perfect for this massive, witty, gorgeously illustrated volume. An ideal whisky "bible" for either connoisseur or neophyte, **THE WORLD ATLAS OF WHISKY covers the history, process, distilleries and expressions of the world great whiskies, complete with detailed maps and 150 labels.**

Provides in introduction to planning a business, business structures, finance, marketing, and expansion

A fun and accessible guide to completing an education in whiskey from a man who knows his hooch. Avoiding the deliberately obscure, the ridiculously limited, and the absurdly expensive, whiskey expert Ian Buxton has scoured the shelves of the world's whiskey warehouses to recommend an eclectic selection of old favorites, stellar newcomers, and mystifyingly unknown drams that simply have to be drunk. This witty, focused, and practical guide is not an awards list or a list of the 101 "Best" whiskies in the world in the opinion of some self-appointed whiskey guru. It's simply a guide to 101 whiskies that enthusiasts really must seek out and try--love them or hate them--to complete their whiskey education. What's more, it's both practical and realistic as it cuts through the clutter, decodes the marketing hype, and gets straight to the point; whether from India or America, Sweden or Ireland, Japan or the hills, glens, and islands of Scotland--here are the 101 whiskies that every whiskey enthusiast needs to try. Real Life Start-up Advice from 101 Successful Entrepreneurs

A fascinating global whisky tour, the lavish 1001 Whiskies You Must Try Before You Die takes you on a mouth-watering discovery of the world's most exciting whiskies.

Taking the form of a diary, this vibrant graphic novel takes the reader from Goodfellas to The Goonies, Harry Potter to Apocalypse Now in a zany and hilarious exploration of the movies that have shaped Cavolo's life and the lives of his generation.

A revised edition of the 1930 Scottish classic guide, edited by the international bestselling author of 101 Whiskies to Try Before You Die. This is—in the opinion of many whisky writers and experts—the finest whisky book ever written. It is certainly the first written from the point of view of the consumer and is thus historically significant. But more than that, poetic and polemic in style and with its emphasis on the importance of single malt whisky and its concern to protect and inform the consumer, it remains fresh and relevant to the interests of today's whisky drinker. It is a remarkably prophetic book, and with Ian Buxton's shrewd commentary and analysis, combined for the first time with period illustrations, it is brought bang up to date for today's generations of whisky aficionados. "The finest whisky book ever." —Dave Broom "This is a small volume but there are plenty who will love it. It is airy, witty, full of sound knowledge and practical wisdom." —The New York Times "If I could take only one whisky book to a desert island it would be Aeneas MacDonald's Whisky." —Charles MacLean "Among the generous pour of publishings to please whisky fans, one stand-out is a long-awaited new edition of Whisky by Aeneas MacDonald . . . [h]is literary

musings on matters of malt and more, first published in 1930, are widely hailed as among the best writing on the subject. The new edition features period illustrations and an appreciation by writer Ian Buxton, who was instrumental in bringing the book to the masses.” —The Herald (UK)

Now in its 14th year, Jim Murray's Whisky Bible 2017 is the most comprehensive and thoroughly researched guide to whisky ever produced. Honest, forthright and proudly independent, Jim Murray has tasted and rated over 4,500 world whiskies

Tasting Notes and Flavour Charts for 1,000 of the World's Best Whiskies

Revised and updated in 2013, 101 Whiskies to Try Before You Die is a whisky guide with a difference. It is not an awards list. It is not a list of the 101 'best' whiskies in the world in the opinion of a self-appointed whisky guru. It is simply a guide to the 101 whiskies that enthusiasts must seek out and try in order to complete their whisky education. Avoiding the deliberately obscure, the ridiculously limited and the absurdly expensive, whisky expert Ian Buxton recommends an eclectic selection of old favourites, stellar newcomers and mystifyingly unknown drams that simply have to be drunk. The book decodes the marketing hype and gets straight to the point; whether from India, America, Sweden, Ireland, Japan or the hills, glens and islands of Scotland, here are the 101 whiskies that you really want. Try them before you die - Slainte!

Revised and Updated. Whisky is one of the world's most revered spirits, with connoisseurs spending a great deal of money and time on the appreciation of rare expressions and limited edition bottles. In addition, many whisky connoisseurs travel direct to the source to see and experience the world's best distilleries at first hand. Since the publication of the first edition in 2010, many changes have occurred in the world of whisky which are fully explored in this completely new edition. Over 200 of the 750 whiskies are updated, along with over 20 of the 38 features to reflect the 'new world of whisky', from the growing US single malt craft distillery movement (including Balcones in Texas), Japan (Yoichi), Taiwan (Kavalan), India (Paul John), Australia (Overeem), France (Warengem) and Sweden (Mackmyra, Spirit of Hven). Aimed at beginners as well as connoisseurs, the book encompasses everything you need to know to increase your appreciation of this complex and fascinating spirit. Iconic distilleries such as Lagavulin, Highland Park and Glenrothes in Scotland are fully explored alongside the bourbon innovators of Kentucky such as Woodford Reserve and Maker's Mark. From global brands to tiny craft distillers, this book offers a comprehensive overview of the best dram the world over. Whisky enthusiasts all over the world look forward to the Malt Whisky Yearbook every autumn. This 17th edition is again fully revised and packed with new and up-to-date information on more than 400 whisky distilleries from all over the world. Distinguished whisky experts contribute with new features written exclusively for this new edition along with details of hundreds of whisky shops, whisky sites and new bottlings. The Independent Bottlers chapter gives you all the details about the world's most successful blenders and bottlers complete with tasting notes. A comprehensive summary of the whisky year that was and all the latest statistics is also included. Malt Whisky Yearbook 2022 includes more than 250 tasting notes describing the flavour of single malts from all working distilleries in Scotland and Japan. Finally, with more than 500 colour photographs, Malt Whisky Yearbook 2022 is as much an essential reference guide as a book to read for pleasure.

Fifth edition, fully revised and updated. 101 Whiskies to Try Before You Die is a whisky guide with a difference. It is not an awards list. It is not a list of the 101 'best' whiskies in the world in the opinion of a self-appointed whisky guru. It is simply a guide to the 101 whiskies that enthusiasts must seek out and try in order to complete their whisky education. Under a minute to spare? Why not spend it learning the essence of a subject you either feel you should know about or have been meaning to learn about. Whether it's the Theory of Relativity or Fermat's Last Theorem, the Golden Ratio or the Garden of Eden, Anarchism or Monetarism, Pavlov's Dog or

Schrodinger's Cat, a Know-It-All theory is the quickest way to get an idea into your head. Each title in the series selects a popular subject area and dissects it into the 50 most significant or thought-provoking ideas at its heart. Each of these, no matter how complex, is explained without any waffle by a specialist or scholar using just 300 words and one picture--making it digestible in a mere 30 seconds. Complete with unique graphics that illuminate as well as entertain, and featuring essential glossaries plus biographies of the key players.

Cutty Sark - the whisky, not the ship - was launched in 1923 and went on to become one of the most popular whiskies in the world. The first Scotch whisky to sell more than 1 million cases annually in the USA it was noted for its light color and easy mixability. In this unique, full color volume, editor Ian Buxton has assembled a top team of whisky experts to tell the colorful story behind 'the real McCoy'. With exclusive access to historical archives we meet the blenders behind the whisky, explore its rise and rise through Prohibition and post-war recovery, and discover new and exciting cocktail recipes specially created for the book. Contributions from Helen Arthur, Dave Broom, Ian Buxton, Charles MacLean, Marcin Miller, Martine Nouet, Paul Pacult, Gary Regan, Neil Ridley and Gavin D Smith.
