Tantrik Texts Karpuradistotram

This book offers a translation of the seven thousand verses of the second book of the medieval Hindu text, the Ganesa Purana, one of two Puranas dedicated to the important elephant-headed god. In this book the reader is given many narratives about Ganesas ascent to earth in order to kill demonic figures who threaten to overthrow the correct world order. In addition, these narratives contain myths about Ganesa's birth and family as well as some extended and quite humorous myths about ideal devotees of the god. The translation is preceded by a long introduction offering a geographical and historical context for the Ganesa Purana. Following the translation are very extensive notes which bring our points of philological interest, but focus mainly on the literary structure of the text and the methods used to present the many myths and narratives in a coherent and fully integrated manner.

These writings, by Nome, are an offering to Lord Siva, to Sadguru Ramana, and to all sages of the lineage of Advaita Vedanta. Upon reading this little book, the reader immediately will recognize that he or she is reading writings of both a devotional nature and writings expressive of jnana—Knowledge. This is Parabhakti—supreme devotion. The first part of this book is in seven chapters. The reader will note subtle differences among the chapters. The first and second chapters describe bhakti (devotion), while the third chapter describes the experience of the bhakta (devotee). The fourth chapter takes the bhakta deeper into jnana through the relationship with the Guru, while the fifth chapter speaks of continuous, absorbing devotion to God and Guru. The sixth describes the practice of the bhakta and the spiritual activities and attitudes with which a bhakta infuses his or her life, and the seventh describes absorption, through bhakti, in jnana. The second part of this book is in six chapters consisting of a collection of poetry: Chapter I, Namah Sivaya, presents short verses praising Lord Siva, while simultaneously expressing Knowledge of the Lord. Chapter II, In Praise of the One Like Space, is a poem that is descriptive of Absolute Being and praising that Absolute. Chapter III, Realize the One Like Space, is composed of verses that pose questions that, if asked, guide the bhakta to realize the One like space. Chapter IV, Space of Grace, is a set of verses descriptive of the One like space—a description of Grace. Chapter V, Within the One Like Space, features verses describing the experience of the space that is the One Absolute. Chapter VI, Gracious Inquiry, appears as both a solicitation for Grace and also Knowledge of the ever-presence of Grace through inquiry. If a person practices pure, ego-less jnana, bhakti is unavoidable. On the other hand, if a person practices pure, ego-less bhakti, jnana is surely inevitable. The glorious, lofty heights of devotion and Knowledge are expressed here in this little book, and the sages assure us that the identical experience is available to all. It is sincerely hoped that the reader experiences the vastness of parabhakti while deeply meditating on these writings and remains absorbed therein. To abide unmoving, without giving rise to illusion, free of attachment to the transient unreality, desireless and fearless, absorbed by the power of devotion that gives birth to Knowledge, in That, as That, is bhakti. ~ from the book Parabhakti

Chandi Paath

A New God in the Diaspora?

The Kularnava is perhaps the foremost Tantra of the Kaula School and is constantly cited as an authority in Tantric literature. It is worthy of close study by those who would understand the tenets and practice of the tradition of which it is a Sastra. The Introduction by Arthur Avalon gives a concise outline of the work. Sri M.P. Pandit who is a keen student of the Tantras and Vedas has rendered the work in English in eleven chapters. The readings are free translations, with annotations where necessary, omitting technical details but preserving the spirit and essential import of the original in his characteristically lucid style. The Kularnava prescribes the modes of preparation for the high quest; it draws upon ethics, religion, philosophy, yoga to elevate human life gradually to the level of godly life. It comprehends the multiple personality of man and provides for the healthy growth of his mental faculties, purification of his physical faculties through ritual, japa, mantra and upasana. Who is fit for the path of Tantra? Who is competent to guide the novice on the double-edged razor path? What is the responsibility of a Guru to a disciple? These and other relevant questions are raised and answered in a satisfying manner.

Shri Mataji writes that "India is a very ancient country and it has been blessed by many seers and saints who wrote treatises about reality and guidelines on how to achieve it." This is just such a book. This book is both an introduction to Sahaja Yoga, describing the nature of the subtle reality within each of us, and a step-by-step handbook on how to be a good Sahaja Yogi, the nature of Sahaj culture, how to be a leader and how to raise children. "The knowledge of Sahaja Yoga cannot be described in a few sentences or one small book, but one should understand that all this great work of creation and evolution is done by some great subtle organization, which is in the great divine form."

This court epic describes events leading up to but not including the birth of Kumara (also known as Skanda or Karttikeya), the war god destined to defeat the demon Taraka. The gods attempt to deploy Kama, the Indian Cupid, to set the ascetic supreme deity Shiva on fire with love for Uma (also known as Parvati), the daughter of the god of the Himalayan mountain range. Kama's mission fails, and Shiva, roused from his meditative trance, turns his flaming third eye on the love god, burning him to ashes. Next, Parvati herself turns to intense asceticism in order to win spiritual power and thereby the husband for whom she longs. She succeeds, and the climax of the poem is Shiva and Parvati's marriage and cosmic lovemaking, and Kumara's divine conception.

In 2018 India's prime minister, Narendra Modi, inaugurated the world's tallest statue: a 597-foot figure of nationalist leader Sardar Patel. Twice the height of the Statue of Liberty, it is but one of many massive statues built following India's economic reforms of the 1990s. In Gods in the Time of Democracy Kajri Jain examines how monumental icons

emerged as a religious and political form in contemporary India, mobilizing the concept of emergence toward a radical treatment of art historical objects as dynamic assemblages. Drawing on a decade of fieldwork at giant statue sites in India and its diaspora and interviews with sculptors, patrons, and visitors, Jain masterfully describes how public icons materialize the intersections between new image technologies, neospiritual religious movements, Hindu nationalist politics, globalization, and Dalit-Bahujan verifications of equality and presence. Centering the ex-colony in rethinking key concepts of the image, Jain demonstrates how these new aesthetic forms entail a simultaneously religious and political retooling of the "infrastructures of the sensible."

This book is compiled with the goal of explaining the hidden history, significance, and meaning of the mantras used in common Hindu puja rituals performed by the Bengalis to the Bengali immigrants.

We owe our existence to our mothers. A mother gives us birth, feeds us and protects us from harm. If it weren't for her it is unlikely that we would have survived. Mothers play a key role in the existence of mankind. It is a mother who imparts knowledge and values to a child. She handles the affairs of the home ensuring the welfare and prosperity of the family. Mothers love, are patient and forgiving. Sometimes they also punish. Maa The Universal Mother highlights the concept of the Mother Goddess dear to all Hindus, manifested in many forms, and connects you to the modern times to appreciate the strength of a mother in bringing harmony to our lives through devotion and compassion.

JOURNEY WITHIN: THE FINAL STEPS TO SELF REALIZATION is the story of our spiritual ascent, both as individuals and collectively. With equal parts instruction and inspiration, the book beautifully describes how we have gotten where we are today and our essential next steps. Shri Mataji Nirmala Devi gave more than 3000 recorded talks all around the world. Whether it was a village school, a medical conference, a gathering of UN employees or a suburban hall on a hot summer evening, her central words were the same: introspection, ascent, inner peace and most important of all a realization of our true self. With humour and love, she both guided and listened. From the opening words, "My father felt that I would do something great, we can sense the trajectory of this tale. And we know too that we are bound for that same greatness. With this book, Shri Mataji reminds us of the journey we are all on. And the direction of that journey is always the same. It is a JOURNEY WITHIN."

A distinctive aspect of Hindu devotion is the veneration of a human guru, who is not only an exemplar and a teacher but is also understood to be an embodiment of the divine. Historically, the role of guru in the public domain has been exclusive to men. The new visibility of female gurus in India and the U.S. today, and indeed across the globe, has inspired this first-ever scholarly study of the origins, variety, and worldwide popularity of Hindu female gurus. In the Introduction, Karen Pechilis examines the historical emergence of Hindu female gurus with reference to the Hindu philosophy of the self, women spiritual exemplars as wives and saints, Tantric worship of the Goddess, and the internationalization of gurus in the U.S. in the twentieth century. Nine essays profile specific female gurus, presenting biographies of these remarkable women while highlighting overarching issues and themes concerning women's status as religious leaders; these themes are nuanced in the afterword to the volume. The essays explore how Hindu female gurus embody grace in both senses--as a feminine ideal and an attribute of the divine--and argue that their status as leaders is grounded in their negotiation of these two types of grace. This book provides biographical profiles of the following female gurus plus sensitive scholarly analysis of their spiritual paths: Ammachi, Anandamayi Ma, Gauri Ma, Gurumayi, Jayashri Ma, Karunamayi Ma, Ma Jaya Sati Bhagavati, Mother Meera, Shree Maa and Sita Devi.

An account of the architecture, sculpture, paintings and associated festivals of the great Vaisnava shrine of Jagannatha at Puri in Orissa, on the east coast of India, together with a new analysis of the origin of the icons of the Triad.

The Advanced Puja is significantly more sophisticated than the original Durga Puja Beginner, adding several viddhis and stotrams, including the Durga Sahasranam. This book guides the spiritual seeker toward union with Durga, the Goddess who takes away confusion, replacing it with stillness and clarity.

Ganesha is the first son of Shiva and Parvati. He is the Lord of the Multitudes. He is the door-keeper; he holds the key to the inner sanctum of the heart, where the Divine Mother resides. He is the first to be worshipped so that the endeavors we embark upon are free of obstacles. The Ganesha Puja presents a philosophy that we can practice. It is a great place to start learning puja, and a wonderful doorway into meditation and worship. In addition, at the end of the book, Swamiji has included an article addressing the 36 principles of Tantra philosophy and how they relate to Yoga, Karma, and ultimately how to retrace our steps from the manifest back to the unmanifest. It is true that without Wisdom, it is impossible for any seeker to unlock the doors to the secret of Enlightenment. Ganesha Puja is presented with original Sanskrit mantras, Roman transliteration, and a complete English translation.

The name Chandi comes from the word "chand" which in Sanskrit means to tear apart. The spiritual meaning of Chandi is "She Who Tears Apart Thought." The recitation of the Chandi Path is designed to guide the reader's awareness into the presence of Chandi - the

Divine Mother Herself - so that all conflict of mind may return to Peace.

Memories are similar to stories. They keep track of our experiences and the lessons we've learnt as a result of them. We allow memories to catch up with us when we have quiet moments, or moments of introspection and reflection. Memories, whether good and bad, bear the imprint of a society and are ingrained in our psyche as myths, dreams, and fantasies. They come and go, like a movie in progress, and we all reach a point where we realise we must relinquish some memories if we are to retain our serenity and stability. "Down the memory lane" is a book of 35 passionate writers who have inked their piece of thought down their memory lane.

This book of essays has no agenda - either gender or religious - but discusses the many facets of the Goddess Durga's images and worship on the Indian subcontinent. The nine authors (in keeping with Navaratri) belong to both the East and West, and to four religions: Hindu, Muslim, Buddhist and Christian. The ten essays like the ten arms of the great goddess in her Bengali manifestation cannot possibly be all-encompassing but does cover the physical geography of the subcontinent by including discussions of her presence and prevalence in Nepal and Kashmir, in Baluchistan, TamilNadu and Kerala, and of course, in West Bengal, especially Kolkata, where her autumn festival is celebrated annually.
