

1989 Playboy Playmate Of The Year

Featuring an introduction by Playboy founder, Hugh Hefner, a paperback edition of the magazine's best-selling retrospective, first published in 1993, contains its most memorable articles and more than a thousand photographs and illustrations. Reprint.

Seinfeld Secrets: An Insider Scoop About the Show is written by an authoritative expert who penned the most comprehensive reference book ever written about the show—Seinfeld Reference: The Complete Encyclopedia. The follow-up effort, Seinfeld Secrets, is the best source for insider facts and never-before-revealed tidbits about the sitcom voted #1 as the Greatest TV Series of All-Time by TV Guide. This type of thoroughness cannot be found anywhere else in the entire Seinfeld Universe. The first section provides details about the creators, cast regulars, supporting actors, guest actors, not to mention cast stand-ins, crew members, show extras, and famous actors who auditioned for roles in the show. The second section discusses little-known-facts about the series, including behind-the-scenes activities, casting, directing, writing, and so much more. The final section recounts many of the secrets involved in the making of Seinfeld. Every episode has a history and many contain a few skeletons in the closet. The insider information includes how plots were created, when personal experience influenced a show, ad-libbed lines, how scenes developed and evolved, when actors impacted the creative process, and even the “lost” episode that was written and rehearsed but never filmed. There are over a thousand insider scoops that are sure to amaze and mystify the most inquisitive Seinfeld fan. Seinfeld Secrets is an essential book for every fan of the show. It is a great conversation starter and guaranteed to impress friends and family with nuggets of insider information that most fans do not know. Photos included.

Following the remarkable success of the 50th year anniversary edition, we're pleased to present Playboy: Centerfolds, 60th Anniversary Edition. The content remains the same—every Centerfold from every issue. That's over 600 beauties with additional Centerfolds through the present to make this Playboy's most complete photographic volume to date. Hefner introduces the book and literary luminaries including Paul Theroux, Jay McInerney, and Daphne Merkin comment on the social mores and cultural climate of each decade. This chronological collection provides an unparalleled view of our evolving appreciation of the female form: from the fifties fantasy of voluptuous blondes to the tawny beach girls of the seventies to the groomed and toned women of today. Playboy: Centerfolds, 60th Anniversary Edition is a breathtaking tour de force.

Offering a surprising new take on a twentieth-century icon, Bachelors and Bunnies goes beyond the smoking jacket and the centerfold to uncover an unlikely ally for the feminist cause.

Being a Playboy bunny is every girls dream. Betty (Dyer) Miller found the world of Playboy to be a world full of glamour, glitz and excitement when she was chosen to be one of the very first Playboy bunnies when the Playboy Club opened in Cincinnati in 1964. Leaving the Playboy Club, she made many attempts at becoming a star. The story follows Betty as she invents many strange and unusual acts to achieve stardom. One act she attempted was being a snake dancer with her supposed boa constrictor, Sheila, which turned out to be a dangerous snake called an anaconda. We all know how fierce an anaconda can be. Another act found Betty being the Dancing Corpse, actually coming out of a casket and scaring a troop of African American cub scouts when she was doing publicity shots in a public park. This chapter is entitled Feet, Do Your Duty. Among her five husbands was celebrity Kenny Jones, who was a guitar player on the Midwestern Hayride - a popular television show that was telecast nationally. She had watched Kenny on the show for years, never dreaming that one day she would meet him and even marry him. What a thrill that had to have been. Being married to Kenny threw her into the world of top name performers like Kris Kristofferson and Johnny Paycheck who would jam with Kenny at a club called Whiteys in Cincinnati. Betty also narrowly escaped being one of the Cincinnati Stranglers victims as she encountered him one night after leaving the Playboy Club. Her encounter with him is chilling and will have readers on the edge of their seats. Readers will be memorized by her story. Should Hollywood ever get hold of it, the life and times of Betty Miller would make an excellent and very entertaining movie.

Talk Is Cheap : Sarcasm, Alienation, and the Evolution of Language

Dorothy Stratten (1960-1980)

Mike Hammer walks into his office to find his unconscious secretary on the floor, a brutally butchered corpse occupying his office chair, and a note from a murderer on his desk: "You die for killing me." So begins a tough-as-nails tale of government assassins and renegade mobsters, told with the breakneck pacing and brutal impact of a freshly fired .45 bullet.

Over the course of its illustrious and often controversial history, Playboy magazine has published the works of some of the world's greatest writers, from Beat poets to Nobel laureates. In 1979, Hugh M. Hefner addressed a reunion of Playmates in Los Angeles. "Without you," he said. "I'd have a literary magazine." This anthology presents an amazingly diverse selection of a half century's worth of entertaining stories, journalism, humor, and cartoons. Featuring articles and interviews drawn from more than five decades; fiction from the likes of Woody Allen, Saul Bellow, Michael Chabon, Robert Coover, Jonathan Safran Foer, David Mamet, Jay McInerney, Joyce Carol Oates, Jane Smiley, Scott Turow; and cartoons from the likes of Gahan Wilson, Shel Silverstein, and Jules Feiffer, this volume will serve as a perfect bedside companion.

Talk Is Cheap begins with this telling observation and proceeds to argue that such "unplain speaking" is fundamentally embedded in the way we now talk. John Haiman traces this sea-change in our language usage to the emergence of a postmodern "divided self" who is hyper-conscious that what he or she is saying has been said before. Thus, "cheap talk" helps us distance ourselves from a social role with which we are uncomfortable. Haiman examines the full range of these pervasive distancing mechanisms, from cliches and quotation marks to camp and parody. Also, he highlights ways in which language is evolving (and has evolved) from non-linguistic behavior. His book shows us how what we are saying is continually separating itself from how we say it.

Almost half a century ago, Jean-Luc Godard famously remarked, "I await the end of cinema with optimism." Lots of us have been waiting for and wondering about this prophecy ever since. The way films are made and exhibited has changed significantly. Films, some of which are not exactly "films" anymore, can now be projected in a wide variety of ways on screens in revamped high tech theaters, on big, high-resolution TVs, on little screens in minivans and laptops. But with all this new gear, all these new ways of viewing films, are we necessarily getting different, better movies? The thirty-four brief essays in *The End of Cinema as We Know It* attend a variety of topics, from film censorship and preservation to the changing structure and status of independent cinema from the continued importance of celebrity and stardom to the sudden importance of alternative video. While many of the contributors explore in detail the pictures that captured the attention of the nineties film audience, such as *Jurassic Park*, *Eyes Wide Shut*, *South Park: Bigger, Longer and Uncut*, *The Wedding Banquet*, *The Matrix*, *Independence Day*, *Gods and Monsters*, *The Nutty Professor*, and *Kids*, several essays consider works that fall outside the category of film as it is conventionally defined: the home "movie" of Pamela Anderson and Tommy Lee's honeymoon and the amateur video of the LAPD beating of Rodney King. Examining key films and filmmakers, the corporate players and industry trends, film styles and audio-visual technologies, the contributors to this volume spell out the end of cinema in terms of irony, cynicism and exhaustion, religious fundamentalism and fanaticism, and the decline of what we once used to call film culture. Contributors include: Paul Arthur, Wheeler Winston Dixon, Thomas Doherty, Thomas Elsaesser, Krin Gabbard, Henry Giroux, Heather Hendershot, Jan-Christopher Hook, Alexandra Juhasz, Charles Keil, Chuck Klienans, Jon Lewis, Eric S. Mallin, Laura U. Marks, Kathleen McHugh, Pat Mellencamp, Jerry Mosher, Hamid Naficy, Chon Noriega, Dana Polan, Murray Pomerance, Hillary Radner, Ralph E. Rodriguez, R.L. Rutsky, James Schamus, Christopher Sharrett, David Shumway, Robert Sklar, Murray Smith, Marita Sturken, Imre Szeman, Frank P. Tomasulo, Maureen Turim, Justin Wyatt, and Elizabeth Young.

The Playboy

Playboy and the Making of the Good Life in Modern America

Don't Hassel the Hoff

You are six years old. Every day after school your father takes you to a sprawling castle filled with exotic animals, bowls of candy, and half-naked women catering to your every need. You have your own room. You have new friends. You have an uncle Hef who's always there for you. Welcome to the world of *Playground*, the true story of a young girl who grew up inside the Playboy Mansion. By the time she was fourteen, she'd done countless drugs, had a secret affair with Hef's girlfriend, and was already losing her grip on reality. Schoolwork, family, and "ordinary people" had no meaning behind the iron gates of the Mansion, where celebrities frolicked, pool parties abounded, and her own father—Hugh Hefner's personal physician and best friend, the man nicknamed "Dr. Feel Good"—typically held court. Every day was a party, every night was an adventure, and through it all was a young girl falling faster and faster down the rabbit hole—trying desperately hard not to get lost.

The people have spoken--and it's thumbs-up for Video Hound! With 21,000 videos reviewed and rated, this is "the best darn video-movie guide there is". (The Niagara Gazette). Used as the database of choice for Blockbuster Video's new "Movie Guide".

The Playboy BookForty YearsStoddart

Putting aside questions of truth and falsehood, the old "talk is cheap" maxim carries as much weight as ever. Indeed, perhaps more. For one need not be an expert in irony or sarcasm to realize that people don't necessarily mean what they say. Phrases such as "Yeah, right" and "I couldn't care less" are so much a part of the way we speak--and the way we live--that we are more likely to notice when they are absent (for example, Forrest Gump). From our everyday dialogues and conversations ("Thanks a lot!") to the screenplays of our popular films (Pulp Fiction and Fargo), what is said is frequently very different from what is meant. Talk is Cheap begins with this telling observation and proceeds to argue that such "unplain speaking" is fundamentally embedded in the way we now talk. Author John Haiman traces this sea-change in our use of language to the emergence of a postmodern "divided self" who is hyper-conscious that what he or she is saying has been said before; "cheap talk" thus allows us to distance ourselves from a social role with which we are uncomfortable. Haiman goes on to examine the full range of these pervasive distancing mechanisms, from cliches and quotation marks to camp and parody. Also, and importantly, this text highlights several new ways in which the English language is evolving (and has evolved) in response to our postmodern world view. In other words, this study shows us how what we are saying is gradually separating itself from how we say it. As provocative as it is timely, the book will be fascinating reading for students of linguistics, literature, communication, anthropology, philosophy, and popular culture.

Forty Years

Building Brand Value the Playboy Way

The Sexual Politics of Playboy

Mr. Playboy

Ulrich's International Periodicals Directory

Revelations of a Rock 'n' Roll Centerfold

Launched by Hugh Hefner in 1953, Playboy promoted an image of the young, affluent, single male-the man about town ensconced in a plush bachelor pad, in constant pursuit of female companionship and a good time. Spectacularly successful, this high-gloss portrait of glamorous living and sexual adventure would eventually draw some one million readers each month. Exploring the world created in the pages of America's most widely read and influential men's magazine, Elizabeth Fraterrigo sets Playboy's history in the context of a society in transition. Sexual mores, gender roles, family life, notions of consumption and national purpose--all were in flux as Americans adjusted to the prosperity that followed World War II. Initially, Playboy promised only "entertainment for men," but Fraterrigo reveals that its vision of abundance, pleasure, and individual freedom soon placed the magazine at the center of mainstream debates about sex and freedom, politics and pleasure in postwar America. She shows that for Hugh Hefner, the "good life" meant the "playboy life," in which expensive goods and sexually available women were plentiful, obligations were few, and if one worked hard enough, one could enjoy abundant leisure and consumption. In support of this view, Playboy attacked early marriage, traditional gender arrangements, and sanctions against premarital sex. The magazine also promoted private consumption as a key to economic growth and national well-being, offering tips from "The Playboy Advisor" on everything from high-end stereos and cuff-links to caviar and wine. If we want to understand post-war America, Fraterrigo shows, we must pay close attention to Playboy, its messages about pleasure and freedom, the debates it inspired, and the criticism it drew--all of which has been bound up in the popular culture and consumer society that surround us.

WINNER OF THE NOBEL PRIZE IN LITERATURE Music legend Bob Dylan's only work of fiction—a combination of stream of consciousness prose, lyrics, and poetry that gives fans insight into one of the most influential singer-songwriters of our time. Written in 1966, Tarantula is a collection of poems and prose that evokes the turbulence of the times in which it was written, and offers unique insight into Dylan's creative evolution, capturing the stream-of-consciousness preoccupations of the legendary folk poet and his eclectic, erudite cool at a crucial juncture in his artistic development. It has since been welcomed into the Dylan canon, as Dylan himself has cemented his place in the cultural imagination, inspiring Todd Haynes's acclaimed 2007 musical drama I'm Not There, selling more than 100 million records, and winning numerous prizes, including the Nobel Prize for Literature in 2017. In his acceptance speech for the Nobel, Dylan acknowledged the early influence on his work of Buddy Holly and Lead Belly as well as of wide-ranging classics like Don Quixote, All Quiet on the Western Front, and Moby Dick. Tarantula is a rare chance to see Dylan at a moment in which he was still deeply connected to his country roots and a folk vernacular while opening himself up to the influence of French 19th-century Surrealist writers like Arthur Rimbaud and the Comte de Lautreamont. A decade before the confessional singer-songwriter who would create the 1975 epic, Blood on the Tracks—which was just optioned by filmmaker Luca Guadagnino—here is Dylan at his most verbally playful and radically inventive. Angry, funny, and strange, the poems and prose in this collection reflect the concerns found in Dylan's most seminal music—a spirit of protest, a poetic spontaneity, and a chronicling of the eccentric and the everyday—which continue to make him a beloved artist and cultural icon.

Seinfeld Ultimate Episode Guide is written by an authoritative expert who penned the most comprehensive reference book ever written about the show—Seinfeld Reference: The Complete Encyclopedia. The latest effort, Seinfeld Ultimate Episode Guide, is the best source for little-known facts, details and information about the sitcom voted The #1 Greatest TV Series of All-Time by TV Guide. Bunny Tales

All the President's Women

Donald Trump and the Making of a Predator

Susan Gunelius uncovers how a brand about sex survived and thrived despite attacks from every direction, in an increasingly competitive market and jaded consumers. It's the story of brand building, brand value, brand longevity and the ultimate brand champion.

The Los Angeles Times called him a "counterculture icon," and TV Guide dubbed him one of "TV's Ten Most Powerful Stars," but true aficionados simply call him "The Hoff." Don't Hassel the Hoff follows David Hasselhoff's phenomenal career, from his earliest childhood role in Peter Pan to his latest adventure, starring in Mel Brooks's Tony award-winning musical, The Producers. There is no better time to celebrate Hasselhoff's life and a career that continues to grow and thrive. As the star of the extremely popular classic television shows, "Baywatch" and "Knight Rider," Hasselhoff is an international mega-star, with platinum album sales and starring roles on Broadway and London's West End. As this fascinating memoir reveals, there's more to this handsome superstar than great hair, and legs that look good while running down a beach. "The Hoff" is also a smart, caring man with a huge heart.

"This book is my opportunity to print something from my heart, to tell the truth about what happened to me on the long and winding road from Baltimore to Baywatch to Broadway – and beyond. And the truth is not to be found in tabloid stories but in my actions: I am a good father and tried to be a good husband. I love people and the emotional rollercoaster that goes with human relationships. I love all the bewildering, crazy and wonderful things that life has to offer. This book is about my successes and my failures, my strengths and my weaknesses. And, above all, it is about the hope contained in the Knight Rider slogan: "One man can make a difference." --David Hasselhoff Full of behind-the-scenes looks at Hasselhoff's television series, celebrations of his proudest moments, and the truths about his struggles with relationships and alcohol, Don't Hassel the Hoff is both highly entertaining and deeply personal, making this an engrossing page-turner from start to finish. Long live "The Hoff."

A memoir of shocking honesty by the graphic novelist behind 2011's acclaimed comic Paying for It As with every Chester Brown book, The Playboy—originally published in 1992—was ahead of its time, illustrating the fearlessness and prescience of the iconoclastic cartoonist. A memoir about Brown's adolescent sexuality and shame, The Playboy chronicles his teenage obsession with the magazine of the same name, but it's also a work that explores the physical form of comics to their fullest storytelling capacity. In it, a fifteen-year-old Chester is visited by a time-traveling adult Chester, and the latter narrates the former's compulsion to purchase each issue of Playboy as it appears on newsstands. Even more fascinating than his obsession with the magazine is his need to keep his habit secret and the resulting lengths to which he goes to avoid detection by his family and, later, his girlfriends. The comics that became The Playboy first appeared in issues of Brown's controversial, groundbreaking comic Yummy Fur more than twenty years ago, and yet the frankness of the work makes it seem avant-garde even now. As in every work by this master cartoonist, The Playboy uses no extra words, no extra panels, no extra lines, conveying environment and emotion through perfectly chosen moments. Fans of his acclaimed and controversial memoir Paying for It are sure to be drawn in by this early autobiographical portrait of blazing honesty. The expanded reissue includes all-new appendixes and notes from the author.

With the first centerfold image of the radiant Marilyn Monroe, Hugh M. Hefner masterminded a cultural icon: Playboy's Playmate of the Month. This voluptuous new edition celebrates every nude centerfold from every issue of Playboy, from 1953 to February 2016. Initially published a decade ago, and now comprehensively updated, this must-have edition boasts 734 nude centerfolds and decade openers from literary luminaries, including an all-new essay by Elizabeth Wurtzel on the last decade of centerfolds, and a redesigned package that perfectly captures the complete cultural and aesthetic arc of the Playboy centerfold.

A Childhood Lost Inside the Playboy Mansion

Storms Never Last

Playboy Playmate Carrie Stevens broke all the rules. She did everything "nice girls" are not supposed to do. While not unscathed, she is still standing. Her story is more than that of survival, it is a quest for what matters most in life.

At one gilded moment in history, his fame was so great that he was known the world over by his nickname alone: Rubi. Pop songs were written about him. Women whom he had never met offered to leave their husbands for him. He had an eye for feminine beauty, particularly when it came with great wealth: Barbara Hutton, Doris Duke, Eva Perón, and Zsa Zsa Gabor. But he was a man's man as well, polo player and race-car driver, chumming around with the likes of Joe Kennedy, Frank Sinatra, Oleg Cassini, Aly Khan, and King Farouk. He was also a jewel thief, and an intimate of one of the world's most bloodthirsty dictators. And when he died at the age of fifty-six—wrapping his sports car around a tree in the Bois de Boulogne—a glamorous era of white dinner jackets at El Morocco and celebrity for its own sake died along with him. He was one of a kind, the last of his breed. And in The Last Playboy, author Shawn Levy brings the giddy, hedonistic, and utterly remarkable story of Porfirio Rubirosa to glorious Technicolor life.

"[A] breezy, charming chronicle." -Time Out New York The legendary founder of Playboy magazine, Hugh Hefner invites you into his world with Hef's Little Black Book, an illustrated treasury of advice and maxims. The only book ever written by the iconic publisher and unabashed hedonist, Hef's Little Black Book features a new, updated Afterword from Hef himself. Dedicated Playboy readers and fans of The Girls Next Door, the hit reality TV series that takes you behind the doors of the Playboy Mansion, will not want to miss this fantastic guide to the very good life from the man who has lived it better than anyone.

A guide to programs currently available on video in the areas of movies/entertainment, general interest/education, sports/recreation, fine arts, health/science, business/industry, children/juvenile, how-to/instruction.

Seinfeld Ultimate Episode Guide

The real Hugh Hefner-the extraordinary inside story of an American icon ""Riveting... Watts packs in plenty of gasp-inducing passages.""-Newark Star Ledger ""Like it or not, Hugh Hefner has affected all of us, so I treasured learning about how and why in the sober biography.""-Chicago Sun Times ""This is a fun book. How could it not be? Watts aims to give a full account of the man, his magazine and their place in social history. Playboy is no longer the cultural force it used to be, but it made a stamp on society.""-Associated Press ""In Steven Watts' exhaustive, illuminating biography Mr. Playboy, Hefner's ideal for living -- marked by his allegiances to Tarzan, Freud, Pepsi-Cola and jazz -- proves to be a kind of gloss on the Protestant work ethic.""-Los Angeles Times
Gorgeous young women in revealing poses; extravagant mansion parties packed with celebrities; a hot-tub grotto, elegant smoking jackets, and round rotating beds; the hedonistic pursuit of uninhibited sex. Put these images together and a single name springs to mind-Hugh Hefner. From his spectacular launch of Playboy magazine and the dizzying expansion of his leisure empire to his recent television hit The Girls Next Door, the publisher has attracted public attention and controversy for decades. But how did a man who is at once socially astute and morally unconventional, part Bill Gates and part Casanova, also evolve into a figure at the forefront of cultural change?In Mr. Playboy, historian and biographer Steven Watts argues that, in the process of becoming fabulously wealthy and famous, Hefner has profoundly altered American life and values. Granted unprecedented access to the man and his enterprise, Watts traces Hef's life and career from his midwestern, Methodist upbringing and the first publication of Playboy in 1953 through the turbulent sixties, self-indulgent seventies, reactionary eighties, and traditionalist nineties, up to the present. He reveals that Hefner, from the beginning, believed he could overturn social norms and take America with him.This fascinating portrait illustrates four ways in which Hefner and Playboy stood at the center of several cultural upheavals that remade the postwar United States. The publisher played a crucial role in the sexual revolution that upended traditional notions of behavior and expectation regarding sex. He emerged as one of the most influential advocates of a rapidly developing consumer culture, flooding Playboy readers with images of material abundance and a leisurely lifestyle. He proved instrumental-with his influential magazine, syndicated television shows, fashionable nightclubs, swanky resorts, and movie and musical projects-in making popular culture into a dominant force in many people's lives. Ironically, Hefner also became a controversial force in the movement for women's rights. Although advocating women's sexual freedom and their liberation from traditional family constraints, the publisher became a whipping boy for feminists who viewed him as a prophet for a new kind of male domination.Throughout, Watts offers singular insights into the real man behind the flamboyant public persona. He shows Hefner's personal dichotomies-the pleasure seeker and the workaholic, the consort of countless Playmates and the genuine romantic, the family man and the Gatsby-like host of lavish parties at his Chicago and Los Angeles mansions who enjoys well-publicized affairs with numerous Playmates, the fan of life's simple pleasures who hobnobs with the Hollywood elite.Punctuated throughout with descriptions and anecdotes of life at the Playboy Mansions, Mr. Playboy tells the compelling and uniquely American story of how one person with a provocative idea, a finger on the pulse of popular opinion, and a passion for his work altered the course of modern history. Spans from Hefner's childhood to the launch of Playboy magazine and the expansion of t
The self-made businessman and self-proclaimed S.O.B. who masterminded USA Today reveals how he rose from Associated Press reporter to CEO of Gannett newspapers. Reprint. NYT.

The ultimate collection of classic science fiction stories and poems from the Hugo and Nebula Award-winning author of the Forever War Series. An omnibus edition of his collections None So Blind and Dealing in Futures, this volume features the best of Joe Haldeman's short speculative fiction, including such gems as the Hugo and Nebula Award-winning "The Hemingway Hoax," in which a forged Hemingway manuscript takes the reader on a

journey through time and multiple universes; the Hugo and Locus Award-winning "None So Blind;" the World Fantasy and Nebula Award-winning "Graves;" and the Rhysling Award-winning poem "Saul's Death." From stories steeped in the horrors of the Vietnam War to tales of cyborg transformations and space explorations, Haldeman flexes his narrative powers to deliver works that will live on for generations to come. "If there was a Fort Knox for science fiction writers who really matter, we'd have to lock Haldeman up there." —Stephen King "One of the most prophetic writers of our times." —David Brin

When this beach bunny caught the eye of Hugh Hefner at an L.A. nightclub, Izabella St. James was looking for a fun break from studying for the bar. As the latest Girlfriend of the Playboy founder, her "break" lasted two years, but life behind the gates of the Playboy Mansion was anything but fun. Sure there were parties, presents, puppies, and plastic surgery; but there was also a curfew, a strict regimen of who sits where on movie night, limited contact with the outside world, and a sex life that was anything but wild and crazy. While the E! reality show, The Girls Next Door, has been a ratings hit, each of the three Playboy Bunnies in the series has since left the Mansion in newsworthy ways: one is engaged to a football player, and Hugh's "main" Girlfriend has finally understood that there would be no fairy-tale marriage and family with the man she literally transformed her life for. Izabella was there to witness how each of these relationships formed, where each Girlfriend fell in the pecking - and bed - order, and when, exactly, the fabled life turned shabby and cheap. From catfights to sneaking in boyfriends, from high-profile guests in the Grotto to the bizarre rituals of the octogenarian at the center of the sexual revolution, Bunny Tales is compulsively readable and endlessly entertaining!
