and the cars they championed and drove to the winner's circle. Behind BMW's envied reputation and the whirling-propeller badge are such legends as the prewar BMW 328 sports cars and the 1990s 200 m.p.h. McLaren/BMW V12s. Unbeatable BMW also gives first-hand tales of BMW's aviation and motorcycling deeds. Included are gripping accounts of the preparation and track-side action for such emotive winners as the diminutive BMW 700 coupes to the 1800 "Tisa" and 2002s. Walton sweeps through the 1970s "Batmobile" 3.0 CSL lightweight racing coupes, then explores the best-selling 3-series in every race category. Walton also covers the unexpected success of the 5- and 6-series, the latter against Jaguar. Unbeatable BMW recalls the establishment of BMW's Motorsport division, and the thrill of the first M-
