Given the enhanced interest in the military justice system, it is as critical as ever that the public, the bar, and Congress (which enacted significant military law reforms in 2013 and 2016) have available reliable information about the functioning of the military appellate judicial process. The pinnacle of that process, short of the Supreme Court, is the Court of Appeals for the Armed Forces. Such are the goals of this GUIDE. Periodic revisions are contemplated in order to maintain its usefulness. Very little has been retained intact from the first edition and the 1980
