Another bumper selection of funky classics from the era of Glam and Punk, with seventy-five seventies greats arranged with full lyrics and guitar chords. Whether you're looking for the ska-inspired punk of The Police, the greasy rock of AC/DC, or the proto-disco of Blondie, you'll find those special nuggets of nostalgia in this bumper collection. Every song is presented in the key of the original hit recording, and the songs themselves include Ring My Bell, Tumbling Dice and Apeman.

Everybody waits. We wait for a spouse, wait for a baby, wait on our children, wait for our parents. We wait for clarity and direction. We wait on a job, a promotion, a new direction. We wait for hope, for healing, and for miracles. We wait on God. And when we misunderstand what waiting is about, we can get confused about what God is up to. Waiting is one of God’s favorite tools. He can do certain things in our hearts, our lives, and our relationships while we wait—things we cannot experience once we’ve opened the gift we have been waiting for. So just you wait, because everyone takes their turn in the waiting room. It’s a long and painful fact of life, but shortcuts and microwaves aren’t the answer. God is at work behind the scenes in invisible ways you can’t see . . . yet. Just you wait and see how ready you’ll be if you spend your waiting well. Because when your opportunity comes, you don’t want to spend more time on the bench. When you wait well, you can say, “Look out, world: I am getting ready to shine. Just you wait.” In these pages, Tricia discusses the joy hidden in the discipline of waiting, and the practices of believing God is for you and working on your behalf, even when the work of His hand is hard to find.

In 1980, Pamela Alexander and her husband, Jimmy, felt led by God to open a bed and breakfast and were led to Psalm 37 within a short time of that calling. Through this passage, they learned how to wait upon the Lord and how best to prepare and build a B&B. Meanwhile, they trained in the art of hospitality and grew in His wisdom. Thirteen years later, they opened the Alexander Bed & Breakfast Acres (ABBA). Trust without Borders presents an exploration of Psalm 37. In this study, Pamela examines how God wants us to trust Him with all of our being, showing that when we worship Him in that obedience, He blesses us abundantly with joy and peace. She reveals that trust is our gift back to God, and that He is pleased by the beauty of a trusting heart, and that trust demonstrates the meaning of living by grace rather than works. She also considers these questions: Is it trust only when we get our way? How do trust and entering His rest comingle? Why is gratefulness a foremost quality of a trusting follower of Christ? Join Pamela in fellowship and in study of Gods Word, and learn how to trust God with everything and every need of your life.

We check our email while cooking dinner, send a text while bathing the kids, and spend more time looking into electronic screens than into the eyes of our loved ones. With our never-ending to-do lists and jam-packed schedules, it’s no wonder we’re distracted. But this isn’t the way it has to be. In July 2010, special education teacher and mother Rachel Macy Stafford decided enough was enough. Tired of losing track of what matters most in life, Rachel began practicing simple strategies that enabled her to momentarily let go of largely meaningless distractions and engage in meaningful soul-to-soul connections. She started a blog to chronicle her endeavors and soon saw how both external and internal distractions had been sabotaging her happiness and preventing her from bonding with the people she loves most. Hands Free Mama is the digital society’s answer to finding balance in a media-saturated, perfection-obsessed world. It doesn’t mean giving up all technology forever. It doesn’t mean forgoing our jobs and responsibilities. What it does mean is seizing the little moments that life offers us to engage in real and meaningful interaction. It means looking our loved ones in the eye and giving them the gift of our undivided attention, leaving the laundry till later to dance with our kids in the rain, and living a present, authentic, and intentional life despite a world full of distractions. So join Rachel and go hands-free. Discover what happens when you choose to open your heart—and your hands—to the possibilities of each God-given moment.
