Halogen ovens are super convenient, compact appliances that can be kept on your kitchen counter. They heat with a combination of infra red and convection to cook food 40% faster than a conventional oven - without any of the dreaded sogginess associated with microwaves. Using a combination of racks you simply layer the food, set the dials and produce a whole meal from one appliance. Whether it's simply defrosting a joint of meat or making a more elaborate recipe, a halogen will take the time and hassle out of all your favourite dishes. As ever with our popular Hamlyn All Colour series, you'll find 200 delicious recipes with step-by-step instructions and colour photography to ensure perfect results every time. Why not discover how easy halogen cooking can be?

With food costs growing every year, many of us can do nothing but buy the same cheap ingredients each week, resulting in us eating the same old meals every day. However, with Hamlyn All Colour Cookbook: 200 Budget Meals this will become a thing of the past. This book shows you how to take these inexpensive ingredients and, with a bit of

The halogen oven is a remarkable revolution in cooking, a cooker that can be used on the table top, plugged into an ordinary socket, which can even be taken on camping and road trips. It works by converting electrical energy into intense heat, and uses infrared waves and a fan to circulate the heat. This means food is ready in half the time of a conventional oven, without the need for cooking fat or oil, and unlike a microwave it can also brown and crisp your cooking. This ultimate new book contains all the help and advice you need to make the most of your
