them herself. The desert
comes alive in the

spring with many
beautiful colored
wildflowers. The desert
scenery changes colors

as the sun rises and
sets. Yvonne saw a need
for a coloring book to
encourage children to
love our planet and care
for our wildlife. She

digital interventions over the life-cycle of the contract; and digital objects of contracting. The discussion of the regulatory framework looks at the platforms used for digital contracting - such as Airbnb - which are particularly important instruments for the formation of digital contracts. In describing the
