We ' re told that the future will be brighter. But what if human happiness really lies in the past? Hobart, 2022: a city with a declining population, in the grip of a dark recession. A rusty ship sails into the harbour and begins to unload its cargo on the site of the once famous but now abandoned Gallery of Future Art, known to the world as GoFA. One day the city ' s residents are awoken by a high-pitched sound no one has heard for two generations: a factory whistle. GoFA ' s owner, world-famous billionaire Dundas Faussett, is creating his most ambitious installation yet. He ' s going to defeat technology ' s dominance over our lives by establishing a new Year Zero: 1948. Those whose jobs have been destroyed by Amazon and Uber and Airbnb are invited to fight back in the only way that can possibly succeed: by living as if the internet had never been invented. The hold of Bezos, Musk, Zuckerberg and their ilk starts to loosen as the revolutionary example of Factory 19 spreads. Can nostalgia really defeat the future? Can the little people win back the world? We are about to find out. ' Like Orwell, of whom he has written so brilliantly, Dennis Glover ' s work is charged with courage, intelligence and purpose.

From its first publication in 1992, Men, Women, and Chain Saws has offered a groundbreaking perspective on the creativity and influence of horror cinema since the mid-1970s. Investigating the popularity of the low-budget tradition, Carol Clover

looks in particular at slasher, occult, and rape-revenge films. Although such movies have been traditionally understood as offering only sadistic pleasures to their mostly male audiences, Clover demonstrates that they align spectators not with the male tormentor, but with the females tormented—notably the slasher movie's "final girls"—as they endure fear and degradation before rising to save themselves. The lesson was not lost on the mainstream industry, which was soon turning out the formula in well-made thrillers. Including a new preface by the author, this Princeton Classics edition is a definitive work that has found an avid readership from students of film theory to major Hollywood filmmakers.

A wryly funny and surprisingly moving account of an extraordinary life lived almost entirely in the public eye. A teen idol at fifteen, an international icon and founder of the Brat Pack at twenty, and one of Hollywood's top stars to this day, Rob Lowe chronicles his experiences as a painfully misunderstood child actor in Ohio uprooted to the wild counterculture of mid-seventies Malibu, where he embarked on his unrelenting pursuit of a career in Hollywood. *The Outsiders* placed Lowe at the birth of the modern youth movement in the entertainment industry. During his time on *The West Wing*, he witnessed the surreal nexus of show business and politics both on the set and in the actual White

House. And in between are deft and humorous stories of the wild excesses that marked the eighties, leading to his quest for family and sobriety. Never mean-spirited or salacious, Lowe delivers unexpected glimpses into his successes, disappointments, relationships, and one-of-a-kind encounters with people who shaped our world over the last twenty-five years. Rob Lowe's New York Times bestselling autobiography, *Stories I Only Tell My Friends*, shares tales that are as entertaining as they are unforgettable.

**NATIONAL BESTSELLER** • “Steven Pressfield brings the battle of Thermopylae to brilliant life.”—Pat Conroy *At Thermopylae*, a rocky mountain pass in northern Greece, the feared and admired Spartan soldiers stood three hundred strong. Theirs was a suicide mission, to hold the pass against the invading millions of the mighty Persian army. Day after bloody day they withstood the terrible onslaught, buying time for the Greeks to rally their forces. Born into a cult of spiritual courage, physical endurance, and unmatched battle skill, the Spartans would be remembered for the greatest military stand in history—one that would not end until the rocks were awash with blood, leaving only one gravely injured Spartan squire to tell the tale. . . .
