

2014 Ships Deluxe Wall

Youthful Folly is the third book in the Morning Bliss trilogy. The young battleship Morning Bliss has reached his adolescence and sails the Great Ocean while still growing and developing his mind and his huge power systems. But is he ready to fight anybody yet and what is he going to do when he grows up? The two intrepid and enormously successful chief executives officers, Skiff and Anthem have very different views as to how the ship should develop, Skiff wanting him to grow sixteen inch cannon and go on wild adventures while Anthem sees him becoming a merchant bank. But their differences all pale into irrelevance when they hear of the imminent arrival in the north of the hordes of Penelope Ffoluks Pemberton who have already ravaged the corporations of the southern ocean. How will they prepare their beloved ship to fight this awful threat and how can they possibly fight off this vast and violently destructive horde?

In many respects 2014 marked the transition from strong recovery to promising growth for Dubai. With many exciting projects in the pipeline, not least the hosting of Expo 2020, the emirate is continuing to build on its reputation as a dynamic and international centre for business. Already a regional and global centre for business and finance, Dubai's reputation has been bolstered by the MSC's decision to upgrade the UAE from frontier to emerging market status in 2014, while the emirate's successful Expo 2020 bid is expected to generate myriad opportunities for private investors across a range of sectors. Construction is thriving once again, driven in large part by strong retail sector growth, with various projects, including plans for the world's largest mall, indicating that the sector will maintain its position as the emirate's biggest GDP contributor moving forward. The transport and logistics framework is set for major expansion in the coming years as well, furthering cementing the emirate's status as a leading transport and logistics hub not just regionally, but globally too. The continued development of Dubai's retail and hospitality offerings, alongside the upgrades to its airports, should help to ensure robust growth in visitor numbers from both the region and further afield.

Imagine what it would be like to go back in time to the 15th century Venice. And imagine what it would be like to meet your lifelong hero, Michelangelo. And imagine what it would be like if, on first meeting, you spill a tray of pasta and wine on that very same hero.Well, that's what happens to serious young artist Mark Breen. As the result of a drunken bet, Mark knocks out a painting of a toilet bowl. Much to his amazement, he sells it. In short order he's hailed as the new Andy Warhol and becomes an overnight sensation-and a very wealthy man. Soon, images of his toilet bowls are on more t-shirts, mugs, and calendars than Edvard Munch's The Scream.His friend and mentor, Hugh Connelly, afraid that Mark is in danger of losing his "artistic soul," advises him to go back to Italy and reacquaint himself with the "old masters." In Venice, Mark falls in love with Alexandra, a beautiful art restorer, but it's a one-sided affair. One night, hoping to win her over, he climbs up on a roof to find out who painted her favorite fresco. He falls off the roof and wakes up in 15th century Venice where he meets an innkeeper named Francesca, who looks exactly like Alexandra. And it gets curiouser and curiouser from there. During his stay-which is sometimes zany and sometimes frightening-he meet his hero, Michelangelo, who teaches him the true meaning of art.

□ Science fiction, fantasy and horror movies have spawned more sequels and remakes than any other film genre. Following Volume I, which covered 400 films made 1931-1995, Volume II analyzes 334 releases from 1996 through 2016. The traditional cinematic monsters are represented--Dracula, Frankenstein, the Wolf Man, a new Mummy. A new wave of popular series inspired by comics and video games, as well as The Lord of the Rings trilogy, could never have been credibly produced without the advances in special effects technology. Audiences follow the exploits of superheroes like Captain America, Iron Man, Spider-Man and Thor, and such heroines as the vampire Selene, zombie killer Alice, dystopian rebels Katniss Everdeen and Imperator Furiosa, and Soviet spy turned American agent Black Widow. The continuing depredations of Jason Voorhees, Freddy Krueger and Michael Myers are described. Pre-1996 movies that have since been remade are included. Entries features cast and credits, detailed synopsis, critics' reviews, and original analysis.

If you want a holiday that's hassle-free, virtually pre-paid, and that lets you see lots of places while only needing to pack and unpack once, then you should try a cruise. This best-selling book is the cruise industry bible: it gives you all the information you need to choose the right cruise for you. Meticulously updated every year by cruise expert Douglas Ward, it is divided into two main parts: the first helps you work out what you're looking for in a cruise holiday and how to find it; the lively text and colour photographs describe every aspect of life on board, including safety, the highs and lows of the cruise experience and how to save money. The second part contains unbiased reviews and fascinating detail of almost 300 ocean-going cruise vessels, and grades them on service, food, entertainment and facilities, using an internationally recognised ratings system.

The final chapter in the electrifying Stockholm Noir Trilogy, which has been translated into more than thirty languages worldwide: here is the no-holds-barred, rapid-fire tale of a supreme struggle for the legacy of the Swedish underworld, as the power, honor, and respect commanded by Stockholm's largest criminal organization are passed from father to daughter. Jorge was making a living as a drug dealer until he was caught and thrown into prison. Recently released and warned to keep out of trouble, he's already bored with his new existence: selling lattes and cappuccinos at a café. Who wouldn't be? But Jorge has a plan, and big money looms on the horizon if he can pull off one final audacious heist and flee the country before the police close in. Meanwhile, Deputy Inspector Martin Hågerström—entrusted with a secret mission, code name Operation Tide—has gone deep undercover as a disgraced cop turned corrections officer. He's slowly earning the trust of Stockholm's imprisoned expert money launderer, Johan Westlund. A career criminal with a taste for the jet-setting lifestyle, JW is a dangerous man to befriend, one who may demand more loyalty than Hågerström had planned on offering. Natalie is the twenty-two-year-old daughter of Radovan Kranjic, the Serbian crime boss who rules Sweden's underworld. When an assassin threatens Radovan's life, Natalie is hurled into a chaotic struggle for control of her father's empire—and the competition is fierce. Who will rise to power in the voracious hunt for money, prestige, and luxury to become Stockholm's new king—or queen—of crime?

A 75th anniversary e-book version of the most important and practical self-help book ever written, Alcoholics Anonymous. Here is a special deluxe edition of a book that has changed millions of lives and launched the modern recovery movement: Alcoholics Anonymous. This edition not only reproduces the original 1939 text of Alcoholics Anonymous, but as a special bonus features the complete 1941 Saturday Evening Post article "Alcoholics Anonymous" by journalist Jack Alexander, which, at the time, did as much as the book itself to introduce millions of seekers to AA's program. Alcoholics Anonymous has touched and transformed myriad lives, and finally appears in a volume that honors its posterity and impact.

Covering the Golden Age of the British Cruise Ship, Ian Collard takes us through the transition from liner voyages to cruising as we know it today.

Ken Follett's extraordinary historical epic, the Century Trilogy, reaches its sweeping, passionate conclusion. In Fall of Giants and Winter of the World, Ken Follett followed the fortunes of five international families—American, German, Russian, English, and Welsh—as they made their way through the twentieth century. Now they come to one of the most tumultuous eras of all: the 1960s through the 1980s, from civil rights, assassinations, mass political movements, and Vietnam to the Berlin Wall, the Cuban Missile Crisis, presidential impeachment, revolution—and rock and roll. East German teacher Rebecca Hoffmann discovers she's been spied on by the Stasi for years and commits an impulsive act that will affect her family for the rest of their lives. . . . George Jakes, the child of a mixed-race couple, bypasses a corporate law career to join Robert F. Kennedy's Justice Department and finds himself in the middle of not only the seminal events of the civil rights battle but a much more personal battle of his own. . . . Cameron Dewar, the grandson of a senator, jumps at the chance to do some official and unofficial espionage for a cause he believes in, only to discover that the world is a much more dangerous place than he'd imagined. . . . Dimka Dvorkin, a young aide to Nikita Khrushchev, becomes an agent both for good and for ill as the United States and the Soviet Union race to the brink of nuclear war, while his twin sister, Tanya, carves out a role that will take her from Moscow to Cuba to Prague to Warsaw—and into history.

"Unquestionably the best English translation of Herodotus to have appeared in the past half-century." --The Times Literary Supplement In Tom Holland's vibrant translation, one of the great masterpieces of Western history springs to life. Herodotus of Halicarnassus--hailed by Cicero as the "Father of History"--composed his histories around 440 BC. The earliest surviving work of nonfiction, The Histories works its way from the Trojan War through an epic account of the war between the Persian empire and the Greek city-states in the fifth century BC, recording landmark events that ensured the development of Western culture and still capture our modern imagination. Beautifully packaged in a Penguin Classics Deluxe edition with a comprehensive array of tools to guide first-time readers and experts alike, this accessible translation makes Herodotus fresh and irresistible once more. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

June, 1940. For the United States, war is on the horizon. For Miranda Corbie, private investigator and erstwhile escort, there are debts to be paid and memories--long-suppressed and willfully forgotten--to be resurrected. Enter the U.S. State Department and the man who helped Miranda get her PI license. A man she owes. A man who asks her to track a chemistry professor here in San Francisco whom he suspects is a spy for the Nazis. Playing along may get Miranda a ticket to Blitz-bombed England and answers about her past...if she survives. Through sordid back alleys and art gallery halls, from drag dress nightclubs to a Nazi costume ball, Miranda's journey into fear takes her on the famed City of San Francisco streamliner and to Reno, Nevada, the Biggest Little City in the World...where she finds herself framed for a murder she never anticipated. Forced to go underground, Miranda soldiers on alone, determined to find the truth about a murder, a Nazi spy, and her own troubling past. But Miranda will have to learn the difference between reality and illusion, from despair to deceit and factual to fake, as she tries to get her life back...and navigates a City of Ghosts. Miranda Corbie's back. Noir will never be the same. And Kelli Stanley will once again mesmerize readers with the most thrilling novel yet in her award-winning series.

The Deluxe Edition of *Leaders Eat Last*, now with an expanded chapter and appendix on leading millennials, includes over 30 minutes of exclusive video and 30 minutes of audio of Simon Sinek. The acclaimed, bestselling author of *Start With Why* and *Together is Better* delves deeper into book's themes and shares additional examples and insights. Imagine a world where almost everyone wakes up inspired to go to work, feels trusted and valued during the day, then returns home feeling fulfilled. This is not a crazy, idealized notion. Today, in many successful organizations, great leaders create environments in which people naturally work together to do remarkable things. In his work with organizations around the world, Simon Sinek noticed that some teams trust each other so deeply that they would literally put their lives on the line for each other. Other teams, no matter what incentives are offered, are doomed to infighting, fragmentation and failure. Why? The answer became clear during a conversation with a Marine Corps general. "Officers eat last," he said. Sinek watched as the most junior Marines ate first while the most senior Marines took their place at the back of the line. What's symbolic in the chow hall is deadly serious on the battlefield: Great leaders sacrifice their own comfort--even their own survival--for the good of those in their care. Too many workplaces are driven by cynicism, paranoia, and self-interest. But the best ones foster trust and cooperation because their leaders build what Sinek calls a "Circle of Safety" that separates the security inside the team from the challenges outside. Sinek illustrates his ideas with fascinating true stories that range from the military to big business, from government to investment banking.

In 1929, Hollywood mogul William Fox (1879–1952) came close to controlling the entire motion picture industry. His Fox Film Corporation had grown from a \$1600 investment into a globe-spanning \$300 million empire; he also held patents to the new sound-on-film process. Forced into a series of bitter power struggles, Fox was ultimately toppled from his throne, and the studio bearing his name would merge in 1935 with Darryl F. Zanuck's flourishing 20th Century Pictures. The 25-year lifespan of the Fox Film Corporation, home of such personalities as Theda Bara, Tom Mix, Janet Gaynor and John Ford, is chronicled in this thorough illustrated history. Included are never-before-published financial figures revealing costs and grosses of Fox's biggest successes and failures, and a detailed filmography of the studio's 1100-plus releases, among them *What Price Glory?*, *Seventh Heaven* and the Oscar-winning *Cavalcade*.

Killian knows all about vampires and aliens. They're not real. But when a handsome swimmer climbs into her storm-tossed boat an hour from her summer destination, the worlds of fantasy and reality suddenly collide... Cuttlelea Island has no mall, no social scene, and no action. But it does have a mysterious stone tower, ageless islanders, and a secret as astonishing as a mermaid's tale... Before the summer is through, Killian will find the truth of her family's past...and the role she is destined to play in a centuries-old curse.

Why Some Teams Pull Together and Others Don't

Destiny's Call brings to life scenes, stories and characters from the Book of Genesis. In captivating fictional short stories, Destiny's Call gives a glimpse of the struggles of the Patriarchs and Matriarchs, the birth and conflicts of the Tribes of Israel, and a deeper exploration of some of the colorful characters depicted in the Bible. Destiny's Call relies heavily on biblical and archeological sources. The book includes questions for discussion, detailed hand-drawn maps of the ancient world, recreated genealogical records and timeline, an index of biblical references, and a glossary of biblical terms. Ben-Tzion Spitz is the author of the Torah Shorts blog (at ben-tzion.com), where he has published dozens of biblical fiction stories and biblical analysis based on ancient, medieval and contemporary sources. Spitz has been exploring and researching biblical stories and archeological findings for over two decades. He is also the creator and lecturer of the Biblical Fiction series in Jerusalem, Israel.
