Rising Above the Ashes Reigniting Your Joy After Any Loss

"The cacophony of voices about our bodies is so loud, it's hard to hear the voices that matter. Some of us decide to forget it all and give in to one addiction or another. I've done that. Some of us decide to perfect our bodies and obsess over every muscle or wrinkle. I've done that too. Then I discovered the truth about my body: It is a gift. A sign of God's love. And so is yours." Many of us think of our bodies as burdens that drag us toward failure and guilt. But what if God actually glories in the flesh? What if we had the same joy about our bodies as God does? Ragan Sutterfield brings us back to a biblical perspective—a freeing, corrective viewpoint that reminds us of the connection between spirit, mind, and body. Along the way, he shares his journey from overweight addict to Ironman competitor. He counts his success, though, not in his decreased clothing size but in his increased understanding of how much God loves the body and what it means to take care of his whole being. This is a story for each of us. As a teenager, Ragan Sutterfield tried extreme dieting to get rid of childhood chubbiness. As a young adult, he wrestled with his Christian culture's tenets about the dangers of the body. As a man, he became an obese smoker in a failing marriage. And he began a journey of understanding that changed his life. Weaving together biblical insight, personal story, and thoughtful reflection, *This Is My Body* offers an inspiring look at God's creation of each of us as human beings, in the flesh. It is an examination of spiritual disciplines, sex, self-image, eating, environmental responsibilities, and the church's role in misunderstandings about the body. It is also a celebration of Communion—the moment when Jesus reminded his disciples that he, too, is flesh. Spiritually rich, this is an eloquent exploration of the body in all its God-given glory.

The Action Bible presents more than 230 fast-paced narratives in chronological order, making it easy to follow the Bible's historical flow and building up to the thrilling climax of God's redemptive story. Plus, these spectacular updates take the action to a whole new level: 25 new stories showcase a more extensive exploration of God's work in our lives. 23 expanded stories highlight additional experiences of the people who tell God's story. 128 new pages of illustrations deliver a richer artistic experience with more close-up faces, historical details, and dramatic colors. Every page sparks excitement to explore God's Word and know Him personally. Readers will witness God's active presence in the world through stories from the life of Jesus and great heroes of the faith. Let this blend of powerful imagery and clear storytelling capture your imagination and instill the truth that invites you to discover your own adventure of life with God. Sergio Cariello's illustrations for The Action Bible leap off the page with the same thrilling energy that earned him international recognition for his work with Marvel Comics and DC Comics.

You can wear a hat, share a hat, or give a hat away. Many church leadership books today seem to focus heavily on the language of the corporate world. Throw a creative worship leader into the mix and vertigo sets in for all involved. Why? Creative leaders simply think differently. If you want to learn how to better explain your worship leadership to those in charge, this book is for you. If your role is leading worship leaders, the language shared in this book aims to help you take your team to their next level.

The Life and Times of Zero-Day Vulnerabilities and Their Exploits

Zero-day vulnerabilities--software vulnerabilities for which no patch or fix has been publicly released-- and their exploits are useful in cyber operations--whether by criminals, militaries, or governments--as well as in defensive and academic settings. This report provides findings from real-world zero-day vulnerability and exploit data that could augment conventional proxy examples and expert opinion, complement current efforts to create a framework for deciding whether to disclose or retain a cache of zero-day vulnerabilities and exploits, inform ongoing policy debates regarding stockpiling and vulnerability disclosure, and add extra context for those examining the implications and resulting liability of attacks and data breaches for U.S. consumers, companies, insurers, and for the civil justice system broadly. The authors provide insights about the zero-day vulnerability research and exploit development industry; give information on what proportion of zero-day vulnerabilities are alive (undisclosed), dead (known), or somewhere in between; and establish some baseline metrics regarding the average lifespan of zero-day vulnerabilities, the likelihood of another party discovering a vulnerability within a given time period, and the time and costs involved in developing an exploit for a zero-day vulnerability"--Publisher's description.

This book offers examples from both Christian and secular democratic institutions of higher education and then responds to possible criticisms about how moral education in a comprehensive humanist moral tradition may short change diversity, autonomy and critical thinking.

"A spiritual guidebook for living life through love, not fear"--Provided by the publisher.

□ Growing need for resources to help parents engage in faith conversations at home □ Talking points, practices, and resources included Home (not the congregation) and parents (not clergy, youth ministers, or Sunday School) are the key mechanisms by which religious faith and practice are transmitted intergenerationally. Recent studies indicate that the single most important factor in youth becoming committed and engaged in their religious faith as young adults is that the family talks about religion at home. However, for many parents in the United States, religious language is a foreign language. Faith at Home will help parents learn this "second language" and introduce it to their children in simple, meaningful, concrete ways. Parents often ask: How do we introduce prayer to our children if we do not necessarily believe prayer changes outcomes? How do we approach reading the Bible with our children when our own relationship with it is mixed or complicated? How do we talk about difficult things and where do we find God in the midst of them? How do we teach our children to make a difference in the world? How do we connect what happens at church to what happens at home? These questions and many more are addressed with talking points, practices, and resources provided for each subject.
