

## 2018 Every Day's A Holiday Wall Calendar

From the authors of the Artisan Bread in Five Minutes a Day series comes a holiday and celebration cookbook that uses the same groundbreaking quick and easy baking method. Zoë François and Jeff Hertzberg shocked the baking world when they proved that homemade yeast dough could be stored in the refrigerator to use whenever you need it. Now, they've done it again with *Holiday and Celebration Bread in Five Minutes a Day*, a cookbook with savory, sweet, healthy, and decadent recipes for every occasion. Every culture has its great bread traditions for holidays and celebrations—traditional Christmas loaves from Ukraine, Greece, Germany, Italy and Scandinavia; celebration breads from France and Israel; Easter breads from the United Kingdom, Sweden, and Austria to name a few. The book is chock-full of fragrant, yeasted treats made for celebrations and special occasions. All the old standbys are here, plus delicious examples from around the world. All were too time-consuming and painstaking to make at home—until now. In 100 clear and concise recipes that build on the successful formula of their bestselling series, *Holiday and Celebration Bread* will adapt their ingenious approach for high-moisture stored dough to a collection of breads from the four corners of the globe. This beautiful cookbook has color photos of every bread and includes step-by-step collages. With Zoë and Jeff's help, you'll be creating breads that rival those of the finest bakeries in the world—with just five minutes a day of active preparation time.

This issue of SOCRATES has been divided into two sections. The first section of this issue is English Literature. The first paper of this section has been authored by Sara Setayesh. This paper reviews 'Blasted', the first play by the British author Sarah Kane. The paper analyses the Ian and Cate's psychological behavior and their romantic relationship portrayed in the play, as important implications for psychoanalytic criticism. The second paper of this section has been authored by Muhammad Yar Tanvir and Dr Ali Usman Saleem. It evaluates the power, privilege or right enjoyed by the men in Pakistani Patriarchal society as reflected in 'Attar of Roses and Other Stories' of Pakistan, a collection by Tahira Naqvi. The objective of this paper is to pinpoint the social and political position of patriarchal society through which woman subjugation by men becomes a power, a privilege or a right to be exercised. Radical Feminism will serve as a theoretical and conceptual framework for the apt exploration of the problematic. The second section of this issue is Philosophy. The first paper of this section has been authored by Maftouni Nadia and Mahmoud Nuri. It analyses the Farabi's philosophy (utopia) and concluded that the public is not used to implement their rational faculty and they cannot perceive the rational happiness directly. So the rational happiness should be presented to their imagination, and thus, the artist of the utopia makes images of the rational happiness using sensible and imaginary forms. The second paper of this section has been authored by Smrutipriya Pattnaik and C Upendra. The paper critically addresses the fall narrative of the narrative of the failure of the communist experiment. It claims that if the idea of "return to socialism" makes no sense, equally is senseless the triumphalism debate of liberal-capitalism. The third paper of this section has been authored by Lidija Kovacheva. This paper provides a comparative interpretation of the Ancient Greek image of Hermes as a mythological figure with the image of Archangel Michael as a highly revered Orthodox saint in modern Macedonian society. The goal of this research is to show the similarities and the differences between these two characters and how these images are understood today in modern society.

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in

solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

'Morgan the Travel' is an autobiographical travel memoir tracing over 50 years of globetrotting, much of the time as a Tour Manager escorting groups of adventurous souls around the world. The anecdotes related reflect the myriad of adventures, cultures and colourful people who have crossed Ron's path and enriched his knowledge and life.

Celebrate Today is a guided journal that provides a reason to revel every day of the year. It is inspired by the National Day Calendar, a compilation of appreciation days for everything from pizza to popsicles. Beginning in January and ending in December, each page is dedicated to trying something new, enjoying the little things, and feeling a sense of accomplishment by marking the passage of time in a journal. For example, March 5 is "Learn What Your Name Means Day," so do a little research into your moniker and then write an acrostic poem based on its letters. Some days involve performing good deeds, others require eating a donut, and a few recommend a little soul searching. Illustrated by Hello!Lucky, a trendsetting design studio, the entire Celebrate Today collection includes a dot-gridded journal, a paperback notebook, and a book of stickers designed for decorating a planner.

This book examines everyday borders in the UK and Calais as sites of ethical political struggle between segregation and solidarity. In an age of mobility, borders appear to be everywhere. Encountered more and more in our everyday lives, borders locally enact global divisions and inequalities of power, wealth, and identity. Critically examining everyday borders in the UK and Calais, Tyerman shows them to be sites of ethical political struggle. From the Calais 'jungle' to the UK's 'hostile environment', it shows how borders are carried out through practices of everyday segregation that make life for some but not others unliveable. At the same time, it reveals the practices of everyday solidarity with which people on the move confront these segregating borders. This book sheds light on the complex ways borders entrench themselves in our lives, the complicity of ordinary people in their enactment, and the seductive power they continue to assert over our political imaginations. Of general interest to scholars and students working on issues of migration, borders, citizenship, and security in international politics, sociology, and philosophy this book will also appeal to practitioners in areas of migrant rights, asylum advocacy, anti-detention or deportation campaigning, human rights, direct democracy, and community organising.

*"...laugh out loud moments on nearly every page..." "...had me laughing from beginning to end..."  
"...loved the book - funny and engaging..." "...read it, love it, recommend it..." George Mahood had a nice, easy, comfortable life. He had a job, a house, a wife and kids. But something was missing. He was stuck in a routine of working, changing nappies and cleaning up cat sick. He felt like he was missing out on a lot of what the world had to offer. He then discovered that it was Bubble Wrap Appreciation Day. The day after that was National Curmudgeon Day, and the day after that was Inane Answering Machine Message Day. In fact, the calendar is FULL of these quirky, weird and*

*wonderful events. He realised that somebody somewhere had created these holidays, believing that they were important enough to warrant their own official day. Surely he should therefore be more appreciative of their existence? So he decided to try and celebrate them all. As you do. He hoped that at the end of the challenge he would be transformed into a happier, more intelligent and more content person. Follow George on his hilarious, life changing adventure as he tries to balance his normal life with a wealth of new experiences, people, facts and ridiculous situations. It's a rip-roaring, life-affirming, roller-coaster of a ride, where every day is a holiday.*

*Have you ever had a stranger pay for your dinner? Or buy you new shoes? Fill your tank with gas? Supply food for your child? Has a stranger ever blessed you financially and let you know that Jesus loves you on one of your darkest days? What a blessing that is! But the greater blessing is to be that stranger who pays it forward while being led by God. In *Twenty Bucks and Some Change*, author Kathy L. Pierce shares a collection of uplifting pay-it-forward stories, where just a small contribution of time, effort, and a little spare change turned into opportunities for witnessing the amazing presence of God in our everyday lives. Whether its offering someone a thoughtful memento, caring for a person in need, or sharing the gospel message of Christ with someone in spiritual darkness, these stories show both the simple and profound ways in which we can all see each other as special, just as God sees us. It is better to give than to receive, and *Twenty Bucks and Some Change* can inspire you to let your light shine and change lives through Gods blessings. The more you give, the more you will want to give and the more God will enable you to give.*

Originally known as a brand for greeting cards, Hallmark has seen a surge in popularity since the early 2010s for its made-for-TV movies and television channels: the Hallmark Channel and its spinoffs, Hallmark Movie Channel (now Hallmark Movies & Mysteries) and Hallmark Drama. Hallmark's brand of comforting, often sentimental content includes standalone movies, period and contemporary television series, and mystery film series that center on strong, intuitive female leads. By creating reliable and consistent content, Hallmark offers people a calming retreat from the real world. This collection of new essays strives to fill the void in academic attention surrounding Hallmark. From the plethora of Christmas movies that are released each year to the successful faith-based scripted programming and popular cozy mysteries that air every week, there is a wealth of material to be explored. Specifically, this book explores the network's problematic relationship with race, the dominance of Christianity and heteronormativity, the significance placed on nostalgia, and the hiring and re-hiring of a group of women who thrived as child stars. Each daily devotion is based on a historical happening, intriguing invention, or offbeat holiday associated with that calendar day. Special activities, Bible verses, and additional fun facts help to give every day of the year its own unique trivia twist.

(Piano/Vocal/Guitar Songbook). This collection features over 20 popular modern Christmas songs by today's top artists, including: Christmas Lights (Coldplay) \* Christmas Saves the Year (Twenty One Pilots) \* Christmas Tree Farm (Taylor Swift) \* Cozy Little Christmas (Katy Perry) \* Everyday Is Christmas (Sia) \* Glittery (Kacey Musgraves) \* Hallelujah (Carrie Underwood & John Legend) \* He Shall Reign Forevermore (Chris Tomlin) \* I Need You Christmas (Jonas Brothers) \* Light of the World (Lauren Daigle) \* Mistletoe (Justin Bieber) \* Santa Tell Me (Ariana Grande) \* Underneath the Tree (Kelly Clarkson) \* and more.

*A “necessary and brilliant” (NPR) exploration of our cultural fascination with true crime told through four “enthraling” (The New York Times Book Review) narratives of obsession. In Savage Appetites, Rachel Monroe links four criminal roles—Detective, Victim, Defender, and Killer—to four true stories about women driven by obsession. From a frustrated and brilliant heiress crafting crime-scene dollhouses to a young woman who became part of a Manson victim’s family, from a landscape architect in love with a convicted murderer to a Columbine fangirl who planned her own mass shooting, these women are alternately mesmerizing, horrifying, and sympathetic. A revealing study of women’s complicated relationship with true crime and the fear and desire it can inspire, together these stories provide a window into why many women are drawn to crime narratives—even as they also recoil from them. Monroe uses these four cases to trace the history of American crime through the growth of forensic science, the evolving role of victims, the Satanic Panic, the rise of online detectives, and the long shadow of the Columbine shooting. Combining personal narrative, reportage, and a sociological examination of violence and media in the 20th and 21st centuries, Savage Appetites is a “corrective to the genre it interrogates” (The New Statesman), scrupulously exploring empathy, justice, and the persistent appeal of crime.*

*The mass protests that greeted attempts to open the 1893 Chicago World's Fair on a Sunday seem almost comical today in an era of seven-day convenience and twenty-four-hour shopping. But the issue of the meaning of Sunday is one that has historically given rise to a wide range of strong emotions and pitted a surprising variety of social, religious, and class interests against one another. Whether observed as a day for rest, or time-and-a-half, Sunday has always been a day apart in the American week.*

*Supplementing wide-ranging historical research with the reflections and experiences of ordinary individuals, Alexis McCrossen traces conflicts over the meaning of Sunday that have shaped the day in the United States since 1800. She investigates cultural phenomena such as blue laws and the Sunday newspaper, alongside representations of Sunday in the popular arts. Holy Day, Holiday attends to the history of religion, as well as the histories of labor, leisure, and domesticity.*

*To get the most out of life, especially in these fast times, you need to Slow Your Roll. Mindfulness coach Greg Graber shares his practical, no-nonsense techniques for mindful living. He has worked with people from all walks of life (from NBA coaches to soccer moms), and this book is as helpful as it is entertaining.*
