Eat your way to increased energy, balanced emotions, and an overall state of calm and relaxation. In Ayurvedic medicine there are said to be three main energies that affect our mind: • sattva, the state of contentment and calm; • rajas, the state of reactivity and excitability; and • tamas, the dull, slow, and stagnant state of mind. The good news is that there are direct ways of bringing these states into balance through what we eat. The recipes in this book are simple, seasonal, and delicious, while bringing the traditional foods of Ayurveda into the modern kitchen. *Everyday Ayurveda Cooking for a Calm, Clear Mind* uncovers the true potential of food to heal not only

Whether you've never picked up a knife or you're an accomplished chef, there are only four basic factors that determine how good your food will taste. Salt, Fat, Acid, and Heat are the four cardinal directions of cooking, and they will guide you as you choose which ingredients to use and how to cook them, and they will tell you why last minute adjustments will ensure that food tastes exactly as it should.

This book will change the way you think about cooking and eating, and

help you find your bearings in any kitchen, with any ingredients, while cooking any meal. --

In the companion book to his final PBS series, the world-renowned chef shows his close relationship to the land and sea as he cooks for close friends and family. Jacques Pépin *Heart & Soul in the Kitchen* is an intimate look at the celebrity chef and the food he cooks at home with family and friends--200 recipes in all. There are the simple dinners Jacques prepares for his wife, like the world's best burgers (the secret is ground brisket). There are elegant dinners for small gatherings, with tantalizing starters like Camembert cheese with a pistachio crust and desserts like little foolproof chocolate soufflés. And there are the dishes for

backyard parties, including grilled chicken tenderloin in an Argentinean chimichurri sauce. Spiced with reminiscences and stories, this book reveals the unorthodox philosophy of the man who taught millions how to cook, revealing his frank views on molecular gastronomy, the locovore movement, Julia Child and James Beard, on how to raise a child who will eat almost anything, and much, much more. For both longtime fans of Jacques and those who are discovering him for the first time, this is a must-have cookbook. The #1 Mediterranean Cookbook, with more than 375,000 copies sold, is now available in a beautiful special-edition hardcover.
