2018-2019 2-Year Pocket Planner; Unicorns Are Real

"Spectacular."—NPR • "Uproariously funny."—The Boston Globe • "An artistic triumph."—San Francisco Chronicle • "A novel in which comedy and pathos are exquisitely balanced."—The Washington Post • "Shteyngart's best book."—The Seattle Times The bestselling author of *Super Sad True Love Story* returns with a biting, brilliant, emotionally resonant novel very much of our times. NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY SAN FRANCISCO CHRONICLE AND MAUREEN CORRIGAN, NPR'S FRESH AIR AND NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • NPR • The Washington Post • O: The Oprah Magazine • Mother Jones • Glamour • Library Journal • Kirkus Reviews • Newsday • Pamela Paul, KQED • Financial Times • The Globe and Mail Narcissistic, hilariously self-deluded, and divorced from the real world as most of us know it, hedge-fund manager Barry Cohen oversees \$2.4 billion in assets. Deeply stressed by an SEC investigation and by his three-year-old son's diagnosis of autism, he flees New York on a Greyhound bus in search of a simpler, more romantic life with his old college sweetheart. Meanwhile, his super-smart wife, Seema—a driven first-generation American who craved the picture-perfect life that comes with wealth—has her own demons to face. How these two flawed characters navigate the Shteyngartian chaos of their own making is at the heart of this piercing exploration, a poignant tale of familial longing and an unsentimental ode to America. **LONGLISTED FOR THE CARNEGIE MEDAL FOR EXCELLENCE IN FICTION** "The fuel and oxygen of immigrant literature—movement, exile, nostalgia, cultural disorientation—are what fire the pistons of this trenchant and panoramic novel. . . . [It is] a novel so pungent, so frisky and so intent on probing the dissonances and delusions—both individual and collective—that grip this strange land getting stranger."—The New York Times Book Review "Shteyngart, perhaps more than any American writer of his generation, is a natural. He is light, stinging,

insolent and melancholy. . . . The wit and the immigrant's sense of heartbreak—he was born in Russia—just seem to pour from him. The idea of riding along behind Shteyngart as he glides across America in the early age of Trump is a propitious one. He doesn't disappoint."—The New York Times

A familiar sight on the Thames at London Bridge, HMS Belfast is a Royal Navy light cruiser, launched in March 1938. Belfast was part of the British naval blockade against Germany and from November 1942 escorted Arctic convoys to the Soviet Union and assisted in the destruction of the German warship Scharnhorst. In June 1944 Belfast supported the Normandy landings and in 1945 was redeployed to the British Pacific Fleet. After the war she saw action in the Korean War and a number of other overseas actions. She has been part of the Imperial War Museum since 1978, with 250,000 visitors annually. This fascinating book comprises a series of documents that give information on the building of the ship, her wartime service history and life on board.

Get ready to party—the goats are back in town! Get to know all your farmyard friends from the wildly popular Instagram account, with Goats of Anarchy. Based on the Instagram account of the same name, Goats of Anarchy takes you on a tour of animal rescue guru and full-time goat mama Leanne Lauricella's goat rescue farm. This is where special-needs goats can heal, grow, and butt heads to their hearts' content. Join Pocket, Ella, Chibs, Lyla, Prospect and Polly--the goat who took the Internet by storm with her adorable duck costume--as they rumble, snuggle, pig out, dress up, and even teach you a few goat yoga moves to loosen your haunches. You will love the beautiful color photographs throughout this bio filled book. Whether they're learning to walk or just romping around the farm, these horned and hooved heartbreakers will have you grinning ear to ear as they chew the scenery—literally!

#1 NEW YORK TIMES BESTSELLER • The author of *Small Great Things* returns with a powerful and provocative new novel about ordinary lives that intersect during a heart-stopping crisis. "Picoult at her fearless best . . . Timely, balanced and certain to inspire debate."—*The Washington Post* The warm fall day starts like any other at the Central women's reproductive health services clinic—its staff offering care to anyone who passes through its doors. Then, in late morning, a desperate and distraught gunman bursts in and opens fire, taking all inside hostage. After rushing to the scene, Hugh McElroy, a police hostage negotiator, sets up a perimeter and begins making a plan to communicate with the gunman. As his phone vibrates with incoming text messages he glances at it and, to his horror, finds out that his fifteen-year-old daughter, Wren, is inside the building. Wren is not alone. She will share the next and tensest few hours of her young life with a cast of unforgettable characters: A nurse who calms her own panic in order to save the life of a wounded woman. A doctor who does his work not in spite of his faith but because of it, and who will find that faith tested as never before. A pro-life protester who saves a patient, who now stands in the crosshairs of the same rage she herself has felt. A young woman who has come to terminate her pregnancy. And the disturbed individual who saves himself, vowing to be heard. Told in a daring and enthralling narrative structure that counts backward through the hours of the standoff, this is a story that traces its way through what brought each of these very different individuals to the same place on this fateful day. One of the most fearless writers of our time, Jodi Picoult tackles a complicated issue in this gripping and nuanced novel. How do we balance the rights of pregnant women with the rights of the unborn they carry? What does it mean to be a good parent? *A Spark of Light* will inspire debate, conversation . . . and, hopefully, understanding. Praise for *A Spark of Light* "This is Jodi Picoult at her best: tackling an emotional hot-button issue by putting a human face on it."—*People* "Told backward and hour by hour, Jodi Picoult's compelling narrative deftly explores controversial social issues."—*Us Weekly*

Alphabetical Tabs

The 2021 Lippincott Pocket Drug Guide for Nurses provides current, vital drug information "in a nutshell." This handy pocket guide by

Rebecca Tucker gives essential information on over 4,100 medications, including 48 generic drugs newly approved by the FDA, in an easy-access A-to-Z format. The “mini” drug monographs include generic and trade names, drug classes, pregnancy risk category and controlled substance schedule, “black box” warnings, indications & dosages, dose adjustments, adverse effects, drug interactions, nursing considerations, and patient teaching. A special section following the A-to-Z drugs provides essential Patient Safety information. Appendices cover topical and ophthalmic medications, laxatives, combination products, contraceptives, biological agents (vaccines), and more.

As a young child and adolescent, Marie Deveaux had endured much hardship. Bounced between foster families, she had been the subject of emotional and physical abuse. She managed to persevere and overcome her challenges, and today, she sits atop the world of fashion design. Her award-winning designs for celebrities and royalty have brought her fame and untold financial success. Seeing an opportunity to use her influence and wealth to help others, Marie embarks on a mission to help young women who have lost their way regain their lives. She’s hailed as a selfless philanthropist. However, she holds a dark secret that serves as the true motivation for her philanthropy. Her greed and need for settling a score take her down a ruthless path. Two young women participating in Marie’s recovery program become suspicious and suspect illegal activity as they compare notes during their stay at the posh recovery facility. There are too many coincidences that can’t be explained away. They seek out the help of news reporter Darla Bissett, the aunt of one of the young women. She smells a story that puts her life in peril as she pursues her investigation. An unlikely introduction to a friend of a friend sets the stage for the unraveling of Marie’s plans. A strong bond develops between Marie and her new friend, eventually leading to a business relationship with her dark empire. Discovering the staggering depth of the evil, the friend finds herself trapped and searches for a way out. Caught off guard by a call from the government, Marie senses a deception in the making. A battle of wits will determine who survives.

This little book of positivity features everyone's favorite mythical creature. Each adorably illustrated spread includes a funny or inspiring piece of advice, reminding you to follow your dreams, and always think unicorn. The perfect gift for a friend in need of a boost, this cute and covetable book is bound to spread smiles wherever it goes!
