

2018 Western Horse Calendar

In the late 1990s, a little bay horse with four white socks and a blaze was born. Dubbed Fergus, ” he has now traveled the world many times over by print, web, and satellite, inspired a line of merchandise featuring his visage, and gained a fervently devoted following in the hundreds-of-thousands on Facebook and through other social media outlets. Who is this horse and how can we explain his magnetism? What breed does he represent and at which sport does he excel? What makes him so special? Fergus the Horse (Equus hilarious) is the creation of artist Jean Abernethy, and the truth is, he is not meant to represent a particular breed, nor does he pursue one specific equestrian discipline. Perhaps it is this generic quality of every man or woman's horse ” that has led to his immense popularity. When fans write, Fergus reminds me of my horse,' I cannot be paid a higher compliment, ” says Abernethy. But while his familiarity may woo us, it is most likely his expressiveness, honesty, charm, and of course that keen sense of humor that wins our hearts. Now, in recognition of Fergus' growing fan club, Abernethy has brought together the backstory of Fergus the Horse how he came to be, his early years, the history of his friends ” and support characters and combined them with his greatest hits, ” including the most-loved comic strips and cartoon moments, some rarely seen sketches, and brand new additions created exclusively for this book. The result is a lively, colorful, highly illustrated treasury that will entertain anyone with an eye for a horse and a need for a laugh.

Pulitzer Prize Finalist: “ Something like Huckleberry Finn written by Cormac McCarthy: an adventure story as well as a meditation on the meaning of home. ” —The Times Winner of the William Saroyan International Prize for Writing A Publishers Weekly Top Ten Book of the Year Finalist for the PEN/Faulkner Award for Fiction A young Swedish immigrant finds himself penniless and alone in California. The boy travels East in search of his brother, from whom he was separated in the crowds and chaos during their journey across the sea. Moving on foot against the great current of emigrants pushing West, he is driven back again and again, meeting naturalists, criminals, religious fanatics, swindlers, Indians, and lawmen—and his exploits turn him into a legend. Just as its hero pushes against the tide, this widely acclaimed novel defies genre conventions—and “ upends the romance and mythology of America ’ s Western experience and rugged individualism ” (Star Tribune). “ Suspenseful...a memorable immigration narrative, and a canny reinvention of the old-school western. ” —Publishers Weekly “ Exquisite: assured, moving, and masterful, as profound and precise an evocation of loneliness as any book I ’ ve ever read. ” —Lauren Groff, National Book Award-nominated author of Florida and Fates and Furies

A latest edition of a popular guide features updated and expanded entries in nearly 50 categories and incorporates new

material for topics ranging from atheism and discoveries to beer and digital media.

Get thousands of facts at your fingertips with this essential resource. The World Almanac® and Book of Facts is America's best-selling reference book of all time, with more than 82 million copies sold. For more than 150 years, this compendium of information has been the authoritative source for all your entertainment, reference, and learning needs. Expert Tips for a Lifetime Journey

Welcome to tha Boss Dogg's Kitchen The first cookbook and recipe book from Tha Dogg: You've seen Snoop work his culinary magic on VH1's Emmy-nominated Martha and Snoop's Potluck Dinner Party, and now, Tha Dogg's up in your kitchen...with his first cookbook. Recipe book that delivers 50 recipes straight from Snoop's own collection: Snoop's cookbook features OG staples like Baked Mac & Cheese and Fried Bologna Sandwiches with Chips, and new takes on classic weeknight faves like Soft Flour Tacos and Easy Orange Chicken. And it don't stop...Snoop's giving a taste of the high life with remixes on upper echelon fare such as Lobster Thermidor and Filet Mignon. But we gotta keep it G with those favorite munchies too, ya know? From chewy Starbursts to those glorious Frito BBQ Twists, you should have an arsenal of snacks that'll satisfy. And of course, no party is complete without that Gin and Juice and other platinum ways to entertain. If you're a fan of celebrity cookbooks such as Bob's Burgers, Magnolia Table Cookbook, Margaritaville cookbook, or the Gilmore Girls Eat Like a Gilmore; the Doggfather's got you covered – complete with epic stories and behind-the-scenes photos that bring his masterpieces to life.

It's another new year celebrating everything under the Sun, including the Moon, with The Old Farmer's Almanac, America's oldest continuously published periodical! Always timely, topical, and distinctively "useful, with a pleasant degree of humor," the Almanac has been beloved for centuries by people from all walks of life. As the nation's iconic calendar, the 2018 edition will mark the days, months, and seasons; preview astronomical events; and cover a range of related topics: trends, gardening, anniversaries, recipes, home remedies, pets, husbandry, folklore, amusement, contests, fishing, and more—too much more to mention—all in the inimitable

way it has done since 1792.

Since 1957, Chase's Calendar of Events lists everything worth knowing and celebrating for each day of the year: 12,500 holidays, national days, historical milestones, famous birthdays, festivals, sporting events and more. "One of the most impressive reference volumes in the world." Publishers Weekly

The equestrian pursuit known as Cowboy Dressage melds the best of Western riding traditions and classical dressage in the pursuit of a harmonious relationship with a horse. Intended to be accessible to all, Cowboy Dressage is open to all breeds and all levels of riders; there isn't a set frame for overall look, head carriage, or action. Lifelong horsewoman Jessica Black traces the evolution of Cowboy Dressage back to its roots, sharing the story of Eitan and Debbie Beth-Halachmy and their phenomenal Morgan horses that have served as the movement's ambassadors. Black then expertly weaves Eitan Beth-Halachmy's experience and expertise into an engaging and articulate explanation of the philosophy of Cowboy Dressage; defines the expectations of the rider; describes what a participant needs in terms of equipment; and explores how the most important element—the horse—should be prepared. A wonderful and thorough section on groundwork, as well as specific training advice for achieving engagement, regulating the gaits, smoothing transitions, and balancing bend and straightness, get the reader started with a solid foundation. Specific descriptions of the Cowboy Dressage tests are provided, with additional tools for those interested in competition, including rules, divisions, and how to execute and judge tests.

"The Oxford English Dictionary of holidays." NPR's Planet Money.

Joe De Yong: A Life in the West is the story of a life well lived in the America West of the first part of the last century. Born in 1894 in Webster Groves, Missouri, a suburb of St. Louis, De Yong had an immediate attraction to the cowboy way of life and when he was not at school he would help out a local ranches. If he wasn't riding he was sketching the subjects he loved the most - cowboys and horses. At 13 years of age, he started working a local ranch when he heard a movie was being made in the area and they need cowboys. He jumped at the chance and met the silent-screens ultimate cowboy of the day, Tom Mix. Joe was hit with the idea of acting in moving pictures and followed the film company to Arizona in 1913. Somehow he came down with what was called at the time -cerebro meningitis- which would leave him totally deaf. Undeterred and further focused on his love of the cowboy ways, De Yong recouped by traveling the West and ultimately took in an exhibit of the works of the renowned artist, Charles M. Russell. The exhibit stopped young Joe in his tracks and he started writing to Russell resulting in Joe's opportunity to move to Great Falls, Montana in late 1914 to work with Russell in his studio. De Yong would be the first and only protégé of Russell's staying with he and his wife Nancy Russell until CM Russell's death in 1926. De Yong moved to Santa Barbara, CA just before Russell's death at the urging of their mutual friend, the artist Edward Borein. Borein would introduce De Yong to people in his circle that led to a meeting with

film producer Cecil B. DeMille. De Yong would go on to a diverse career in the movie business, writing and creating artwork until his death in 1975.

Horse-Racing in Global-Historical Perspective

Images of working cowhands and their horses loom large in the mind's eye of many who love the American West. Those same images form the heart and soul of this lavishly illustrated book, which captures the viewpoints, values, and observations of twenty-four respected contemporary artists. The artists' own words illuminate the painting, sculpture, photography, and drawings of these award-winning, supremely creative individuals, allowing readers a glimpse into their creative processes. As Heidi Brady and Scott White demonstrate, these Western artists came to their work in a wide variety of ways. Some are studio-trained and learned to portray horses through formal classes; others simply began creating art on their own, learning through visual and tactile study of the horses they worked with each day. The two dozen artists profiled here include ranch owners, working hands, professional photographers, rodeo cowboys, art instructors, graphic designers, a saddle maker, and a former predator hunter. Readers will delight in these remarkable paintings, drawings, photographs, and sculptures depicting the freedom and spirit of the American West.

The desire to preserve to future ages the memory of past achievements is a universal human instinct, as witness the clay tablets of old Chaldea, the hieroglyphs of the obelisks, our countless thousands of manuscripts and printed volumes, and the gossiping old story-teller of the village or the backwoods cabin. The reliability of the record depends chiefly on the truthfulness of the recorder and the adequacy of the method employed. In Asia, the cradle of civilization, authentic history goes back thousands of years; in Europe the record begins much later, while in America the aboriginal narrative, which may be considered as fairly authentic, is all comprised within a thousand years. The peculiar and elaborate systems by means of which the more cultivated ancient nations of the south recorded their histories are too well known to students to need more than a passing notice here. It was known that our own tribes had various ways of depicting their mythology, their totems, or isolated facts in the life of the

individual or nation, but it is only within a few years that it was even suspected that they could have anything like continuous historical records, even in embryo. The fact is now established, however, that pictographic records covering periods of from sixty to perhaps two hundred years or more do, or did, exist among several tribes, and it is entirely probable that every leading mother tribe had such a record of its origin and wanderings, the pictured narrative being compiled by the priests and preserved with sacred care through all the shifting vicissitudes of savage life until lost or destroyed in the ruin that overwhelmed the native governments at the coming of the white man. Several such histories are now known, and as the aboriginal field is still but partially explored, others may yet come to light.

Get thousands of facts right at your fingertips with this updated resource. The World Almanac® and Book of Facts is America's top-selling reference book of all time, with more than 82 million copies sold. Published annually since 1868, this compendium of information is the authoritative source for all your entertainment, reference, and learning needs. The 2014 edition of The World Almanac reviews the events of 2013 and will be your go-to source for any questions on any topic in the upcoming year. World Almanac and Book of Facts 2014

Cowboy Dressage

This book surveys the practice of horse racing from antiquity to the modern period, and in this way offers a selective global history. Unlike previous histories of horse racing, which generally make claims about the exclusiveness of modern sport and therefore diminish the importance of premodern physical contests, the

contributors to this book approach racing as a deep history of diachronically comparable practices, discourses, and perceptions centered around the competitive staging of equine speed. In order to compare horse racing cultures from completely different epochs and regions, the authors respond to a series of core issues which serve as structural comparative parameters. These key issues include the spatial and architectural framework of races; their organization; victory prizes; symbolic representations of victories and victors; and the social range and identities of the participants. The evidence of these competitions is interpreted in its distinct historical contexts and with regard to specific cultural conditions that shaped the respective relationship between owners, riders, and horses on the global racetracks of pre-modernity and modernity. The chapters in this book were originally published as a special issue of The International Journal of the History of Sport. The Reeds Eastern Almanac covers the UK east coast from Ramsgate to Cape Wrath including the Shetland and Orkney Islands, and from Newport to Delfzijl and Helgoland. It is the complete guide for North Sea mariners, offering ready access to essential navigation information by virtue of its clear layout and user friendly format. Completely updated for 2018, topics include seamanship, pilotage, tide tables, safety procedures, navigation tips, radio, lights, waypoints, weather forecast information around UK and European waters, communications, Mayday and distress procedures. The spiral binding allows the Almanac to be opened flat on the chart table and the large type and clear layout makes information easy to read even in adverse conditions. This handy volume is ideal for anyone cruising the North Sea. Includes a free Reeds Marina Guide. Also available: free supplements of up-to-date navigation changes from January to June at: www.reedsnauticalalmanac.co.uk 'There are some things I would not go to sea without - Reeds is one of them.'

Sir Chay Blyth

What s the difference between a horseback rider and a horseman? Simply put, it s the little things, according to accomplished horseman Richard Winters. Most riders know enough basic skills to stay in their saddles, and that s enough for many. Other riders are future horsemen and -women in training, constantly striving to improve their horsemanship skills. With only four pages per chapter, From Rider to Horseman is designed as a user-friendly reference. Want to manage your reins well or improve your horse s stop? Simply turn to the appropriate chapter. Each brief essay with color photographs is designed for a quick read before you go to the barn. Make the most of your riding time and enjoy your journey from rider to horseman."

Platinum Recipes from Tha Boss Dogg's Kitchen

This book is the story of a wild stallion named Blue Zeus, who lived in the Red Desert of Wyoming. Carol Walker, a wild horse photographer followed he and his family in the wild for years. In October of 2020 he was rounded up with helicopters and removed from his home and his family. A year later he is reunited with his family at Skydog Sanctuary.

Horse Speak is not a training method or technique—it is a practical system for “listening” and “talking” to horses in their language, instead of expecting them to comprehend ours. Horse Speak can be used by anyone who works with horses, whether riding instructor, colt starter, recreational rider, or avid competitor. It promises improved understanding of what a horse is telling you, and provides simple replies you can use to tell him that you “hear” him, you “get it,” and you have ideas you want to share with him, too. The result? Time with your horse will be full of what horse trainer and equine-assisted learning instructor Sharon Wilsie of Wilsie Way Horsemanship calls Conversations, and soon the all-too-common misunderstandings that occur between horse and human will evolve into civil discussions with positive and progressive results! Learn Horse Speak in 12 easy steps; understand equine communication via breath and body language; and discover the Four Gs of Horse Speak: Greeting, Going Somewhere, Grooming, and Gone. Practice regulating your intensity, and sample dozens of ready-made Conversations with your horse, as step-by-step templates and instructional color photographs walk you through the eye-opening process of communicating on a whole new level.

Horse Speak: An Equine-Human Translation Guide

Joe de Yong

Total Loss Farm in Guilford, Vermont, was and is a wordy place. Its hilly acres and flimsy buildings provided a refuge from a riven country, a place to grow paragraphs and stanzas, among the tilled rows of the market garden. Peter Gould's first novel Burnt Toast was a youthful exploration of this mythic turf. Peter left the farm to pursue love and work. In Horse-Drawn Yogurt, Peter returns to offer his take on how we lived in times that seem exotic, yet oddly familiar, in this second edition, with three new stories and an introduction by Vermont author Bill Schubart. Gould is eloquent, whimsical, critical, musical, magical, and tender. The new stories in this second edition are gems with additional line drawings by the author.

Lesser Feasts and Fasts has not been updated since 2006. This new edition, adopted at the 79th General Convention (resolution A065), fills that need. Biographies and collects associated with those included within the volume have been updated; a deliberate effort has been made to more closely balance the men and women represented within its pages.

The relationship between horses and humans is an ancient, profound and complex one. For millennia horses provided the strength and speed that humans lacked. How we travelled, farmed and fought was dictated by the needs of this extraordinary animal. They were sculpted, painted, cherished, admired; they were thrashed, abused and exposed to terrible danger. And then, suddenly, in the 20th century the links were broken and the millions of horses that shared our existence almost vanished. Farewell to the Horse is an engaging, brilliantly written and moving discussion of the endlessly various creature who has so often shared and shaped our fate.

*Would you like to enable your horse to perform and feel better, to overcome old limitations and restrictions and reach its full potential? In this book, Jim Masterson, Equine Massage Therapist for the 2006 and 2008 and 2010 USET Endurance Teams, and for equine clientele competing in FEI World Cup, Pan American and World Games competitions, teaches a unique method of equine bodywork, in which the practitioner recognizes and follows the responses of the horse to touch to release tension in key junctions of the body that most affect performance. This practical book: * has step-by-step instructions, photographs and illustrations * is ideally suited to accompany you to the barn, where you will practice the Masterson Method® techniques on horses. * includes chapters with Tips & Techniques, anatomical explanations and examples from Jim's practice help deepen your understanding. * has a "quick reference" section will point you to exercises that are specifically suited to your particular discipline, may it be dressage, endurance, eventing or barrel racing, or others in the vast realm of horse sports. By using these techniques, and knowing the responses to look for, you are able to: * achieve a release of accumulated stress in deep-seated key junctions of the horse's body that affects mobility, comfort, attitude, training and performance * restore muscular and structural balance, and natural alignment * enable your horse to perform optimally and respond to your training without stiffness and pain * achieve new levels of communication and trust with your horse that spill over into other areas of interaction.*

"Light-Horse Harry blazes across the pages of Ryan Cole's narrative like a meteor—and his final crash is as destructive. Cole writes with care, sympathy, and where necessary, sternness. This book is a great, and sometimes harrowing read." —Richard Brookh

editor at National Review and author of *Founding Father: Rediscovering George Washington Who was "Light-Horse Harry" Lee* Revolutionary War hero. Quintessential Virginia cavalryman. George Washington's trusted subordinate and immortal eulogist. Lee's beloved father. Founding father who shepherded the Constitution through the Virginia Ratifying Convention. But Light-Horse Harry Lee was also a con man. A beachcomber. Imprisoned for debt. Caught up in sordid squabbles over squalid land deals. Maimed by an angry political mob. Light-Horse Harry Lee's life was tragic, glorious, and dramatic, but perhaps because of its sad, ignominious conclusion historians have rarely given him his due—until now. Now historian Ryan Cole presents this soldier and statesman of the founding generation with all the vim and vigor that typified Lee himself. Scouring hundreds of contemporary documents and poring over the way into Lee's life, political philosophy, and character, Cole gives us the most intimate picture to date of this greatly awed but undervalued talented man whose influence has reverberated from the founding of the United States to the present day.

Presents the history, geography, government, economy, environment, religion, people, and social life and customs of China. The United Nations declared the year 2002 as "The Year of the Mountains" and encouraged countries all over the world to hold environmental conferences regarding the conservation of mountains. The Conference for the Caribbean and the Americas was held in Cuba, and Clyde Butcher was invited to photograph the mountains of Cuba for the conference. He spent three weeks photographing the Sierra Maestra of the east coast to the mogote region of the west coast--rain forests, waterfalls, and cliffs that drop to the ocean. The beauty and majesty of Cuba's natural landscape are captured in his intimate compositions, their focus on shape and color, horizon and the sky.

The Reeds Western Almanac covers the coastline from Cape Wrath to Padstow as well as the whole of Ireland, and is ideal for anyone lucky enough to cruise and race in the superb waters off the coast of Western Scotland, Ireland or Western England. It offers essential navigation information by virtue of its clear layout and user friendly format. Completely updated for 2018, topics include seamanship, pilotage, tide tables, safety procedures, navigation tips, radio, lights, waypoints, weather forecast information, communication, Mayday and distress procedures. The spiral binding allows the Almanac to be opened flat on the chart table and the large type layout makes information easy to read even in adverse conditions. It is the complete guide for both Irish and Scottish mariners and those cruising the UK west coast. Includes a free Reeds Marina Guide. Also available: free supplements of up-to-date navigation information from January to June at: www.reedsnauticalalmanac.co.uk 'There are some things I would not go to sea without - Reeds is one of them' Chay Blyth
