***Speaking in a Second Language
Sing a Song***

For millions of individuals all over the world, speaking in a second language is a daily activity. It is therefore important that research in applied linguistics should

File Type PDF 2nd Grade Study
Guide Lesson 3 Henry And

contribute empirically to the study of second language spoken interaction. The aim of this volume is to make such a contribution by providing research-based insights into current approaches to the

File Type PDF 2nd Grade Study Guide Lesson 3 Henry And Mudge

teaching and learning of this skill. Two key dimensions define the papers included here – their novelty and scope. First, the book provides a novel approach to the study of speaking in a second language by combining

File Type PDF 2nd Grade Study

recent findings in usage-based linguistics with current issues in teaching. Second, the chapters cover a range of theoretical perspectives, including sociolinguistic and interactional competence, gestures, dynamic
