Prep New York is the only test preparation company to fuse content and strategy-based learning with holistic stress reduction, memory improvement, and confidence building techniques. "The Full Potential section in this book is a welcome guide for those who want to go beyond just studying hard: it addresses all the psychological and emotional processes involved in test-taking. Students of Sapir's holistic approach have enjoyed success in New York City for years. Now others can learn about and incorporate the valuable techniques described in this clear and easy-to-read guide. The techniques are effective and time-tested. Sapir and van Hoek have produced a winning book for those whose scores are compromised by test anxiety, as well as those striving for peak performance." -- Tom Akiva, PhD. Assistant Professor University of Pittsburgh School of Education "Bara Sapir's/TPNY's progressive test preparation technique is good for test-takers who want an edge when taking the test, as well as test-takers who require extra assistance. The model is effective because it teaches mediation of cognitive, academic, attentional, and emotional control. This book contains the necessary ingredients to succeed on the GMAT--it skillfully teaches the essential components of test taking through a clever blend of aggressiveness, logic, and relaxation. After practicing the techniques herein, the trepidatious test taker can expect to enter testing arenas with a greater confidence to achieve that may have alluded them in the past." -- Dr. Jason Smith, School and Clinical Psychologist "Full Potential GMAT Sentence Correction Intensive is by far and away the most advanced study aid available for the sentence correction section of the GMAT. We highly recommend this guide to all test takers seeking the 700+ scores the top business schools like to see." -- David Petersam, President, AdmissionsConsultants

A Step-By-Step Guide To Mastering The Skills Taught In America's Top Business Schools

ACE THE GMAT is based on a simple but powerful observation: Test-takers who score high on the GMAT exam do so primarily by understanding how to solve a finite number of the most important, recurring problems that appear on the GMAT. What are these important, recurring problems? The answer to this question is the basis of this book. This manual provides in-depth analysis of over 200 all-star problems that are key to mastering the seven major GMAT problem types including Problem Solving, Data Sufficiency, Sentence Correction, Critical Reasoning, Reading Comprehension, Analytical Writing, and Integrated Reasoning. Apart from providing readers with answers and full explanations, a special feature of this book is that each problem is categorized by type ("classification"), rated by difficulty level ("chili rating"), and supplemented with a problem-solving strategy ("snapshot"). "Chance favors the prepared mind." Whether you're a candidate already enrolled in a test-prep course or are undertaking self-study, this guidebook will serve as a rigorous skill-building study guide to help you conquer the math, verbal, analytical writing, and integrated reasoning sections of the exam. Studying for the math and verbal sections of the GMAT exam requires some 100 hours of study time. This book's content is conveniently divided into topics, which require two to three hours of study time per day. Total study time will vary between 80 to 120 hours for the entire 40 days. Solving (Official exam instructions for Problem Solving, Strategies and approaches, Review of basic math, Multiple-choice problems, Answers and explanations); Chapter 3 - Data Sufficiency (Official exam instructions for Data Sufficiency, Strategies and approaches, How are answers chosen in Data Sufficiency? How do the big seven numbers work? Multiple-choice problems, Answers and explanations); Chapter 4 - Sentence Correction (Official exam instructions for Sentence Correction, Strategies and approaches, Review of Sentence Correction, Multiple-choice problems, Answers and explanations); Chapter 5 - Critical Reasoning (Official exam instructions for Critical Reasoning, Strategies and approaches, Review of Critical Reasoning, Multiple-choice problems, Answers and explanations); Chapter 6 - Reading Comprehension (Official exam instructions for Reading Comprehension, Strategies and approaches, Review of Reading Comprehension, Answers and explanations); Chapter 7 - Analytical Writing Workshop (Official exam instructions for the Analytical Writing Assessment, Strategies and approaches, Review of Analytical Writing, Essay exercises, Outlines and proposed solutions); Chapter 8 - Integrated Reasoning Workshop (Official exam instructions for Integrated Reasoning, Strategies and approaches; Review of Integrated Reasoning with exercises, Answers and explanations); Appendix I - GMAT and MBA Informational Websites (Registering for the GMAT exam; MBA fairs & forums; MBA social networks; GMAT courses; Other GMAT & MBA websites; Information on business school rankings); Appendix II - Contact Information for the World's Leading Business Schools (U.S. business schools; Canadian business schools; European business schools; Australian business schools; Asia-Pacific business schools; Latin and South American business schools; South African business schools); Quiz - Answers; On a Personal Note; Praise for Ace the GMAT. "Finally, a book that helps you master those learning skills that are critical to success on the GMAT." -Linda B. Meehan, former Assistant Dean & Executive Director of Admissions, Columbia Business School

My name is George Sachs. I'm a clinical psychologist and expert in Adult ADD. I also have Adult ADD so much of what I teach comes from my own personal experience. I have experimented with many methods on the market with much trial and error. Lots of errors I was never satisfied with the books I read on Adult ADD - as the advice was hard to follow and was clearly not created by someone with ADD. The tools, tips and techniques I developed for this 30 Day Online learning program have been field tested by me, and my clients. With great success. Why did I call it the 30 Day Solution? Of course you can't cure Adult ADD, and certainly not in thirty days. But in thirty days you will receive a roadmap to change. This program is just the beginning of a lifetime of learning about your unique symptoms. In thirty days you will learn what critical areas of your life need more attention. Many of my clients have tried medication, hoping for a miracle to cure their worst symptoms. The truth is medication can be effective for some, but most of my clients stop taking it because of the the side effects--and then where are they? No better off than when they first started. That is why I coach them that they need to learn tools and new techniques to better manage their life with Adult ADD. That is what this program does - offers 30 Days of holistic actionable advice that can be implemented immediately. With no negative side effects I believe in a holistic approach that starts with sleep, diet and exercise and includes emotional, relational and spiritual practices to truly overcome Adult ADD. This book deals with more than just tips to become more organized. We examine the impact of a life of untreated Adult ADD, and how that effects self-esteem, relationships and overall success. The key word is "overall." That is our holistic approach, because Adult ADD impacts all areas of one's life. How many times have you bought a paper date planner? hoping that this time you would actually use it I know that

the normal advice many so-called experts give to adults with ADD just don't work. Maybe because those experts don't have Adult ADD. Well I Do. So I know that the typical methods for organization and productivity don't always work for us adults with ADD. That is why I offer "work-arounds." These are field-tested tools, tips and techniques that work for adults with ADD and take into account the unique way that we approach life. I hope that you find the concepts I teach equally helpful and easy to understand. Adult ADD is challenging for oneself and loved ones, but with support and this program, you can overcome some of your worst symptoms and become the person you always knew you could be.

If you're planning to apply for an MBA program, you're required to take the Graduate Management Admission Test (GMAT). And you thought your days of sharpening number 2 pencils were over! How do you prepare for such a comprehensive test? Never fear. *GMAT For Dummies, Fifth Edition*, puts at your fingertips everything you need to know to conquer the GMAT. This highly readable, friendly guide makes the study process as painless as possible, providing you with complete math and grammar reviews and all the preparation you need to maximize your score and outsmart your competition. You'll discover how to: Understand the test's format. Bring the right stuff. Make educated guesses. Avoid the exam's pitfalls. Calm your nerves. Save time and beat the clock. This Fifth Edition is packed with plenty of updated practice questions so you can see just how the GMAT tests a particular concept. Our sample questions read just like the actual test questions, so you can get comfortable with the way the GMAT phrases questions and answer choices. You get plenty of tips on correctly answering the sentence correction, reading comprehension, and critical reading questions and tackling the analytical essays. There's also a comprehensive math review of everything from number types to standard deviation and expanded coverage of statistics and probability. Each section ends with a mini practice test to prepare you for the two full-length practice tests featured in this easy-to-digest guide. You'll see how to: Quickly eliminate incorrect answer choices. Read passages quickly and effectively. Break apart and analyze arguments. Write a well-organized, compelling essay. Tackle the data sufficiency math question type that only appears on the GMAT. Use relaxation techniques if you start to panic during the test. Complete with a scoring guide, explanatory answers, timesaving tips, math formulas you should memorize, and a list of writing errors to avoid, *GMAT For Dummies* is all you need to practice your skills, improve your score, and pass with flying colors.

*Please note: The long-awaited Edition 3 of "30 Day GMAT Success" is here. We took into account feedback from readers and professional reviewers to make "30 Day GMAT Success" even better for 2013. Just search "30 Day GMAT Success edition 3" to get your hands on the NEW edition. Struggling to find time to study for the GMAT? Brandon Wu's "30 Day GMAT Success" might be exactly the right remedy for you. Devised out of desperation and an impending admissions deadline, Brandon developed a highly effective strategy that aimed to: (A) achieve a high score in (B) a limited amount of time. What he discovered was genius - a simple way to create a self-tailored study plan that enabled him to achieve an incredible score of 780. That put him in the top 1% of all GMAT test-takers. Eliminate the need to over-study everything and learn way too many strategies. Study smart: cut down your workload, focus on your weakest spots, and create a plan just for you. What you will not find here is a repetition of practice questions. Practice questions are incredibly valuable and necessary, and there are fantastic books such as "The Official Guide for GMAT Review" published by the Graduate Management Admissions Council (GMAC). But how do you navigate the sea of information and seemingly endless questions? "30 Day GMAT Success" is the first and only book designed to supplement your current GMAT study. Supercharge your study today. New Added Features for Edition 2: - Expanded Verbal and Math sections to include even more detailed advice - More of 'Brandon's Tips' peppered throughout - personal advice that the author used himself on test day. - An easy-reference Math terminology section. - The Idiom cheat-sheet Brandon studied from. - More sample Verbal and Math questions to consolidate your understanding. - A bonus Mind & Body section to help you stay focused and motivated during the 30 days.
