A poignant, touching narrative about life in a simpler time and place is told in a stirring, unforgettable fashion. Follow the exploits of brothers Paul and Tommy and their friends as they share adventures growing up in the tranquil country. Tommy is the little brother with a big chip on his shoulder, and Paul -- older and wiser -- acts as peacemaker. Their carefree times are shattered, however, when the brothers disobey their father and allow his prize hunting dog to run away. How will they ever own up to what they have done? These stories entertain and provide an insight of growing up in small town, rural America in the 1950s. The tales are perfect for children and adults who want to spend time together with a 'doggone good' story.

The UK Pesticide Guide 2017 has 7 new active ingredient profiles. Two are confirmed as available in 2017 while 5 are currently only listed as Products also Registered (PARs). The two available are: - cyantraniliprole for insect control in headed brassicas - halauxifen-methyl +/- fluroxypyr for broad-leaved weed control in cereals. The five awaiting confirmation are: - buprofezin for insect control in protected Solonaceae - penhoxamid for weed control in grain maize and winter oilseed rape - Pepino Mosaic Virus for suppression of viral diseases in protected tomatoes - Pythium oligandrun M1 for disease control in spring barley, wheat and oilseed rape - Tembotrione for weed control in maize and sweetcorn. In addition, hazard precautions have been upgraded and the roll out of extended buffer zones, for some products, continues with many products re-approved under new MAPP numbers. There are also: - 7 new herbicide profiles - 4 in the main section and 3 as PARs - 8 new fungicide profiles - 6 in the main section and 2 as PARs - 1 new plant growth regulator (PGR) combination and 1 new molluscicide. In the main section of the Guide 8 herbicide profiles (tepraloxym approval expires 30/11/ 2016), 17 fungicides (including prochloraz), 4 insecticides and 1 PGR are no longer included.

The traditional rhyme is expanded to describe some of Humpty Dumpty's other mishaps.

*As novelist and poet Andrei Codrescu points out in the essay that accompanies this selection of photographs from the Getty Museum's collection, Evans's photographs are the work of an artist whose temperament was distinctly at odds with Beal's impassioned rhetoric. Evans's photographs of Cuba were made by a young, still maturing artist who - as Codrescu argues - was just beginning to combine his early, formalist aesthetic with the social concerns that would figure prominently in his later work."-Jacket.

Considered by many to be Lithuania's most important work of modernist fiction, this novel tells the story of Antanas Garsva, an emigre poet working as an elevator operator in a large New York hotel in the 1950s.

America Now makes it easy for you to bring brief, thought-provoking essays on contemporary topics into your classroom, with reliable pedagogy and an expert reader's knowledge of what works for students. As series editor for The Best American Essays, Robert Atwan constantly scours a wide range of publications, bringing to America Now an unrivaled focus on today's best writing. Instructors tell us that their students want to respond to the essays in the book, and they praise the high-quality reading and writing instruction, critical thinking and reading questions, and model student essays that help them do so. Over half of the readings in America Now are new to this edition and published since 2018, making it truly a book for today's composition course.

Every great dish has a center of gravity, a flavor or essence that pulls together other ingredients into a coherent and compelling whole. It's not necessarily the main ingredient but it is fundamentally what the dish is "about". Indian curry spices, fiery Thai chilis, lemony citrus, smoky barbecue rubs: these are all flavors we adore and get our taste buds asking for more. When we talk about wine or alcoholic drinks in any serious way, we talk about flavor too. Flavor is, quite simply, what makes us passionate about food and drink. At last, here is a cookbook that focuses on that fundamental concept. Organized around a dozen or more distinctive tastes, from spicy to citrus to salty to smoky to sweet to bitter and beyond, The Flavor Principle will feature more than 30 complete menus with complementary beverage pairings. Covering flavors from all over the world, this cookbook will be a journey around the globe. Modern and eclectic in approach, The Flavour Principle will appeal to a wide demographic of food and wine lovers. The publication of A Matter of Taste in 2005 set the tone for HarperCollins Canada's cookbook program; The Flavour Principle is meant not just as an update of that venerable publication, but will set a new bar for food and beverage pairing cookbooks.

Without revealing when the original was published, Copeland says he has incorporated subsequent events, and has clarified his argument that taking the wrong side of the slavery issue was not the Convention's only error, but merely its most pernicious. He continues to assert that the position not only contributes to ongoing racism, but also has possible effects on foreign missions, relations with American Baptists, responses to the ecumenical movement, the treatment of women, and attempts to enforce orthodoxy of belief. He was a Baptist missionary. Annotation copyrighted by
