**Journal: 365+ Writing Prompts, Ideas and Quotes to Cultivate Joy and Well-being** along with beautiful blank books, simple spiral notebooks or even legal pads can bring you a year or a lifetime of reflection and self-discovery. **Journal: 365+ Writing Prompts, Ideas and Quotes to Cultivate Joy and Well-being** offers close to 400 prompts alongside thoughtful or whimsical quotations as well as two bonus appendices of folk wisdom for writers, and writers on writing. A detailed introduction explains the benefits and value of journaling along with suggestions for daily writing practices. Many of the ideas in this book would be welcome as dinner table discussion material along with family sharing of gratitude, brags, desires and even vulnerabilities (just like in a journal). Set down your memories, experiences, gratitude, goals and achievements. Use your private journal time for your "brain dump." Scan and sweep your mind and don't forget to appreciate all the good around you. Vent your anger, exult in your accomplishments, savor your blessings. Write poetry, short stories, or letters to your younger or older self. Journal-keeping has a way of making things happen. It's a processing plant for projects in the future and challenges and annoyances from the past. Get the words in your heart out. Find clarity. Prioritize goals. If you absolutely insist you can even get digital and password-protected, but then you'll miss the fun of doodling, adding arrows and mind maps along with the romantic pen and paper connection. Begin this book any day of the year. Each day, read a quote and a new prompt and get comfortable with your few minutes of sweet private time away from the world. Journal in bed first thing in the morning, at the end of the day, or with your 4 pm tea break. Make it a new habit that becomes your gift to yourself. (You can skip a day now and then. No one's taking attendance.) Find additional strength and support by finding a trusted journal-reading partner or non-judgmental, small, intimate group with whom to share your writing. This could be a soul mastery group which could meet once a week or by Skype or however you develop it. **Journal: 365+ Writing Prompts**, is part of the kindle matchbook campaign. When you get the paperback first as a gift for a friend (or yourself) and you can then get the kindle version for free. Of course you can journal with only your simple blank notebook, but this book will give you a real push to sustain your writing along with some novel ideas for releasing that inner junk that's been looking for a way out. Go ahead, crack open that notebook and pick up that beloved pen you got as a present. Choose your favorite location and preferred time. WRITE one day at a time until you've found a new loving introspective behavior. ABOUT THE AUTHOR Judy Shafarman has been a teacher and workshop facilitator for many years in several countries. She has a B.A. in English and M.A. in education. Contact Judy@judyshafarman.net with your ideas and letters about your journal practice.

This book has been written with the fiction writer in mind. It teaches writers, through writing each day of the year on a subject of their choice, how to use description, narrative and character development. Each of the exercises is simple to follow and gives scope to the writer to follow their own style. Writers are encouraged to use their imagination to enjoy the challenge of writing stories on given topics. There is a good variety of subjects and much is speculative, thus leaving the writer free to tackle the story in the manner he/she wants, although one section does encourage the use of first person narrative. Through the different subjects, writers are encouraged to use adjectives and to close their eyes and imagine the characters of their stories, so that they can present them in full color and with atmosphere to readers. Throughout the book, different interests are covered and writers don't have to take the obvious route. We encourage writers to take it a step further and conjure up their own ideas and make these come to life on the page. As they progress, they will learn about how to incorporate: -Descriptions -Colors -Words that sound alike -Narrative -Atmospheres Since each page allows writers the space to write out their story in journal format, we would suggest that writers use a notebook to gather together ideas before writing, thus having a direction for the story. This is particularly relevant in Twist in the Tail stories which lead to a surprising conclusion. Fiction strategy includes the following elements: -Character development using familiar people as models for their characters -Twists and turns to surprise readers -Excitement and tense drama The writing prompts give writers sufficient information to be able to come up with stories and the angle that they approach their story writing from should always be left to the writer as an individual choice. The writing prompts help the writer to create atmosphere, tension and twists and turns in their plot construction, all of which are important to writers in the fiction area. The book also contains popular genres such as erotica, mystery and suspense, murder, romance and love and all of the styles that are currently being sought by publishing companies. It's a good idea to practice because this highlights a writer's strengths and weaknesses and will usually dictate the kind of genre that a writer will choose as his trademark to success.

Jam-packed with 365 "happiness prompters," this colorful journal is sure to brighten your day. Each page features a specific intention, inspiring quote, surprising scientific fact, or thought-provoking question to ponder. When you approach your day with Salmansohn's "happiness prompters" in mind, you amp up your ability to notice (and create ) many more joyous moments in your day. But that's just half of what it takes to live a supremely happy life. This journal teaches the top two habits of happy people: to naturally set their intention to enjoy a happy day, then end the day reflecting on what made them happy. When you end your day writing about what went right, you further strengthen your happiness mindset. With fill-in dates so that you can write and reflect at your own pace, this little journal features a graphic design and fresh attitude perfect for today's modern happiness-seeker.

Demi Lovato wakes up each morning and affirms her commitment to herself-to her health, her happiness, her being. Those commitments are the bedrock of her recovery and her work helping other young people dealing with the issues she lives with every single day. Demi is a platinum-selling recording artist whose latest album-DEMI-is already a smash hit. She's about to embark on her second season as a judge on X-Factor, and just launched The Lovato Treatment Scholarship Program. And she is an outspoken advocate for young people everywhere. Demi is also a young woman finding her way in the world. She has dealt deftly with her struggles in the face of public scrutiny, and she has always relied, not just on friends and family, but daily affirmations of her self-worth and value. Affirmations that steady her days and strengthen her resolve. Those affirmations have grown into STAYING STRONG, a powerful 365-day collection of Demi's most powerful, honest, and hopeful insights. Each day will provide the readers with a quote, a personal reflection and a goal. These are Demi's words. Words she lives by and shares with the people she loves and total strangers alike. They are a powerful testament to a young woman standing up and fighting back.

*From the team that brought you The Obstacle Is the Way and Ego Is the Enemy, a beautiful daily devotional of Stoic meditations—an instant Wall Street Journal and USA Today Bestseller. Why have history's greatest minds—from George Washington to Frederick the Great to Ralph Waldo Emerson, along with today's top performers from Super Bowl-winning football coaches to CEOs and celebrities—embraced the wisdom of the ancient Stoics? Because they realize that the most valuable wisdom is timeless and that philosophy is for living a better life, not a classroom exercise. The Daily Stoic offers 366 days of Stoic insights and exercises, featuring all-new translations from the Emperor Marcus Aurelius, the playwright Seneca, or slave-turned-philosopher Epictetus, as well as lesser-known luminaries like Zeno, Cleanthes, and Musonius Rufus. Every day of the year you'll find one of their pithy, powerful quotations, as well as historical anecdotes, provocative commentary, and a helpful glossary of Greek terms. By following these teachings over the course of a year (and, indeed, for years to come) you'll find the serenity, self-knowledge, and resilience you need to live well.*

**The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving—every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: • make time for new habits (even when life gets crazy); • overcome a lack of motivation and willpower; • design your environment to make success easier; • get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits—whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.**

**NEW YORK TIMES BESTSELLER** The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows. Deepen your creative identity and build a foundation for your best work in just a few minutes each day. As a creative, you probably spend a lot of time in your work, but how often do you take a step back to reflect on your work? In The Year of You for Creatives, you'll discover more about your creative identity, your motivation, your habits and routines, and the things that make your work work. Inside, you'll find 365 daily journaling prompts that guide you through different elements of your creative work so you can build a strong foundation, improve your craft, and develop a practice that works for you. Every month, you'll explore an important aspect of your creativity: ★ January: Creative Identity ★ February: Health and Self-Care ★ March: Working Environment ★ April: Time and Energy ★ May: Community and Support ★ June: Daily Routine ★ July: Mindset ★ August: The Past ★ September: Growth and Learning ★ October: Money ★ November: Life Outside Your Creative Work ★ December: Reflection and Planning Wherever you are on your creative journey and whatever your previous experience with journaling, this book offers a wealth of inspiration that will deepen your understanding of yourself and your creative work.
