these folks have? What was the common factor that made them a genius? And is possible for you to also be like them? Now what is a genius? ***Life Is So Daily! A 365 Day Walk With The Word
By Pastor Cecil A. Thompson In the 1970's I was
on the ministerial staff of a large church. At one
of our weekly staff meetings, the Senior Pastor
announced that he wanted to start daily
devotionals. Each staff member was to write
seven devotionals which would be printed and
distributed to the congregation each Sunday.
Unfortunately, the project only lasted a short
while because staff members complained that it

days. Thirty years later, September 15, 2000, I was pastoring a small congregation and requested the members email addresses. The number of responses surprised me so I sent them a short devotional message. Once again the response surprised me. They wanted me to send more! As I prayed about the commitment it would require on my part, the Lord prompted me to use this method to share His Word through my life experiences. The Daily E Votional was born. At the outset I sent out a new message seven days a week. Some of my spiritual counselors advised me to reduce it to five days a week or I

would not have the energy to sustain it. I listened and limited the E Votionals to five days a week. The other change I made was to shorten the messages. Can I let you in on a little secret? It is much easier to write much than to write little. I eventually tried to cut back to a single page and encapsulate the message within four paragraphs. I also discovered that people like stories, which reminded me that Jesus used stories as the basis for much of His teaching. He painted word pictures that allowed the people to visualize His message. I have had a very unique work history all the way from driving a milk

delivery truck, to jet aircraft mechanic, to police officer, to juvenile probation officer, to Air Force Personnel Officer, to Missile Launch Officer, to Nuclear Safety Officer, to Criminal Justice Planner and, through almost all of it, a preacher and teacher of God's Word. This book provides a full year of selected Daily E Votionals to assist you in making each day more meaningful in serving the Lord. My desire for each of us is that we will allow every situation in our life an opportunity to serve the Lord. May God bless you, Dear Hearts! Pastor Cecil

scout-master who wants the scouts to build a tower for exhibition purposes, he can do so by following the directions here given, but if there is real necessity for haste in the erection of this tower, of course we cannot build one as tall as we might where we have more time. With a small tower all the joints may be quickly lashed together with strong, heavy twine, rope, or even wire; and in the wilderness it will probably be necessary to bind the joints with pliable roots, or cordage made of bark or withes; but as this is not a book on woodcraft we will suppose that the reader has secured the proper material for fastening the joints of the frame of this signal-tower

and he must now shoulder his axe and go to the woods in order to secure the necessary timber. First let him cut eight straight polesÑthat is, as straight as he can find them. These poles should be about four and one half inches in diameter at their base and sixteen and one half feet long. After all the branches are trimmed off the poles, cut four more sticks each nine feet long and two and a half or three inches in diameter at the base; when these are trimmed into shape one will need twenty six or seven more stout sticks each four and one half feet long for braces and for flooring for the platform.

Rabbi Joseph Telushkin combed the Bible, the Talmud, and the whole spectrum of Judaism's sacred writings to give us a manual on how to lead a decent, kind, and honest life in a morally complicated world. "An absolutely superb book: the most practical, most comprehensive guide to Jewish values I know." -Rabbi Harold Kushner, author of *When Bad Things Happen to Good People* Telushkin speaks to the major ethical issues of our time, issues that have, of course, been around since

the beginning. He offers one or two pages a day of pithy, wise, and easily accessible teachings designed to be put into immediate practice. The range of the book is as broad as life itself: • The first trait to seek in a spouse (Day 17) • When, if ever, lying is permitted (Days 71-73) • Why acting cheerfully is a requirement, not a choice (Day 39) • What children don't owe their parents (Day 128) • Whether Jews should donate their organs (Day 290) • An effective but expensive technique for curbing your anger (Day 156)

- How to raise truthful children (Day 298)
 - What purchases are always forbidden (Day 3)
- In addition, Telushkin raises issues with ethical implications that may surprise you, such as the need to tip those whom you don't see (Day 109), the right thing to do when you hear an ambulance siren (Day 1), and why wasting time is a sin (Day 15). Whether he is telling us what Jewish tradition has to say about insider trading or about the relationship between employers and employees, he provides fresh inspiration

For decades, the popular One Year Bible has guided many believers on their annual journey through the Word of God. Now, a companion book joins the journey. Here is a daily devotional that offers spiritual insight into selected passages of Scripture assigned for every day of the year. In just minutes a day, you'll gain a deeper understanding of God's Word through inspirational stories and teachings linked to each day's Bible reading.

You'll draw closer to the Lord as your faith grows through this unique personal Bible study, one that fits into even the busiest schedule.

Many daily devotionals are in very small, bite-sized installments that you can read in three minutes or less. This may be very appropriate for people who are always on the go, and are doing so at God's leading. But such tiny tidbits, while they may be very good and very true, are still pretty small,

Access Free 365 Thoughts A Daily Guide To Uplift And Inspire Perpetual Calendar

and as such, have insufficient room to get very deep. As such, they are barely spiritual hors d'oeuvres, let alone a hearty spiritual meal of "strong meat." If you have a bit more time, this devotional is a good alternative. It goes into greater depth and breadth in the Scriptural support and elaboration. You may notice that the list of Scripture references at the bottom of each day's entry is longer than you have seen in other daily devotionals.

Access Free 365 Thoughts A Daily Guide To Uplift And Inspire Perpetual Calendar

This is deliberate: You'll be blessed if you read all the Scriptures for each day's devotional, even if two or three passages seem to say the same thing—when the Bible makes similar statements but expresses them slightly differently, the various nuances of meaning are significant and enlightening; they are not merely accidental. There is amazing depth in the Scriptures. . .

Finally, the book ends with an all-encompassing definition of success. This definition, like all of the success keywords before it, includes the previous concepts outlined in this book. Projects, known as Call-to-Action exercises, are located throughout the book as samples that can be used to supplement the success keywords. In essence, these exercises serve as written examples that allow the reader to work toward success.
