365 affirmations and reflections drawn from the inspirational work of Louise Hay. Queen of the New Age . . . A founder of the self-help movement . . . The closest thing to a living saint . . . Louise Hay was called all this and more, and her work inspired millions worldwide, but she never set herself up as a guru with all the answers. She urged every attendee at her workshops and conferences, every reader of her dozens of books, to remember that it is you who has the power to heal your life. She was just here to guide you on the path of remembering the truth of who you are: powerful, loving, and lovable. In honor of Louise's life, you now hold in your hands this compilation of her most inspiring teachings from her greatest works. Our hope is that the 366 entries within this book allow you to carry the wisdom of Louise with you each and every day, and inspire you to trust the process of Life. As Louise said: "Very simply, I believe that what we give out, we get back; we all contribute to, and are responsible for, the events that take place in our lives--both the good and the so-called bad. We create our experiences based on the words we say and the thoughts we think. When we create peace and harmony in our minds and think positive thoughts, we will attract positive experiences and like-minded people to us. In essence, what I'm saying is that what we believe about ourselves and about Life becomes true for us."

Tommy Newberry's message is simple, relevant, powerful, and timeless. In this New York Times bestseller, Newberry takes a single biblical principle and teaches us how one simple truth can magnify the joy we experience in our marriage, with our parenting, and in our life as a whole. Unfortunately, we live in a society bent on nursing old wounds and highlighting what is wrong with just about everything. As a result, we have grown accustomed to viewing the world, our lives, and ourselves through a lens of negativityand that negativity stands in direct contrast to the passionate, purpose-filled people God wants us to be. This is where The 4:8 Principle grabs our attention. First, the author skillfully persuades us to acknowledge the link between the thoughts we choose to think and the joy we experience. Next, he shows us how we can grow our potential for joy by refusing to dwell upon the problems and pressures that are enduring and inevitable. Finally, he challenges us to pay the price of joy by becoming extraordinarily picky about what we read, watch, and listen to on a consistent basis. The strength of the book, though, is in Newberry's ability to clearly explain how to put this principle into daily practice through a series of quick, easy and even fun adjustments. The 4:8 Principle is loaded with specific suggestions and helpful advice for going beyond the ordinary and experiencing life as it was meant to be.

The Perpetual Calendar of Inspiration

Inspirational Wisdom for Every Day in a Classic Daybook—"An excellent gift . . . A fine inspirational" (Midwest Book Review) During the last years of his life, Leo Tolstoy kept one book invariably on his desk, read and reread it to his family, and recommended it to all his friends: a compendium of wise thoughts gathered over the course of a decade from his wide-ranging readings in philosophy and religion, and from his own spiritual meditations. Thoughtful Wisdom for Every Day comprises Tolstoy's own most essential ideas about spirituality and what it is to live a good life. Designed to be a cycle of daily readings, this book offers thoughts and aphorisms for every day, following a succession of themes repeated each month—such as God, the soul, desire, faith, our passions, humility, inequality, evil, truth, happiness, and the blessings of love. Comforting, challenging, and inspiring, this is a spiritual treasure trove and a book of great warmth.

Throughout time, people have turned to goddesses as symbols of what they seek -- from abundance to healing, from protection to passion. Building on the resurgence of interest in the Divine Feminine, Julie Loar presents the qualities and origins of an international array of these deities, along with powerful suggestions for putting their attributes to practical use. In a daily-reflection format, she gracefully aligns the goddesses with the cycles of nature and the signs of the zodiac. If you are struggling to attain a goal, call on the Nepalese goddess Chomolungma, as the sherpas climbing Mount Everest have done for generations. Or, for good luck, invoke the Roman goddess Fortuna, the inspiration behind gambling's wheel of fortune. With 366 goddesses to choose from, you will find a deity to call upon for every aspiration and need.

Choose This Day is a daily devotional by one of South Africa's outstanding preachers, Pastor Ray McCauley of Rhema Bible Church. These easy-to-read devotions give you a fresh word for each day, helping you to deepen your relationship with God through prayer and further study of the Word of God. Choose This Day is premised on Deuteronomy 30:19: 'I call heaven and earth to record this day against you, that I have set before you life and death, blessing and cursing: therefore choose life, that both you and your seed may live.' One of the most amazing faculties God has given us is the power of choice. In the above Scripture, God is challenging us to exercise this faculty, and to do so wisely. He knows what a hard choice it can be between choosing life and death. And so He tells us what He desires us to choose every day - life. Choose This Day is divided in weekly topics such as: • Choose to Be Redeemed • Choose the Right Attitude • Choose to Be Generous • Choose Victory • Choose Favour • Choose to Be Passionate • Choose to Trust God • Choose His Protection • Choose Today

The day Jason Lawson ' s stress reached a tipping point, he found himself shaking so badly he couldn ' t even pour orange juice into a blender for his family ' s breakfast. He felt like his world was falling around him, and he was afraid of losing his family, his job, and his mind. But that was the day Jason met the Potter. Not the cartoon God on nursery walls, or the religious God preached about in many churches. That day, Jason began a journey with the Potter to learn Who He really is and why He created man, and this journey is compiled in his new devotional The Potter ' s Hands: A 366-Day Journey to Knowing God. The Potter ' s Hands tackles questions such as: If the Potter is so good, then why did He create me to hurt and struggle? Why am I so cracked and flawed? Why does He fill me with so much pain? ...and many more. The answer Jason found was simple—He is the Potter and we are the clay. He formed us for His glory, not our comfort. He decides our size and shape, He chooses what to pour into us, and He is the One Who determines where He places us. Our role in this is to trust Him as the Potter, the Savior, the Counselor, the Servant, the Commander, the Spirit, the Creator, the Father, the Rabbi, the Redeemer, the Healer, and the Shepherd. The heartbeat of The Potter ' s Hands is to remind readers that the clay can do nothing apart from the Potter ' s hands, but in the Potter ' s hands, He can create a masterpiece for His glory. What more could we ask for? Come along for one year and walk with Him. Let the Potter reveal to you Who He really is.

The Obama administration is not only attacking entrepreneurs and small business owners, it's launched a fundamental assault on the very concept of success. By denigrating all the qualities that make success possible—self-reliance, ambition, hard work, the pursuit of excellence—the administration is setting the stage for Big Government to step in and “guarantee” everyone’s success through socialist-style redistribution. Brash, direct, and unafraid, The War on Success tells you what’s at stake: nothing less than the survival of the American Dream.

I thank God for the ability to write from my heart, something I have never been able to do before. The death of my son, John, has definitely given me a whole different perspective about life and death. So many emotions I've had to deal with these last five years, so draining, mentally and physically. By publishing my poetry and messages from God, I call my "GodWinks" I'm sharing my heart with the world. This book is about my love for my son, my heartbreak from his death, my healing and what I have gained in my life because of the love from my son and God. My relationship with God is so wonderful and I give to him all the Praise and Glory to where I am today. God continues to direct my path, he has shown me that I still have my son but in a different way. I pray that "WORDS FROM GOD THROUGH A GRIVING MOTHER'S HEART" will show you that "time" and "God" will give your heart comfort, peace and joy once again in your life.

Inspirations Spoken Day By Day – With Faith, Hope, and Love is a chronicle of daily thoughts inspired by interpretations from Bible verses. The bible verses bring meaning to daily life as nearly everything that happens has some reference to a verse in the bible. Inspirations Spoken Dy by Day – With Faith, Hope, and Love started as a simple five-minute daily ritual of connecting by text to send an uplifting message as an expression of showing support and concern between friends. As the days moved forward, the messages became like daily vitamins that gave hope to inspire each day. The concept inspired the project for Inspirations Spoken Day by Day – With Faith, Hope, and Love to share thoughts pulled from the mental thought library of the heart and soul while using the bible verses as sources of reference. The daily mental stimulation of the heart provided a type of therapy to soothe the emotional anguish from many of the raging changes that were happening after the eruption of the Covid-19 pandemic, and also other changes that upset normal life as it was known before. Sometimes the greatest support that can be given is to have someone who truly cares about your daily well-being and knows how to connect and render the care. This book has 366 days of verses, quotes, poetic thoughts, and inspirations that may be used as references to channel your own thoughts to make daily mental notes, goals, or take actions to help uplift your spirits each day.

This is the first-ever English-language edition of the book Leo Tolstoy considered to be his most important contribution to humanity, the work of his life's last years. Widely read in prerevolutionary Russia, banned and forgotten under Communism; and recently rediscovered to great excitement, A Calendar of Wisdom is a day-by-day guide that illuminates the path of a life worth living with a brightness undimmed by time. Unjustly censored for nearly a century, it deserves to be placed with the few books in our history that will never cease teaching us the essence of what is important in this world.
