"A modern suburban fantasy . . . There are quests and complications, conflicts and charms. . . . Card's back in top form, doing as well as or better than any of his fantasy work so far."—The San Diego Union-Tribune In a prosperous African American neighborhood in Los Angeles, infant Mack Street is found abandoned in an overgrown park and taken in by a blunt-speaking single woman. Growing up, Mack senses that he is different from most, and knows that he has strange powers. Yet he cannot possibly understand how unusual he is until the day he discovers, beyond a mysterious narrow house no one else can see, an entryway into a magical world. Passing through, Mack is plunged into a realm where time and reality are skewed, a place where his actions seem to have disturbing effects in the "real world." Whether he likes it or not, Mack has become a player in an epic drama. His reward, if he can survive the trip, is discovering not only who he really is . . . but why he exists. Praise for Magic Street "A great read . . . First in the new Silver Valley series from the New York Times bestselling author of the Reapers Motorcycle Club Novels Fourteen months. For fourteen months, Puck Redhouse sat in a cell and kept his mouth shut, protecting the Silver Bastards MC from their enemies. Then he was free and it was time for his reward—full membership in the club, along with a party to celebrate. That's when he saw Becca Jones for the first time and set everything in motion. Before the night ended he'd violated his parole and stolen her away from everything she knew. Five years. It was five years ago that Puck destroyed Becca and saved her all in one night. She's been terrified of him ever since, but she's even more terrified of the monsters he still protects her from... But Becca refuses to let fear control her. She's living her life and moving forward, until she gets a phone call from the past she can't ignore. She has to go back, and there's only one man she can trust to go with her—the ex-con biker who rescued her once before. Puck will help her again, but this time it'll be on his terms. No more lies, no more tears, and no more holding back what he really wants... This edition only: A new Silver Valley story
