**A song book that highlights
that inside everyone there is a
perfect and loving heart, and**

that if we uncover our perfection and recognise it in others we can change the world for the better. The song takes you through the personal journey of a little monster who discovers his self worth is not defined by his physical characteristics or by the definitions placed on him by others, but by how he allows his light and love to shine. Once he understands his own value he is able to see the perfection in others even when they are hurtful. He then goes on to show that if we all recognised the perfection in each other and acted from a place of love we can change

the world to a better place.

"Let us live the perfection that we are and uncover ourselves to shine like a star. Our potential never stops to spread love on this earth, it is why we are here, it is the reason for our birth."

One morning, Emma decided she simply did not want to be a kid anymore. She didn't want an early bedtime or have to sit in the back seat of the car, or be interrupted for dinner while playing hide-and-seek with her friends, or be told that unless she ate her vegetables, she would never grow up. But what happens when Emma starts to be a grownup and do grownup

things? " Great book, great story, great lesson. My kids ages 6 and 9 enjoyed the story. It made them realize that being a kid is fun" -- Daniel. "A wonderful lesson in living in the NOW and not growing up before it is time. This was such a delight to read and the way Ms Alony put it together was perfect!Great book with beautiful illustrations, and my little niece gave it five stars!"-- Author Joyce L. Mitchel. "Excellent vocabulary" -- Kindle Costumer. Maria Alony creates high-quality, illustrated children's books that are not only fun and entertaining, but also contain

an educational message and important values. As a mom herself, Maria reads picture books every night so that bedtime stories become part of her child's routine. She believes that reading children's books every day, for kids ages 4-8, is essential for developing language, fostering imagination, and promoting self-expression. When it comes to children, Maria knows that books are vital. Join Emma in the new edition of the children's book series "Emma and Everything" on her journey of self- discovery. As she learns to appreciate and love her life as it is, she discovers the

Monographs. Reprint Series

A twisted young medical student kidnaps the girl of his dreams and embarks on a dark and delirious road trip across Brazil in the English-language debut of Brazil's most celebrated young crime writer. Teo Avelar is a loner. He lives with his paraplegic mother and her dog in Rio de Janeiro, he doesn't have many friends, and the only time he feels honest human emotion is in the presence of his medical school cadaver—that is, until he meets Clarice. She's almost his exact opposite: exotic,

spontaneous, unafraid to speak her mind. An aspiring screenwriter, she's working on a screenplay called *Perfect Days* about three friends who go on a road trip across Brazil in search of romance. Teo is obsessed. He begins to stalk her, first following her to her university, then to her home, and when she ultimately rejects him, he kidnaps her and they embark upon their very own twisted odyssey across Brazil, tracing the same route outlined in her screenplay. Through it all, Teo is certain that time is all he needs to prove to Clarice that they are made for each other, that time is all he needs to make her fall in love with him. But as the journey progresses, he digs himself deeper and deeper into a

File Type PDF 5 Days To A
Perfect Nights Sleep For Your
Child The Secrets To Making
Bedtime A Dream

pit that he can't get out of, stopping at nothing to ensure that no one gets in the way of their life together. Both tense and lurid, and brimming with suspense from the very first page, Perfect Days is a psychological thriller in the vein of Patricia Highsmith's The Talented Mr. Ripley—a chilling journey in the passenger seat with a psychopath, and the English language debut of one of Brazil's most deliciously dark young writers.
