

Developing the Leader Within You
How to Navigate Clueless Colleagues, Lunch-Stealing Bosses, and the Rest of Your Life at Work
Public Health Leadership

In *Energy Leadership*, renowned coach Bruce D. Schneider teaches how to understand the most important personal resource of all -- energy, and shows how to harness it to achieve success in the workplace, the home, and in the world at large. This engaging and fast-paced story clearly explains how managers and leaders from all walks of life can use the principles of Energy Leadership to inspire themselves and others to achieve extraordinary results in whatever they do. The author provides insight into a cutting edge coaching process he has developed, which has positively impacted the lives of tens of thousands of people in both the corporate and private sectors. You will learn how to: Recognize the seven distinct levels that are the key to understanding why everyone thinks and acts the way they do, in life and specifically within the workplace. Distinguish truly effective leaders from those who deplete the energy of the people around them, and specific techniques to shift energy levels to inspire peak performance. Become powerful leaders who motivate themselves and others to reach their true potential. Identify the Big Four Energy Blocks and discover proven techniques and strategies for overcoming these and other obstacles to success. Develop the ability to shift internal energy to meet any leadership challenge, and use this newfound power to inspire respect, confidence, and loyalty in others. If you always try to inspire others but sometimes feel like something's missing, something is. *Energy Leadership* puts you in touch with the missing link between your ambitions and your ability to achieve them.

Written by the scholars who first developed the theory of self-leadership (Christopher P. Neck, Charles C. Manz, & Jeffery D. Houghton), *Self-Leadership: The Definitive Guide to Personal Excellence* offers powerful yet practical advice for leading yourself to personal excellence. Grounded in research, this milestone book is based on a simple yet revolutionary principle: First learn to lead yourself, and then you will be in a solid position to effectively lead others. This inclusive approach to self-motivation and self-influence equips readers with the strategies and tips they need to build a strong foundation in the study of management, as well as enhancing their own personal effectiveness.
