It’s a cookbook,” he says and opens to some recipes, with color photos. “I want to prepare you, very much.” This isn’t just about getting me hot till my juices run clear, and then a little rest. There’s pulling, jerking, stuffing, trussing. Fifty preparations. He promises we’ll start out slow, with wine and a good oiling . . . Something delicious. So begins the adventures of Miss Chicken, a young free-range, from raw innocence to golden brown ecstasy, in this spoof-in-a-cookbook that simmers in the afterglow of E.L. James’s sensational Fifty Shades of Grey trilogy. Like Anastasia Steele, Miss Chicken finds herself at the mercy of a dominating man, in this case, a wealthy, sexy, and very hungry chef. And before long, from unbearably slow drizzling to trussing, Miss Chicken discovers the sheer thrill of becoming the main course. A parody in three acts—“The Novice Bird” (easy recipes for roasters), “Falling to Pieces” (parts perfect for weeknight meals), and “Advanced Techniques” (the climax of cooking)—Fifty Shades of Chicken is a cookbook of fifty irresistible, repertoire-boosting chicken dishes that will leave you hungry for more. Are you cursed with two left feet? Are your dance moves unrighteous? Do you refrain from getting down lest others judge you cruelly? Fear not. Salvation is at hand. Singing hymns of praise is standard practice-now it's time to set your feet a-tapping with a collection of original dance moves inspired by Jesus and the likes of Moses and John the Baptist. Dances include: the Water Walk, the Temptation Tango, the Judas Hustle, and The Apostolic Conga. Each dance move is outlined with: how to, inspiration, and an illustration. Slyly irreverent but ultimately festive, Dancing with Jesus is illustrated in full color. Best of all, two of the dances are animated for full effect by a lenticular cover and last-spread finale, making this a truly one-of-a-kind novelty item! As the Bible says in Ecclesiastes, there is, "A time to weep, a time to laugh, a time to mourn, a time to dance."

"Time and again our Elders have said that the 12 Steps of AA are just the same as the principles that our ancestors lived by, with only one change. When we place the 12 Steps in a circle then they come into alignment with the circle teachings that we know from many of our tribal ways. When we think of them in a circle and use them a little differently, then the words will be more familiar to us. This book is about a Red Road, Medicine Wheel Journey to Wellbriety--to become sober and well in a Native American cultural way."--Back cover. I could save him, but he would ruin me. The beast. The creature who stalks the forbidden wood. The dragon prince.He has suffered a fate worse than death. We all have. A curse put upon us by the mad king.We are a kingdom locked in time. Shifters unable to feel our animals. Stuck here by a deal between the late king and a demon who seeks our destruction. The only one keeping this kingdom alive is Nyfain, the golden prince to a stolen throne. The last dragon shifter. He's our hope. He's my nightmare. When he catches me trespassing in the forbidden wood, he doesn't punish me with death, as he's entitled. He takes me back to the castle as his prisoner. Seeks to use me, instead. Forces me back to the castle as his prisoner. Apparently I can save him. I can save the whole forgotten kingdom, locked away by the demon king's power. But it would mean taming the monster beneath his skin. It would mean giving myself to him. It would mean my ruin.____This is a dark and sexy Beauty and the Beast retelling featuring a strong heroine, a dangerous anti-hero, and a humorous supporting cast.

Bored with their work, three Milanese editors cook up "the Plan," a hoax that connects the medieval Knights Templar with other occult groups from ancient to modern times. This produces a map indicating the geographical point from which all the powers of the earth can be controlled—a point located in Paris, France, at Foucault ’ s Pendulum. But in a fateful turn the joke becomes all too real, and when occult groups, including Satanists, get wind of the Plan, they go so far as to kill one of the editors in their quest to gain control of the earth.Orchestrating these and other diverse characters into his multilayered semiotic adventure, Eco has created a superb cerebral entertainment.

More than 200 recipes and 45 full-color photographs celebrate 25 years of good eatin' in this original regional Southern cooking classic. A quarter-century ago, while many were busy embracing the sophisticated techniques and wholesome ingredients of the nouvelle cuisine, one Southern loyalist lovingly gathered more than 200 recipes—collected from West Virginia to Key West—showcasing the time-honored cooking and hospitality traditions of the white trash way. Ernie Mickler's much-imitated sugarsnap-pea prose style accompanies delicacies like Tutti's Fancy Fruited Porkettes, Mock-Cooler Stew, and Oven-Baked Possum; stalwart sides like Bette's Sister-in-Law's Deep-Fried Eggplant and Cracklin' Corn Pone; waste-not leftover fare like Four-Can Deep Tuna Pie and Day-Old Fried Catfish; and desserts with a heavy dash of Dixie, like Irma Lee Stratton's Don't-Miss Chocolate Dump Cake and Charlotte's Mother's Apple Charlotte.

He was supposed to be a myth. But from the moment I crossed the River Styx and fell under his dark spell...he was, quite simply, mine. *A scorchingly hot modern retelling of Hades and Persephone that's as sinful as it is sweet.* Society darling Persephone Dimitriou plans to flee the ultra-modern city of Olympus and start over far from the backstabbing politics of the Thirteen Houses. But all that's ripped away when her mother ambushes her with an engagement to Zeus, the dangerous power behind their glittering city's dark facade. With no options left, Persephone flees to the forbidden undercity and makes a devil's bargain with a man she once believed a myth...a man who awakens her to a world she never knew existed. Hades has spent his life in the shadows, and he has no intention of stepping into the light. But when he finds that Persephone can offer a little slice of the revenge he's spent years craving, it's all the excuse he needs to help her—for a price. Yet every breathless night spent tangled together has given Hades a taste for Persephone, and he'll go to war with Olympus itself to keep her close...

A witty, honest, bold manifesto that tears away the veil separating fiction from reality and privacy from self-expressions.

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits

serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

A heartfelt account of poverty in Ireland and emigration to America. -- back cover.

From rising culinary star Danny Bowien, chef and cofounder of the tremendously popular Mission Chinese Food restaurants, comes an exuberant cookbook that tells the story of an unconventional idea born in San Francisco that spread cross-country, propelled by wildly inventive recipes that have changed what it means to cook Chinese food in America Mission Chinese Food is not exactly a Chinese restaurant. It began its life as a pop-up: a restaurant nested within a divey Americanized Chinese joint in San Francisco's Mission District. From the beginning, a spirit of resourcefulness and radical inventiveness has infused each and every dish at Mission Chinese Food. Now, hungry diners line up outside both the San Francisco and New York City locations, waiting hours for platters of Sizzling Cumin Lamb, Thrice-Cooked Bacon, Fiery Kung Pao Pastrami, and pungent Salt-Cod Fried Rice. The force behind the phenomenon, chef Danny Bowien is, at only thirty-three, the fastest-rising young chef in the United States. Born in Korea and adopted by parents in Oklahoma, he has a broad spectrum of influences. He's a veteran of fine-dining kitchens, sushi bars, an international pesto competition, and a grocery-store burger stand. In 2013 Food & Wine named him one of the country's Best New Chefs and the James Beard Foundation awarded him its illustrious Rising Star Chef Award. In 2011 Bon Appétit named Mission Chinese Food the second-best new restaurant in America, and in 2012 the New York Times hailed the Lower East Side outpost as the Best New Restaurant in New York City. The Mission Chinese Food Cookbook tracks the fascinating, meteoric rise of the restaurant and its chef. Each chapter in the story—from the restaurant's early days, to an ill-fated trip to China, to the opening of the first Mission Chinese in New York—unfolds as a conversation between Danny and his collaborators, and is accompanied by detailed recipes for the addictive dishes that have earned the restaurant global praise. Mission Chinese's legions of fans as well as home cooks of all levels will rethink what it means to cook Chinese food, while getting a look into the background and insights of one of the most creative young chefs today.

"Read it with someone you hate." —Jon Stewart A hilarious look at the races of the world—capturing the proud history and bright future of racism in one handy, authoritative, and deeply offensive volume. Whether you're laughing, cringing, or some combination of the two, A Practical Guide to Racism is sure to entertain. According to C. H. Dalton, a professor of racialist studies and an expert on inferior people of all ethnicities, genders, religions, and sexual preferences, everyone should be hated. A Practical Guide to Racism takes a satirical look at long-standing stereotypes and draws them out to their mad and illogical conclusions. At its core, this deeply sarcastic body of evidence suggests that, by the standards of racism, every race is terrible in its own right. A Practical Guide to Racism contains sparkling bits of wisdom on such subjects as: ·The good life enjoyed by blacks, who shuffle through life unhindered by the white man's burdens, to become accomplished athletes, rhyme smiths, and dominoes champions ·A close look at the bizarre, sweet-smelling race known as women, who are not very good at anything - especially ruling the free world ·The sad story of the industrious, intelligent Jews, whose entire reputation is sullied by their taste for the blood of Christian babies ·A crucial manual to Arabs, a people so sensitive they are liable to blow up at any time. Literally.

*"Nisha Sharma's Dating Dr. Dil is what would happen if you put all my favorite romantic comedy tropes into a blender: a frothy, snarky, hilarious treat with a goeey, heartwarming center. The perfect addition to any rom-com lover's shelf." —Emily Henry, #1 New York Times bestselling author of People We Meet on Vacation Nisha Sharma's new romantic comedy features enemies to lovers, a cast of best friends, and a gaggle of aunties determined to make a match. Hi! I'm Kareena Mann. As cheesy as it sounds, I'm looking for my soulmate. In four months. And he must gain the approval of my meddling aunties. Kareena dreams of having a perfect love story like her parents did. That's why on the morning of her thirtieth birthday, she's decided to suit up and enter the dating arena. When her widowed father announces he's retiring and selling their home after her sister's engagement party, Kareena makes a deal with him. If she can find her soulmate by the date of the party, he'll gift her the house, and she'll be able to keep her mother's legacy alive. Hi, I'm Dr. Prem Verma, host of the Dr. Dil Show. Prem means love, Dil means heart, and I'm a cardiologist. Don't let my name fool you. I only fix broken hearts in the literal sense. Prem doesn't have time for romance, which is why it's no surprise when his first meeting with Kareena goes awry. Their second encounter is worse when their on-air debate about love goes viral. Now Prem's largest community center donor is backing out because Prem's reputation as a heart-health expert is at risk. To get back in his donor's good graces, he needs to fix his image fast, and dating Kareena is his only option. Even though they have warring interests, the more time Prem spends with Kareena, the more he thinks she's might actually be the woman he wants to spend the rest of his life with. In this Taming of the Shrew re-imagination, for Prem and Kareena to find their happily ever after, they must admit that hate has turned into fate.
