By learning the one thousand most used verbs in a language you give yourself a fantastic foundation to start building upon to your road to fluency. In my book, 1000 Spanish Verbs in Context, I give you over one thousand of the most common Spanish verbs used today. You are given the verb in Spanish and English with examples of the verb in a sentence, also in Spanish and English. No more confusion about how to use the verb. One thousand words are a perfect number to aim for. It is important to give yourself goals to stay motivated and to keep yourself learning. Imagine if you learnt ten words a day. Five in the morning and five at night. After only a hundred days ( that's just over 3 months) you would have access to a thousand verbs in your vocabulary. That really is quite a lot and would give you an excellent grasp of the language. Far too many people expect to be speaking a new language far too quickly without putting in the time or effort. As a language teacher I can testify to seeing this too many times. I can also say that by exposing yourself to a new language daily you will surely learn it. It does take time and effort but ten words a day will give you a massive boost. If you prefer a slower pace then you could set yourself different goals. The key to learning new vocabulary is to see it in context, that means in use. Seeing how it's used will help you remember the word a lot better. It is also important to understand how that word should be used in a sentence. As a FREE bonus I have included the top one hundred most used words in Spanish. Yes, I really want you to learn this beautiful language.

Up-to-date volume, organized for quick access to phrases related to greetings, transportation, shopping, emergencies, other common circumstances. Over 700 entries include terms for modern telecommunications, idioms, slang. Phonetic pronunciations accompany phrases.

One of the major difficulties facing learners of Latin is correct formation and use of verbs. The Big Gold Book of Latin Verbs takes a quantum leap forward by providing you with exactly what you need to succeed--more entries, a cleaner layout, and a complete explanation of verb usage and formation. Standout features include: 555 full conjugations of the most useful verbs Numerous examples from classical texts of all 555 verbs An in-depth look at the top 40 verbs with examples A full index of 2,700 verbs cross-referenced to model conjugations

*The first book in a series of collaborations between Tin House and Octopus Books, Brandon Shimoda's Portuguese introduces a powerful new voice in American poetry. The poems in Portuguese began while Brandon rode city buses around Seattle, and were inspired by his fellow passengers—their voices and their minds, their faces and their bodies, their exuberances and infirmities, and the ways in which they enlivened and darkened the days at once. It was with and within these people that poetry seemed most alive. At the same time, they began as responses to the words and writings of visual artists, mostly painters, whom Brandon was reading while riding the bus, especially Etel Adnan, Eugene Delacroix, Alberto Giacometti, Paul Klee, and Joan Mitchell, all of whom appear in the book. It was with and within these people, also, that poetry seemed most alive. In both senses, Portuguese is a work of color. Portuguese owes also a debt to a visit to Beirut, Lebanon (2009); six months spent in a cabin in the woods of western Maine (2010-2011); and the Japanese poets Kazuko Shiraishi, Ryuichi Tamura and Minoru Yoshioka, and their translators. It was written primarily in Seattle, Washington; Beirut, Lebanon; and Weld, Maine, though revised in Albany, California; Beacon, New York; and St. Louis, Missouri. In that sense, Portuguese is a travelogue, as well as a work of restlessness. Throughout writing the poems that became Portuguese, the presiding struggle was with poetry itself—the form and its impulses—voice and mind, face and body, exuberance and infirmity—as well as with the act of writing. The book actually began in the early 1980s, while on the bus to elementary school in a small town in New England, when Brandon was taunted for being “Portuguese.” In that sense, Portuguese returns its author to this moment in which he felt challenged to become what he was being called, however falsely, and despite feeling confused, flushed and afraid. In that sense, Portuguese is a work of crossdressing. However, Portuguese is both more and less than all these things. It was—and is—a way to keep up with life in the form of drawing observations and feelings on paper, and to give form to the energy making up some part of memory. It is the fourth book in a series that began with *The Alps*, *The Girl Without Arms*, and *O Bon*. In this sense—and in all those above—it is an act of preservation, and therefore a work for his friends, his family, and for love.*

*The new "bible" of Spanish verbs makes learning faster and easier! When we set out to build a bigger, better Spanish-verb "bible," we made certain it would be a quantum leap over Barron's 501 Spanish Verbs and every other source available today. The result is hands-down the most comprehensive, clearest, and easiest-to-use source for those of you who are beginning and intermediate learners of Spanish. It exceeds all previous standards of coverage and presentation and is in a class of its own when it comes to enhancing textbook and classroom learning. Smooth sailing through the turbulent seas of foreign grammar with: 555 fully conjugated verbs, listed*

*alphabetically Current idioms and expressions for each verb Full facing page of usage examples for the top 50 verbs One-stop, at-a-glance verb-tense profiles More than 2,200 verbs cross-referenced to models A handy guide to deciphering irregular verb forms Exercises to test mastery Learning Hebrew Becomes Easier with This Helpful Guide to Verbs and Their Roots The most commonly used Hebrew verbs are arranged alphabetically in a table format, with English translation, and presented in all forms. The book's additional features utilize example sentences and common idioms to demonstrate verb usage and how verbs function within the sentence. It includes: The 1531 most common Hebrew verbs, fully conjugated, grouped into 759 roots based on verb frequency The Hebrew roots and derived infinitives printed at the top of each page Less frequent verb forms realized in the relevant roots listed separately (citation forms only) Present participles, verbal nouns and infinitives (construct and absolute forms) Jussive forms of verbs that are significantly different from non-jussive ones Exemplary sentences presented for each verb-root group, with accompanying translations, followed by special expressions incorporating the relevant verbs Notes on usage register (literary, colloquial, slang, etc.) as well as on colloquial alternates of normative forms An enlightening explanatory essay discussing Hebrew verb formation and usage Root index, Hebrew-English Index, and English-Hebrew index, in alphabetical order.*
