Tammy and Jessica were best friends. They loved to go exploring together. Then one day they found a tree house deep in the forest. It was a great tree house, but something didn't feel right. It was almost as if the tree house was haunted. Tammy and Jessica ran from the tree house, only to find themselves at a small clearing in the woods. Facing them was an old cabin, and an even older woman. Find out what happened to Tammy and Jessica in this short, but creepy tale. Ages 9 and up. The only annotated edition of M. R. James's writings currently available Count Magnus and Other Ghost Stories contains the entire first two volumes of James's ghost stories. Ghost Stories of an Antiquary and More Ghost Stories of an Antiquary. These volumes are both the culmination of the nineteenth-century ghost story tradition and the inspiration for much of the best twentieth-century work in this genre. Included in this collection are such landmark tales as "Count Magnus," set in the wilds of Sweden; "Number 13," a distinctive tale about a haunted hotel room; "Casting the Runes," a richly complex tale of sorcery that served as the basis for the classic horror film Curse of the Demon; and "Oh, Whistle, and I'll Come to You, My Lad," one of the most frightening tales in literature. The appendix includes several rare texts, including "A Night in King's College Chapel," James's first known ghost story.
