

6th Grade Reading Workbooks

Despite her poor background and ferocious competition from more privileged girls, fourteen-year-old Sid pursues her dream of becoming a catch rider--a show rider who can ride anything--with help from her Uncle Wayne.

6th graders can reinforce what they learn in school with a workbook from Brain Quest. The book boasts 300 pages jam-packed with curriculum-based activities and exercises in every subject, with a focus on math and language arts. Original full-color illustrations throughout give the book a bright, lively style that will appeal to older kids. It is engaging, user-friendly, and written to make schoolwork fun. Sixth graders will delve into research and analysis, metaphor and meaning, ratios and proportions, expressions and equations, and geometry. The workbook covers spelling and vocabulary, writing, social studies, science, and more. Written in consultation with the Brain Quest Advisory Panel of award-winning teachers specific to each grade level, and with all content aligned with Common Core standards. Plus fun stuff: Each workbook comes with a mini-deck with 100 all-new Brain Quest questions and answers.

"A whole year of curriculum-based exercises and activities in one fun book!"--Cover.

Build Grade 6 students' comprehension and critical thinking skills and prepare them for standardized tests with high-interest nonfiction articles from TIME For Kids®. This handy and easy-to-implement resource includes accompanying document-based questions that focus on key strategies for breaking down the passages to help students build cross-curricular reading skills. A document-based assessment sheet is also provided for each passage so students can investigate a topic in even deeper and more meaningful ways. This 112- page book includes a Teacher Resource CD with reproducible pages of artic. Living with his little brother, Fudge, makes Peter Hatcher feel like a fourth grade nothing. Whether Fudge is throwing a temper tantrum in a shoe store, smearing smashed potatoes on walls at Hamburger Heaven, or scribbling all over Peter's homework, he's never far from trouble. He's a two-year-old terror who gets away with everything--and Peter's had enough. When Fudge walks off with Dribble, Peter's pet turtle, it's the last straw. Peter has put up with Fudge too long. How can he get his parents to pay attention to him for a change?

An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.

Encourage fifth-grade students to build their reading comprehension and word study skills using daily practice activities. Great for after school, intervention, or homework, teachers and parents can help students gain regular practice through these quick, diagnostic-based activities that are correlated to College and Career Readiness and other state standards. Both fiction and nonfiction reading passages are provided as well as data-driven assessment tips and digital versions of the assessment analysis tools and activities. With these easy-to-use activities, fifth graders will boost their reading skills in a hurry!

Tales of a Fourth Grade Nothing

And it works to help children build confidence and advance their skills. No matter what subject or grade, Spectrum provides thorough practice and focused instruction to support student success.

Much has been written on the topic of guided reading over the last twenty years, but no other leaders in literacy education have championed the topic with such depth and breadth as Irene Fountas and Gay Su Pinnell. In the highly anticipated second edition of Guided Reading, Fountas and Pinnell remind you of guided reading's critical value within a comprehensive literacy system, and the reflective, responsive teaching required to realize its full potential. Now with Guided Reading, Second Edition, (re)discover the essential elements of guided reading through: a wider and more comprehensive look at its place within a coherent literacy system a refined and deeper understanding of its complexity an examination of the steps in implementation-from observing and assessing literacy behaviors, to grouping in a thoughtful and dynamic way, to analyzing texts, to teaching the lesson the teaching for systems of strategic actions a rich text base that can support and extend student learning the re-emerging role of shared reading as a way to lead guided and independent reading forward the development of managed independent learning across the grades an in-depth exploration of responsive teaching the role of facilitative language in supporting change over time in students' processing systems the identification of high-priority shifts in learning to focus on at each text level the creation of a learning environment within which literacy and language can flourish. Through guided reading, students learn how to engage in every facet of the reading process and apply their reading power to all literacy contexts. Also check out our new on-demand mini-course: Introducing Texts Effectively in Guided Reading Lessons
