This book is highly spiritually and it is powerful book do not use it negatively.Learn the secret of the book of Psalms and learn how to use the book of Psalms to achieve your desire, If you fellow the instruction you will quick solution. The Secret of Psalms is the power of psalms.

When Jesus was dying on the cross for our sins, three of the seven statements he made at this critical moment of his life were from a single Old Testament book, the Book of Psalms. First, he cried out, "My God, my God, why hast thou forsaken me?" which was a quotation from Psalm 22:1. Later, he said, "I thirst," a quotation from Psalm 69:21. Finally, he prayed, "Father, into thy hands I commend my spirit," words drawn from Psalm 31:5. At the key moment in his life, our Savior drew his strength from Book of Psalms. Jesus made four other statements while he hung on the cross-"Father, forgive them; for they know not what they do"; "Verily I say unto thee, Today shalt thou be with me in paradise"; "Woman, behold thy son"; and "It is finished"-but the only Scripture he quoted while on the cross came from the Book of Psalms. In his hour of deepest need, he found his help in the psalms.This book is written to teach you to do the same!Understanding the PsalmsWhat is a Psalm?A Biblical psalm is a Spirit-inspired prayer, originally voiced in song, addressing the need of a human heart-a need for mercy and forgiveness, a need for miraculous help (for healing or deliverance or protection, for example), the need to praise and worship the Creator, the need for guidance or comfort or justice or strength, or even the need to complain and question. The psalms address these and every other human need under the sun. The exciting thing is this: Because the psalms are Spirit-anointed prayers, they have the ability to tap into the presence and power of Heaven on behalf of everyone who reads and prays them, including you and me! That is why the Lord included them in his written Word, to make them available to his people down through the ages so that he could do miracles in their lives.

Methodist minister and Civil War chaplain Edward McKendree Bounds (1835-1913) considered conversation with God as fundamentally vital to the Christian's life as physical breath. He devoted the last 17 years of his life to intense intercession and to penning some of the most perennially popular works about prayer. This attractive volume features the very best of his beloved writings. "God shapes the world by prayer. Prayers are deathless. The lips that uttered them may be closed in death, the heart that felt them may have ceased to beat, but the prayers live before God, and God's heart is set on them and prayers outlive the lives of those who uttered them; they outlive a generation, outlive an age, outlive a world." --from E.M. Bounds on Prayer Every Christian library needs the classics--the timeless books that have spoken powerfully to generations of believers. BIOGRAPHERS have already told us much about St. Louis De Montfort and the Rosary; now, with this first English edition of THE SECRET OF THE ROSARY, we can listen to Montfort speaking for himself. Drawing upon his own experience as well as upon the experience of others, he endeavors to bring home to the reader, "in a simple and straightforward manner," as he himself tells us, the authentic message of the Rosary; namely, that it is a veritable school of Christian life. He sees it as including essentially the meditation of the mysteries of the life, death and glory of Jesus and Mary, with a view not only to honoring but especially imitating their virtues as held up to our consideration in each mystery.

*Foreword by Darlene Zschech.*

*Could our deepest hurts reveal the key to a powerful form of prayer that was lost 17 centuries ago? What can we learn today from the great secret of our most cherished traditions? "There are beautiful and wild forces within us." With these words, the mystic St. Francis described what ancient traditions believed was the most powerful force in the universe – the power of prayer. For more than 20 years, Gregg Braden has searched for evidence of a forgotten form of prayer that was lost to the West following the biblical edits of the early Christian Church. In the 1990s, he found and documented this form of prayer still being used in the remote monasteries of central Tibet. He also found it practiced in sacred rites throughout the high deserts of the American Southwest. In this book, Braden describes this ancient form of prayer that has no words or outward expressions. Then, for the first time in print, he leads us on a journey exploring what our most intimate experiences tell us about our deepest beliefs. Through case histories and personal accounts, Braden explores the wisdom of these timeless secrets, and the power that awaits each of us . . . just beyond our deepest hurt!*

*Why Some Prayers Work, Why Some Don't, and How You and God Can Change Things for Good How would it feel to enter into prayer with confidence and assurance—certain that God heard you and that your prayers would make a difference? It would likely feel amazing and unfamiliar. That's because often our prayers seem to be met with silence or don't appear to change anything. Either response can lead to disappointment or even despair in the face of our ongoing battles and unmet longings—especially when we don't know if we're doing something wrong or if some prayers just don't work. New York Times bestselling author John Eldredge confronts these issues directly in Moving Mountains by offering a hopeful approach to prayer that is effective, relational, and rarely experienced by most Christians. In a world filled with danger, adventure, and wonder, we have at our disposal prayers that can transform the events and issues that matter most to us and to God. Moving Mountains shows you how to experience the power of daily prayer, learn the major types of prayers—including those of intervention, consecration, warfare, and healing—and to discover the intimacy of the cry of the heart prayer, listening prayer, and praying Scripture. Things can be different, and you personally have a role to play with God in bringing about that change through prayer. It may sound too good to be true, but this is your invitation to engage in the kind of prayers that can move God's heart as well as the mountains before you.*

*Squire Rushnell and Louise DuArt have practiced daily prayer together for sixteen years. Now they offer readers step-by-step advice on why and how to pray with another person. The 40 Day Prayer Challenge answers the question they hear from readers daily: How do you pray with someone else? The authors also explain how Partnered Prayer—which sounds like a new idea, but comes from ancient biblical promises—restores relationships and revitalizes families. Supported by the testimony of dozens of praying partners who themselves became empowered by taking The Challenge, the authors explain how a couple, a mother and son, or two close friends can pray together for five minutes a day for forty days and experience phenomenal outcomes. Squire and Louise show how churches, small groups, and individual partners can participate in a groundbreaking national initiative called historic—a first-ever empirical study by Baylor University—while personally measuring their own Partnered Prayer progress.*

'Raising your consciousness to the 'God Winks' that often go by unnoticed, and recognising them as tremendously personal, will affirm that your existence is not random and that you have a role to play in life's grand plan! Squire Rushnell Have you ever thought about someone who hasn't crossed your path or mind in years and then bumped into them? Are there such things as coincidences? Do they mean anything? According to Rushnell, 'coincidences, like winks from God, are encouraging signposts along your universal path.' In WHEN GOD WINKS he explains that a 'God Wink' is a message of reassurance that comes our way whenever we need it and that coincidences are the best way for God to establish a presence in our lives. Rushnell shows how to retrace crossroads (a new job, a death, change in relationships) that took us in an entirely different direction, showing how to map the turning points made by coincidences that have guided us throughout our lives. Best of all, WHEN GOD WINKS shows us how to create our own coincidences and turn wishes into winks. He explains his compelling theory of coincidences through a series of incredible stories and motivational writing on how coincidences play a role in all facets of our life, including career, love, history, medicine, entertainment, sports and politics with telling comments from Oprah Winfrey, Barbara Streisand, Mark Twain, Kevin Costner and other celebrities.
