Christian Crafts with Bible Verses are useful for Sunday schools and vacation Bible schools. Materials needed are listed. Teacher preparations are described in detail. To construct the crafts, teachers are given easy-to-follow directions for use with students. Most crafts have an appropriate Bible verse which may lead to class discussions.

Knowing the "going" royalty rate for virtually any product is as simple as reaching for the newly published Licensing Royalty Rates, 2013 Edition. This information-packed report details the royalty rates for over 1,500 products and services in ten lucrative licensed product categories--art, celebrity, character and entertainment, collegiate,

corporate, designer, event, sports, nonprofit and music. Setting a royalty rate too high can scare away potential licensees, while accepting a lower rate can cost licensors hundreds of thousands of dollars. Licensing Royalty Rates, 2013 Edition provides all the information you need to calculate the right rate every time. The data in Licensing Royalty Rates is compiled using information from the U.S. Patent and Trademark Office. After careful review by a blue-ribbon panel of expert licensing consultants uniquely qualified to know what the appropriate rate range is for specific properties in each licensing category, the information is organized into four time-saving sections that give researchers fast access to comprehensive statistical and
