"Kick bad mental habits and toughen yourself up."—Inc. Master your mental strength—revolutionary new strategies that work for everyone from homemakers to soldiers and teachers to CEOs. Everyone knows that regular exercise and weight training lead to physical strength. But how do we strengthen ourselves mentally for the truly tough times? And what should we do when we face these challenges? Or as psychotherapist Amy Morin asks, what should we avoid when we encounter adversity? Through her years counseling others and her own experiences navigating personal loss, Morin realized it is often the habits we cannot break that are holding us back from true success and happiness. Indulging in self-pity, agonizing over things beyond our control, obsessing over past events, resenting the achievements of others, or expecting immediate positive results holds us back. This list of things mentally strong people don't do resonated so much with readers that when it was picked up by Forbes.com it received ten million views. Now, for the first time, Morin expands upon the thirteen things from her viral post and shares her tried-and-true practices for increasing mental strength. Morin writes with searing honesty, incorporating anecdotes from her work as a college psychology instructor and psychotherapist as well as personal stories about how she bolstered her own mental strength when tragedy threatened to consume her. Increasing your mental strength can change your entire attitude. It takes practice and hard work, but with Morin's specific tips, exercises, and troubleshooting advice, it is possible to not only fortify your mental muscle but also drastically improve the quality of your life.

Bulging in-boxes, out-of-control stress, and even climate change serve as reminders that when it comes to being happy and healthy, less is more. In this interactive journal, organization expert Mary Carlomagno leads readers on a journey toward release and discovery. Guided by the principle that the way you spend your time and money should reflect your true priorities, Secrets of Simplicity shows how to make practical changes to unburden your closets and calendars and make room for what's really important. Readers can record their successes, as they de-clutter their homes and in the process, their minds.

The tenth-anniversary edition of the book that changed lives in profound ways, now with a new foreword and afterword. In 2006, a groundbreaking feature-length film revealed the great mystery of the universe—The Secret—and, later that year, Rhonda Byrne followed with a book that became a worldwide bestseller. Fragments of a Great Secret have been found in the oral traditions, in literature, in religions and philosophies throughout the centuries. For the first time, all the pieces of The Secret come together in an incredible revelation that will be life-transforming for all who experience it. In this book, you'll learn how to use The Secret in every aspect of your life—money, health, relationships, happiness, and in every interaction you have in the world. You'll begin to understand the hidden, untapped power that's within you, and this revelation can bring joy to every aspect of your life. The Secret contains wisdom from modern-day teachers—men and women who have used it to achieve health, wealth, and happiness. By applying the knowledge of The Secret, they bring to light compelling stories of eradicating disease, acquiring massive wealth, overcoming obstacles, and achieving what many would regard as impossible.

This title is out of print as of 03/02/2005. A new revised and updated edition: Secrets of Methamphetamine Manufacture, 7th Edition, will be available as of 03/08/2005.

The book is a manual on how to create material wealth and gain spiritual abundance at the same time. It hopes to raise a new breed of millionaires who are simple, loving and generous.

The average attention span today has dropped to 8 seconds (which means you may want to send out detailed bullet points reviewing what was discussed at your last staff meeting). With more distractions today than ever before for the average person, it has become as difficult as it 's ever been to get a message across. To get heard in this ADD-filled, phone-addicted culture, one must focus their message, be slightly different, and deliver with finesse.In You 've Got 8 Seconds, high-stakes communications expert Paul Hellman uses fast, fun, actionable tips to explain what works and what doesn ' t, what ' s forgettable and what sticks, when it comes to getting your message to land. With stories, scripts, and examples of both good and bad messages, the book reveals three main strategies for getting your point across:• FOCUS: Design a strong message—then communicate it in seconds• VARIETY: Make routine information come alive• PRESENCE: Convey confidence and command attentionHellman also shares many practical techniques that have been proven successful, including his very own Focus Method™ that he uses with leadership teams; 10 actions that spell executive presence; and his own unique plan for how to stand out in the first seconds of a presentation. Get their attention. Get understood. Get results!

A thrilling domestic drama set against the power of the wilderness, Rea Frey's Secrets of Our House is a deeply-felt novel of long-held secrets and the strength of family. Desi is the mastermind behind her dream getaway house. Nestled high into the mountains of North Carolina, it is a sleek place, a luxurious place, a dark place. A place full of secrets. Secrets about the man she longs for, a man who is not her husband. Secrets about the roots of her family that must never, ever, see the light of day. When Desi and her family arrive from Chicago to spend the summer in the mountains, the seeds for the tumultuous months to follow are planted—her marriage on the rocks, not knowing which way they ' ll go. Her seventeen year-old daughter Jules, falling in love for the first time with a local boy—and forging a new path that will take her to uncharted places. And Carter—a man Desi knew long ago, before she expunged him from her life for good. All hurtling toward events none of them can undo. Engaging, propulsive, and with a dramatic, heart-pounding final act, Secrets of Our House is a dazzling novel, richly-drawn, that shows no matter how hard outside forces may shake you, the bonds of family are stronger than the harshest winds.

Fredrick Buechner has long been a kindred spirit to those who find elements of doubt as constant companions on their journey of faith. He is a passionate writer and preacher who can alter lives with a simple phrase. Buechner's words, both written and spoken, have the power to revolutionize and revitalize belief and faith. He reveals the presence of God in the midst of daily life. He faces and embraces difficult questions and doubt as essential components of our lives, rather than as enemies that destroy us. "Listen to your life!" is his clarion call. This theme pervades this definitive collection of sermons, delivered throughout Buechner's lifetime. Presented chronologically, they provide a clear picture of the development of his theology and thinking. Reflecting Buechner's exquisite gift for storytelling and his compassionate pastor's heart, Secrets in the Dark will inspire laughter, hope, and bring great solace. Turn the pages and rediscover what it means to be thoughtful about faith. See why this renowned writer has been quoted in countless pulpits and beloved by Americans for generations.

Although we have been successful in our careers, they have not turned out quite as we expected. We both have changed positions several times-for all the right reasons-but there are no pension plans vesting on our behalf. Our retirement funds are growing only through our individual contributions. Michael and I have a wonderful marriage with three great children. As I write this, two are in college and one is just beginning high school. We have spent a fortune making sure our children have received the best education available. One day in 1996, one of my children came home disillusioned with school. He was bored and tired of studying. " Why should I put time into studying subjects I will never use in real life?" he protested. Without thinking, I responded, " Because if you don't get good grades, you won't get into college. " " Regardless of whether I go to college," he replied, " I'm going to be rich. "

8 Secrets of the Truly Rich

Delving Deeper Than You've Been Told Before Into the Mysteries of Why Some People Accomplish More Than Others, Are Happier, Better Liked, and Yes, Wealthier

This book teaches you how to overhaul your financial life with a new and powerful system. This system is composed of five life-changing actions: 1. Believe: Prosper Your Mind, Prosper Your Money 2. Serve: Increase Your Income by Increasing Your Service 3. Grow: Grow your Anointing, Grow your wealth 4. Duplicate: Duplicate yourself, Duplicate your wealth 5. Invest: How to be a millionaire Change your financial life forever and prosper the way God has intended for you!

Secrets of the Millionaire Mind reveals the missing link between wanting success and achieving it! Have you ever wondered why some people seem to get rich easily, while others are destined for a life of financial struggle? Is the difference found in their education, intelligence, skills, timing, work habits, contacts, luck, or their choice of jobs, businesses, or investments? The shocking answer is: None of the above! In his groundbreaking Secrets of the Millionaire Mind, T. Harv Eker states: "Give me five minutes, and I can predict your financial future for the rest of your life!" Eker does this by identifying your "money and success blueprint." We all have a personal money blueprint ingrained in our subconscious minds, and it is this blueprint, more than anything, that will determine our financial lives. You can know everything about marketing, sales, negotiations, stocks, real estate, and the world of finance, but if your money blueprint is not set for a high level of success, you will never have a lot of money—and if somehow you do, you will most likely lose it! The good news is that now you can actually reset your money blueprint to create natural and automatic success. Secrets of the Millionaire Mind is two books in one. Part I explains how your money blueprint works. Through Eker's rare combination of street smarts, humor, and heart, you will learn how your childhood influences have shaped your financial destiny. You will also learn how to identify your own money blueprint and "revise" it to not only create success but, more important, to keep and continually grow it. In Part II you will be introduced to seventeen "Wealth Files," which describe exactly how rich people think and act differently than most poor and middle-class people. Each Wealth File includes action steps for you to practice in the real world in order to dramatically increase your income and accumulate wealth. If you are not doing as well financially as you would like, you will have to change your money blueprint. Unfortunately your current money blueprint will tend to stay with you for the rest of your life, unless you identify and revise it, and that's exactly what you will do with the help of this extraordinary book. According to T. Harv Eker, it's simple. If you think like rich people think and do what rich people do, chances are you'll get rich too!

INSTANT NEW YORK TIMES BESTSELLER The #1 New York Times bestselling author of It Ends with Us—whose writing is “emotionally wrenching and utterly original” (Sara Shepard, New York Times bestselling author of the Pretty Little Liars series)—delivers a tour de force novel about a troubled marriage and the one old forgotten promise that might be able to save it. Quinn and Graham's perfect love is threatened by their imperfect marriage. The memories, mistakes, and secrets that they have built up over the years are now tearing them apart. The one thing that could save them might also be the very thing that pushes their marriage beyond the point of repair. All Your Perfects is a profound novel about a damaged couple whose potential future hinges on promises made in the past. This is a heartbreaking page-turner that asks: Can a resounding love with a perfect beginning survive a lifetime between two imperfect people?

Controversial and iconoclastic, a veteran corporate manager and business school professor exposes the dangerous myths, fantasies, and delusions that pervade much of the business world today.

How to Achieve Financial Independence Faster and Easier Than You Ever Thought Possible: Easyread Large Bold Edition

How do the rich get rich? An updated edition of the “remarkable” New York Times bestseller, based on two decades of research (The Washington Post). Most of the truly wealthy in the United States don't live in Beverly Hills or on Park Avenue. They live next door. America's wealthy seldom get that way through an inheritance or an advanced degree. They bargain-shop for used cars, raise children who don't realize how rich their families are, and reject a lifestyle of flashy exhibitionism and competitive spending. In fact, the glamorous people many of us think of as “rich” are actually a tiny minority of America's truly wealthy citizens—and behave quite differently than the majority. At the time of its first publication, The Millionaire Next Door was a groundbreaking examination of America's rich—exposing for the first time the seven common qualities that appear over and over among this exclusive demographic. This edition includes a new foreword by Dr. Thomas J. Stanley—updating the original content in the context of the financial crash and the twenty-first century. “Their surprising results reveal fundamental qualities of this group that are diametrically opposed to today's earn-and-consume culture.” —Library Journal

The author of Counseling Victims of Violence identifies the types of men women should avoid, including physical abusers, men who want mothers, men who prey on lonely women, men to are emotional unavailable, and dangerously clingy men. Original.

"These eight classic works have truly stood the test of time, selling tens of millions of copies and remaining in constant demand. Now, The Secrets of Success, a one-of-a-kind anthology of achievement, reveals why they are every bit as inspiring as they were a century ago. Read such landmark books as The Science of Getting Rich, As a Man Thinketh, and The Magic Story, and you will believe you are truly learning the secrets of the masters coming to you from a hundred years ago. Reflect on the messages of Acres of Diamonds, The Majesty of Calmness, and The Greatest Thing in the World, and you will feel equipped to master the challenges of modern life with the wisdom of the ages"—Back cover.

NEW YORK TIMES BESTSELLER • Ali Wong's heartfelt and hilarious letters to her daughters (the two she put to work while they were still in utero) cover everything they need to know in life, like the unpleasant details of dating, how to be a working mom in a male-dominated profession, and how she trapped their dad. “Knife-sharp . . . a genuine pleasure.”—The New York Times NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Time • Variety • Chicago Tribune • Glamour • New York In her hit Netflix comedy special Baby Cobra, an eight-month pregnant Ali Wong resonated so strongly that she even became a popular Halloween costume. Wong told the world her remarkably unfiltered thoughts on marriage, sex, Asian culture, working women, and why you never see new mom comics on stage but you sure see plenty of new dads. The sharp insights and humor are even more personal in this completely original collection. She shares the wisdom she's learned from a life in comedy and reveals stories from her life off stage, including the brutal single life in New York (i.e. the inevitable confrontation with erectile dysfunction), reconnecting with her roots (and drinking snake blood) in Vietnam, tales of being a wild child growing up in San Francisco, and parenting war stories. Though addressed to her daughters, Ali Wong's letters are absurdly funny, surprisingly moving, and enlightening (and gross) for all. Praise for Dear Girls “Fierce, feminist, and packed with funny anecdotes.”—Entertainment Weekly “[Wong] spins a volume whose pages simultaneously shock and satisfy. . . . Dear Girls is not so much a real-talk handbook as it is a myth-puncturing manifesto.”—Vogue “[A] refreshing, hilarious, and honest account of making a career in a male-dominated field, dating, being a mom, growing up, and so much more...Yes, this book is addressed to Wong's daughters, but every reader will find nuggets of wisdom and inspiration and, most important, something to laugh at.”—Bustle

"The Laws and Secrets of Success" - recently published and already an Amazon bestseller - has quickly received stellar five star reviews from leading Amazon Hall of Fame Reviewers (among the top 100 reviewers on all of Amazon): "Very, very highly recommend this UNIQUE book, it is the best book regarding how to be successful that I have ever read." -Daisy S., TOP 10 AMAZON HALL OF FAME REVIEWER "The power of his intuitions is infectious." -Grady Harp, TOP 50 AMAZON HALL OF FAME REVIEWER "This is one of those books where you will want to underline something important on each page. This is one of the most important books I have read in 2013." -Rebecca of Amazon, TOP 100 AMAZON HALL OF FAME REVIEWER About this book: This book is written in the style of the great Napoleon Hill. Think about this: With all of the success books out there, why don't we have more successful people? Too many success books simply rehash conventional wisdom. The truly great success books, such as "Napoleon Hill's "Think and Grow Rich", instead enable life-changing success breakthroughs because they identify and describe in powerful detail the thinking patterns and principles of the world's most successful individuals. The only way to do this is to study the world's most successful individuals, as Napoleon Hill has done. And as I have done as well. For over two decades I have devoted myself to studying and interviewing the most successful individuals across varying fields, so that I could see and learn for myself the principles which set them apart in terms of their success. And that is what I share with you here. Get ready to throw out many of the things that you thought you knew about success! Let's start at the beginning with a simple truth. Success is hard. Very hard. Very very very hard. We all know that, once we have had a little bit of experience and are honest with ourselves. We all want to be more successful, but let's face it, sometimes we just don't know how. It's because, as they say, "we don't know what we don't know". So we make the same mistakes over and over again (often without fully realizing it until later). And then we blame ourselves (or others) in regard to why things didn't turn out as we had hoped, or planned. It's this simple: If you want to increase your level of success, read this book. We all go through the same struggles. This book - simply but powerfully - is your instruction manual on how to overcome them. Read this book, and in 60 days you won't even recognize the person you used to be. And neither will your family and friends. This is the type of change that allows you to get the things you really want in life. The things previously outside your reach. The things you saw others gain and achieve, but never seemed to be able to get for yourself. That can change today. . We all know that a few better ideas can accelerate one's success substantially. Successful people take their better ideas and know how to leverage them further - and execute them better - than other people do. Once you understand the processes that successful people utilize to do this, you can very quickly ramp up your own success as well. Everybody struggles. Successful people struggle just like unsuccessful people but they learn and use the success principles to overcome the difficulties in their lives to reach their goals. Success breeds confidence, making it easier over time. If you don't want to keep making the same mistakes over and over and over again, you need to understand and understand well what these success principles are. That is what this book provides to you.

INTERNATIONAL BESTSELLER • A contemporary literary classic and "an accomplished psychological thriller ... absolutely chilling" (Village Voice), from the Pulitzer Prize-winning author of The Goldfinch. Under the influence of a charismatic classics professor, a group of clever, eccentric misfits at a New England college discover a way of thought and life a world away from their banal contemporaries. But their search for the transcendent leads them down a dangerous path, beyond human constructs of morality.

Felix Dennis is an expert at proving people wrong. Starting as a college dropout with no family money, he created a publishing empire, founded Maxim magazine, made himself one of the richest people in the UK, and had a blast in the process. How to Get Rich is different from any other book on the subject because Dennis isn't selling snake oil, investment tips, or motivational claptrap. He merely wants to help people embrace entrepreneurship, and to share lessons he learned the hard way. He reveals, for example, why a regular paycheck is like crack cocaine; why great ideas are vastly overrated; and why "ownership isn't the important thing, it's the only thing."

Aleister Crowley's The Book of Lies is an important and complex work of occultism. Deciphering its many layers of hidden meaning requires a little patience and more than a beginner's knowledge of Thelema. For those interested in passing beyond the initiate stage, the reward offered by a deeper understanding of this challenging text is well worth the effort. This new 2018 edition of The Book of Lies from Kismet Publishing restores all of Crowley's original text, including the important keys, sigils and diagrams often omitted from reprints.

Private investigator Maisie Dobbs receives her first assignment from the British Secret Service in A Lesson in Secrets, the eighth book in Jacqueline Winspear's award-winning mystery series. Sent to pose as a junior lecturer at a private college in Cambridge, she will monitor any activities "not in the interests of His Majesty's government." When the college's pacifist founder is murdered, Maisie finds herself in the midst of sinister web of murder, scandal, and conspiracy, activities that point towards members of the ascendant Nationalsozialistische Deutsche Arbeiterpartei—the Nazi Party—on Britain's shores. An instant classic, and sure to captivate long-time Maisie Dobbs fans as well as readers of Agatha Christie, Elizabeth George, and Alexander McCall Smith, A Lesson in Secrets is "a powerful and complex novel, one that will linger in memory as a testament to her talent and her humanity" (Richmond Times-Dispatch).
