A **NEW YORK TIMES**, **USA TODAY**, **AND INDIE BESTSELLER** An Indie Next Pick! *A Man Called Ove* meets *The Good Place* in *Under the Whispering Door*, a delightful queer love story from TJ Klune, author of the *New York Times* and *USA Today* bestseller *The House in the Cerulean Sea*. Welcome to Charon’s Crossing. The tea is hot, the scones are fresh, and the dead are just passing through. When a reaper comes to collect Wallace from his own funeral, Wallace begins to suspect he might be dead. And when Hugo, the owner of a peculiar tea shop, promises to help him cross over, Wallace decides he’s definitely dead. But even in death he’s not ready to abandon the life he barely lived, so when Wallace is given one week to cross over, he sets about living a lifetime in seven days. Hilarious, haunting, and kind, *Under the Whispering Door* is an uplifting story about a life spent at the office and a death spent building a home. At the *Publisher’s request*, this title is being sold without Digital Rights Management Software (DRM) applied.

A new, updated and expanded edition of this *New York Times* bestseller on how to reconstruct your life so it’s not all about work *Forget the old concept of retirement and the rest of the deferred-life plan - there is no need to wait and every reason not to, especially in unpredictable economic times. Whether your dream is escaping the rat race, experiencing high-end world travel, earning a monthly five-figure income with zero management, or just living more and working less, this book is the blueprint. This step-by-step guide to luxury lifestyle design teaches:
* How Tim went from \$40,000 dollars per year and 80 hours per week to \$40,000 per MONTH and 4 hours per week
* How to outsource your life to overseas virtual assistants for \$5 per hour and do whatever you want
* How blue-chip escape artists travel the world without quitting their jobs
* How to eliminate 50% of your work in 48 hours using the principles of a forgotten Italian economist
* How to trade a long-haul career for short work bursts and frequent ‘mini-retirements’.
This new updated and expanded edition includes: More than 50 practical tips and case studies from readers (including families) who have doubled their income, overcome common sticking points, and reinvented themselves using the original book as a starting point
* Real-world templates you can copy for eliminating email, negotiating with bosses and clients, or getting a private chef for less than £5 a meal
* How lifestyle design principles can be suited to unpredictable economic times
* The latest tools and tricks, as well as high-tech shortcuts, for living like a diplomat or millionaire without being either.*

*I’m Glad My Mom Died*Simon and Schuster
The Mixing Engineer’s Handbook has since become the go-to text on mixing for recording programs in colleges and universities around the world. Now available in a completely revised fourth edition, the book remains the best, most up-to-date source for mastering the art and science of creating pro-quality mixes .

#1 NEW YORK TIMES BESTSELLER • Once he was a well-liked, well-paid young partner in a thriving Mississippi law firm. Then Patrick Lanigan stole ninety million dollars from his own firm—and ran for his life. For four years, he evaded men who were rich and powerful, and who would stop at nothing to find him. Then, inevitably, on the edge of the Brazilian jungle, they finally tracked him down. Now Patrick is coming home. And in the Mississippi city where it all began, an extraordinary trial is about to begin. As prosecutors circle like sharks, as Patrick’s lawyer prepares his defense, as Patrick’s lover prays for his deliverance and his former partners wait for their revenge, another story is about to emerge. Because Patrick Lanigan, the most reviled white-collar criminal of his time, knows something that no one else in the world knows. He knows the truth.

“Ace of Shades has it all ...an utter delight.”—Claire Legrand, *New York Times* bestselling author of *Furyborn* From the *New York Times* bestselling coauthor of *All of Us Villains*. Welcome to the City of Sin, where casino families reign, gangs infest the streets...and secrets hide in every shadow. New Reyes, the so-called City of Sin, is no place for a properly raised young lady. But when her mother goes missing, Enne Salta must leave her finishing school—and her reputation—behind to follow her mother’s trail in the city where no one survives uncorrupted. Frightened and alone, Enne’s only clue leads her to Levi Grayler—a street lord and a con man in desperate need of the compensation Enne offers. Their search sends this unlikely duo through glamorous casinos, illicit cabarets, and into the clutches of a ruthless Mafia donna. But as Levi’s enemies close in on them, a deadly secret from Enne’s past comes to light and she must surrender herself to the City of Sin – to a vicious game of execution. Where the players never win. Praise for *Ace of Shades*: “A rich, satisfying, complicated story. One of the best fantasy series I’ve read in years.”—Christine Lynn Herman, author of *The Devouring Gray* “Thieves, rogues, and shady characters have always fascinated me, and so I enjoyed my dive into the morally ambiguous world of *New Reyes*.” —*New York Times* bestselling author Cinda Williams Chima *The Shadow Game Series: Ace of Shades King of Fools Queen of Volts*

Offers a narrative history of the role of the U.S. in a series of coups, revolutions, and invasions that toppled fourteen foreign governments, from the overthrow of the Hawaiian monarchy in 1893 to the 2003 war in Iraq, and examines the sometimes disastrous long-term repercussions of such operations. Reprint.

*In this accessible, prescriptive, and widely applicable manual, Google’s first engineering director and current Innovation Agitator Emeritus provides critical advice for rethinking how we launch a new idea, product, or business, insights to help successfully beat the law of market failure: that most new products will fail, even if competently executed. Millions of people around the world are working to introduce new ideas. Some will turn out to be stunning successes and have a major impact on our world and our culture: The next Google, the next Polio vaccine, the next Harry Potter, the next Red Cross, the next Ford Mustang. Others successes will be smaller and more personal, but no less meaningful: A restaurant that becomes a neighborhood favorite, a biography that tells an important story, a local nonprofit that cares for abandoned pets. Simultaneously, other groups are working equally hard to develop new ideas that, when launched, will fail. Some will fail spectacularly and publicly: New Coke, the movie John Carter, the Ford Edsel. Others failures will be smaller and more private, but no less failure: A home-based business that never takes off, a children’s book that neither publishers nor children have any interest in, a charity for a cause too few people care about. Most people believe that their venture will be successful. But the law of market failure tells us that up to 90 percent of most new products, services, businesses, and initiatives will fail soon after launch—regardless of how promising they sound, how much we commit to them, or how well we execute them. This is a hard fact to accept. Combining detailed case studies with personal insight drawn from his time at Google, his experience as an entrepreneur and consultant, and his lectures at Stanford University and Google, Alberto Savoia offers an unparalleled approach to beating the beast that is market failure: “Make sure you are building The Right It before you build It right,” he advises. In *The Right It*, he provides lessons on creating your own hard data, a strategy for market engagement, and an introduction to the concept of a pretotype (not a prototype). Groundbreaking, entertaining, and highly practical, this essential guide delivers a proven formula for ensuring ideas, products, and businesses succeed.*

Girls Can Kiss Now

Will

The Mixing Engineer’s Handbook 4th Edition

For the first time in history, eradicating world poverty is within our reach. Yet around the world, a billion people struggle to live each day on less than many of us pay for bottled water. In *The Life You Can Save*, Peter Singer uses ethical arguments, illuminating examples, and case studies of charitable giving to show that our current response to world poverty is not only insufficient but morally indefensible. The *Life You Can Save* teaches us to be a part of the solution, helping others as we help ourselves.

When ten people arrive on private Indian Island off England’s southwest coast, lured to a mansion by invitations from a mysterious host, terror mounts as one guest after another is murdered, in a classic whodunit that is an elaboration of the famous children’s rhyme “Ten Little Indians.” Reader’s Guide included. Reprint. 100,000 first printing.

This newly reissued debut book in the Rutgers University Press Classics imprint is the story of the search for a rocket propellant which could be trusted to take man into space. This search was a hazardous enterprise carried out by rival labs who worked against the odds with no guarantee of success or safety. Acclaimed scientist and sci-fi author John Drury Clark writes with irreverent and eyewitness immediacy about the development of the explosive fuels strong enough to negate the relentless restraints of gravity. The resulting volume is as much a memoir as a work of history, sharing a behind-the-scenes view of an enterprise which eventually took men to the moon, missiles to the planets, and satellites to outer space. A classic work in the history of science, as described as “a good book on rocket stuff...that’s a really fun one” by SpaceX founder Elon Musk, readers will want to get their hands on this influential classic, available for the first time in decades.

The beloved, #1 global bestseller by John Green, author of *The Anthropocene Review* and *Turtles All the Way Down*
John Green is one of the best writers alive. - Lockhart, #1 bestselling author of *We Were Liars*
“The greatest romance story of this decade?”-Entertainment Weekly
#1 *New York Times* Bestseller • #1 *Wall Street Journal* Bestseller • #1 *USA Today* Bestseller • #1 *International Bestseller*
Despite the tumor-shrinking medical miracle that has brought her a few years, Hazel has never been anything but terminal, her final chapter inscribed upon diagnosis. But when a gorgeous plot twist named Augustus Waters suddenly appears at Cancer Kid Support Group, Hazel’s story is about to be completely rewritten. From John Green, #1 bestselling author of *The Anthropocene Review* and *Turtles All the Way Down*, *The Fault in Our Stars* is insightful, bold, irreverent, and raw. It brilliantly explores the funny, thrilling, and tragic business of being alive and in love.

Looks at one day in the lives of the Guardado family, peasants caught up in the terror and corruption of El Salvador

One day Sophie comes home from school to find two questions in her mail: “Who are you?” and “Where does the world come from?” Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostin Gaarder’s unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

Did I Mention I Love You is the first book in the phenomenal DIMILY trilogy, following the lives of Eden Munro and Tyler Bruos as they try to find their way in an increasingly confusing world. When sixteen-year-old Eden Munro agrees to spend the summer with her estranged father in the beachfront city of Santa Monica, California, she has no idea what she’s letting herself in for. Eden’s parents are divorced and have gone their separate ways, and now her father has a brand new family. For Eden, this means about to meet three new step-brothers. The eldest of the three is Tyler Bruos, a troubled teenager with a short temper and a huge ego. Eden’s complete polar opposite. Eden quickly finds herself thrust into a world full of new experiences as Tyler’s group of friends take her under their wing. But one thing she can’t understand is Tyler, and the more she tries to figure him out, the more she finds herself falling for the one person she shouldn’t - her stepbrother. How can Eden keep her feelings under control? And can she ever work out the truth about Tyler? PRAISE FOR THE DIMILY TRILOGY It’s a safe bet the film will be out by 2017. THE OBSERVER Maskame’s followers are voracious readers and the Scot has had to grow accustomed to every plot twist being feverishly discussed. THE HERALD Like Zoella, [Estelle] knows a thing or two about self-promotion... [the books have] received pretty much universal acclaim from her 125,000 followers. THE TIMES A viral, literary hit! A clever modern twist on the age-old tale of star-crossed lovers. THE HERALD WEEKEND MAGAZINE A new generation of talent! THE SCOTTISH SUN Authors are often advised to write what you know. Wisely, [Estelle] ignored that advice. THE LIST She’s only 17, but Estelle Maskame has already gained a global fanbase. STV The Aberdeenshire schoolgirl has had 4 million hits on Wattpad, signed a three-book publishing deal for her *Did I Mention I Love You* series and is still only 17. Did we mention we’re jealous! THE GRAPH OF GREATNESS: FABULOUS MAGAZINE (SUN ON SUNDAY) Despite facing some tough competition within the YA group, notably from the likes of the Hunger Games’ Suzanne Collins, at just eighteen years of age, Maskame has proven herself to be just as worthy of the prize and attention she has so far received, and such praise is unlikely to stop heading her way anytime soon. America’s Century of Regime Change from Hawaii to Iraq

A Study Guide and a Teacher’s Manual to Gospel Principles was written both as a personal study guide and as a teacher’s manual. As you study it, seeking the Spirit of the Lord, you can grow in your understanding and testimony of God the Father, Jesus Christand His Atonement, and the Restoration of the gospel. You can find answers to life’s questions, gain an assurance of your purpose and self-worth, and face personal and family challenges with faith. *The instant #1 New York Times bestseller! “It’s the best memoir I’ve ever read.” —Oprah Winfrey* “Will Smith isn’t holding back in his bravely inspiring new memoir. . . . An ultimately heartwarming read, Will provides a humane glimpse of the man behind the actor, producer and musician, as he bares all his insecurities and trauma.” —USA Today Winner of the NAACP Image Award for Outstanding Literary Achievement *One of the most dynamic and globally recognized entertainment forces of our time opens up fully about his life, in a brave and inspiring book that traces his learning curve to a place where outer success, inner happiness, and human connection are aligned. Along the way, Will tells the story in full of one of the most amazing rides through the worlds of music and film that anyone has ever had. Will Smith’s transformation from a West Philadelphia kid to one of the biggest rap stars of his era, and then one of the biggest movie stars in Hollywood history, is an epic tale—but it’s only half the story. Will Smith thought, with good reason, that he had won at life; not only was his own success unparalleled, his whole family was at the pinnacle of the entertainment world. Only they didn’t see it that way; they felt more like star performers in his circus, a seven-days-a-week job they hadn’t signed up for. It turned out Will Smith’s education wasn’t nearly over. This memoir is the product of a profound journey of self-knowledge, a reckoning with all that your will can get you and all that it can leave behind. Written with the help of Mark Manson, author of the multi-million-copy bestseller *The Subtle Art of Not Giving a F*ck*, Will is the story of how one person mastered his own emotions, written in a way that can help everyone else do the same. Few of us will know the pressure of performing on the world’s biggest stages for the highest of stakes, but we can all understand that the fuel that works for one stage of our journey might have to be changed if we want to make it all the way home. The combination of genuine wisdom of universal value and a life story that is preposterously entertaining, even astonishing, puts Will the book, like its author, in a category by itself.*

Considered by many to be mentally retarded, a brilliant, impatient fifth-grader with cerebral palsy discovers a technological device that will allow her to speak for the first time.

Penetration testers simulate cyber attacks to find security weaknesses in networks, operating systems, and applications. Information security experts worldwide use penetration techniques to evaluate enterprise defenses. In Penetration Testing, security expert, researcher, and trainer Georgia Weidman introduces you to the core skills and techniques that every pentester needs. Using a virtual machine-based lab that includes Kali Linux and vulnerable operating systems, you’ll run through a series of practical lessons with tools like Wireshark, Nmap, and Burp Suite. As you follow along with the labs and launch attacks, you’ll experience the key stages of an actual assessment—including information gathering, finding exploitable vulnerabilities, gaining access to systems, post exploitation, and more. Learn how to: –Crack passwords and wireless network keys with brute-forcing and wordlists –Test web applications for vulnerabilities –Use the Metasploit Framework to launch exploits and write your own NetSploit modules –Automate social-engineering attacks –Bypass antivirus software –Turn access to one machine into total control of the enterprise in the post exploitation phase You’ll even explore writing your own exploits. Then it’s on to mobile hacking—Weidman’s particular area of research—with her tool, the Smartphone Pentest Framework. With its collection of hands-on lessons that cover key tools and strategies, Penetration Testing is the introduction that every aspiring hacker needs.

A special 25th anniversary edition of the extraordinary international bestseller, including a new Foreword by Paulo Coelho. Combining magic, mysticism, wisdom and wonder into an inspiring tale of self-discovery, The Alchemist has become a modern classic, selling millions of copies around the world and transforming the lives of countless readers across generations. Paulo Coelho’s masterpiece tells the mystical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure. His quest will lead him to riches far different—and far more satisfying—than he ever imagined. Santiago’s journey teaches us about the essential wisdom of listening to our hearts, of recognizing opportunity and learning to read the omens strewn along life’s path, and, most importantly, to follow our dreams.

USA TODAY BESTSELLER Un nuevo libro de memorias de la cantante ganadora del Latin Grammy y autora bestseller del *New York Times*, Chiquis Rivera, quien comparte sus triunfos, desafíos y lecciones de vida tras la muerte de su madre, Jenni Rivera. En los meses que siguieron a la trágica muerte de su madre, el mundo de Chiquis Rivera cayó en picada. Después de dejar de lado sus sueños para apoyar la metamorfosis de Jenni Rivera de cantante en ciernes a legendaria “Diva de la Banda”, un desgarrador malentendido impulsó a Jenni a excluir a Chiquis de su testamento y a desterrar a su hija de su vida. Aun abatida y procesando esta peripetia, Chiquis luego se vio sumida en la oscuridad con el fallecimiento prematuro de su madre. Mientras intentaba desesperadamente recoger los pedazos rotos de su vida, también tuvo que sacar fuerzas para volver a crear y cuidar a sus hermanos como hermana, figura materna y amiga. Rendirse no era una opción. Salir de la sombra de la ilustre carrera de su madre y descubrir su propia identidad como cantante fue un reto en sí mismo...pero navegar sus relaciones malsanas casi la hundió. Cuando Chiquis comoco y se casa con quien cree ser el hombre de sus sueños, parece que por fin todo se empieza a acomodar. Pero un secreto oscuro desmorona su relación, empujándola a recurrir a una mujer soltera, chingona y segura de sí misma. Con la calidez, el humor y la positividad que la caracterizan, Chiquis comparte su cruda e íntima batalla para reconstruirse después de Jenni. También revela los detalles detrás de lo que ocurrió en su matrimonio, dónde se encuentra con respiccia al legado de la familia Rivera, cómo pasó de ser una cantante con los nervios de punta y una emprendedora novata a una intérprete ganadora de un Grammy y una próspera empresaria, y qué visualiza para su futuro. Al final, nada puede detener a Chiquis. Su filosofía de vida lo dice todo: “O gano o aprendo”. Lleno de revelaciones afirmativas, Chiquis comparte su mayor regalo con sus fans: las lecciones inspiradoras y accesibles que la han hecho invencible.

Twelve years ago, our fates were sealed with a kiss. We are all, for better or worse, doomed to love each other until death do us part. My heart belongs to Proserpina and St. Sebastian—even if he no longer wants it. Even if she has left it behind to follow him. Delphine’s fled back home, and Becket’s holy calling is in peril. And now only Rebecca and I remain at Thornchapel to face the unknown. The door is open. The door that shouldn’t exist; the door that people have died to close. I don’t feel like the lord of the manor. I don’t feel like a king or a wild god. I am a friend and a boyfriend and a brother—and a failure at being all of these things. But the door doesn’t care about my guilt. It only cares about the sacrifice I’ll make to close it. As the brewing dark of Samhain approaches, so does the fate of our circle, of Thornchapel and the village and the valley beyond it. And I must don the crown, because one thing is still true, even if I must face it alone.

Here at Thornchapel, the kings must go to the door. Here at Thornchapel, all kings must die. This text introduces the spirit and theory of hacking as well as the science behind it all; it also provides some core techniques and tricks of hacking so you can think like a hacker, write your own hacks or thwart potential system attacks.

Acting Now to End World Poverty

The Gentle Art of Persuasion

A woman’s search to uncover the truth about her mother ignites danger and passion in this novel from #1 *New York Times* bestselling author Julie Garwood. *Daddy’s girl* Cordelia Kane is devastated when her father has a serious heart attack, and the emotion is only intensified by the confusion she feels when he reveals the shocking truth about her late mother. Desperate to find answers to her questions about the woman who gave birth to her, Cordelia hitches a ride to Sydney, Australia, on the company jet of hotel magnate Aiden Madison, her best friend’s brother. Aiden wants to help Cordelia, but frets from her wealthy, high-powered family quickly become dangerous. As sparks fly between them, multiple attempts are made on Cordelia’s life—and Aiden realizes he must put a stop to the madness before he loses the thing he values most. “An intense snapshot of the chain reaction caused by pulling a trigger.” —Booklist (starred review) “Astonishing.” —*Kirkus Reviews* (starred review) “A tour de force.” —*Publishers Weekly* (starred review) *A Newbery Honor Book* *A Coretta Scott King Honor Book* *A Printz Honor Book* *A Time Best YA Book of All Time* (2021) *A Los Angeles Times Book Prize Winner for Young Adult Literature* Longlisted for the National Book Award for Young People’s Literature Winner of the Walter Dean Myers Award An Edgar Award Winner for Best Young Adult Fiction Parents’ Choice Gold Award Winner An Entertainment Weekly Best YA Book of 2017 A *Vulture* Best YA Book of 2017 *A Buzzfeed Best YA Book of 2017* An ode to *Put the Damn Guns Down*, this is *New York Times* bestselling author Jason Reynolds’s electrifying novel that takes place in sixty potent seconds—the time it takes a kid to decide whether or not he’s going to murder the guy who killed his brother. A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That’s what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That’s where Will’s now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother’s gun. He gets on the elevator, seventh floor, stoked. He knows who he’s after. Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that’s when Will sees that one bullet is missing. And the only one who could have fired Shawn’s gun was Shawn. Huh. Will didn’t know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck’s in the elevator? Just as Will’s trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck’s cigarette. Will doesn’t know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might as well be the end. . . . Will gets off that elevator. Told in short, fierce staccato narrative verse, *Long Way Down* is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.

#1 NEW YORK TIMES BESTSELLER #1 INTERNATIONAL BESTSELLER A heartbreaking and hilarious memoir by Carly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother’s dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called “calorie restriction,” eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, “Your eyelashes are invisible, okay? You think Dakota Fanning doesn’t tint hers?” She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In *I’m Glad My Mom Died*, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called *iCarly*, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi (“Hi Gale!”), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the *Carly* spinoff *Sam & Cat* alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, *I’m Glad My Mom Died* is an inspiring story of resilience, independence, and the joy of shampooing your own hair.

Named one of the Most Anticipated Books of 2022 by Vogue, BuzzFeed, Bustle, Marie Claire, Harper’s Bazaar, Electric Lit, Thrillist, Glamour, CNN, and Shondaland “Wickedly funny and heartstopingly vulnerable...every page twinkles with brilliance.” —*Refinery29 Perfect for fans of Samantha Lby and Trick Mirror, a funny, whip-smart collection of personal essays exploring the intersection of queerness, relationships, pop culture, the internet, and identity, introducing one of the most undeniably original new voices today. Jill Gutowski’s life—for better and worse—has always been on a collision course with pop culture. There’s the time the FBI showed up at her door because of something she tweeted about Game of Thrones. The pop songs that have been the soundtrack to the worst moments of her life. And of course, the pivotal day when Orange Is the New Black hit the airwaves and broke down the door to Jill’s own sexuality. In these honest examinations of identity, desire, and self-worth, Jill explores perhaps the most monumental cultural shift of our lifetimes: the mainstreaming of lesbian culture. Disting of her own personal traumas and artifacts of her not-so-distant youth she examines how pop culture acts as a fun house mirror reflecting and refracting our values—always breaking, distracting, disappointing, and revealing us. Girls Can Kiss Now is a fresh and intoxicating blend of personal stories, sharp observations, and laugh-out-loud humor. This timely collection of essays helps us make sense of our collective pop-culture past even as it paints the way toward a joyous, uproarious, near—and very queer—future.*

Now a major motion picture starring Cole Sprouse and Haley Lu Richardson! Goodreads Choice Winner, Best Young Adult Fiction in 2019 In this #1 *New York Times* bestselling novel that’s perfect for fans of John Green’s *The Fault in Our Stars*, two teens fall in love with just one minor complication—they can’t get within a few feet of each other without risking their lives. Can you love someone you can never touch? Stella Grant likes to be in control—even though her totally out of control lungs have sent her in and out of the hospital most of her life. At this point, what Stella needs to control most is keeping herself away from anyone or anything that might pass along an infection and jeopardize the possibility of a lung transplant. Six feet apart. No exceptions. The only thing Will Newman wants to be in control of is getting out of this hospital. He couldn’t care less about his treatments, or a fancy new clinical drug trial. Soon, he’ll turn eighteen and then he’ll be able to unplug all these machines and actually go see the world, not just its hospitals. Will’s exactly what Stella needs to stay away from. If he so much as breathes on Stella she could lose her spot on the transplant list. Either one of them could die. The only way to stay alive is to stay apart. But suddenly six feet doesn’t feel like safety. It feels like punishment. What if they could steal back just a little bit of the space their broken lungs have stolen from them? Would five feet apart really be so dangerous if it stops their hearts from breaking too?

They Both Die at the End

#1 NEW YORK TIMES BESTSELLER • **NEWBERY MEDAL WINNER** • **NATIONAL BOOK AWARD WINNER** Deep dig in this award-winning, modern classic that will remind readers that adventure is right around the corner—or just under your feet! Stanley Yelnats is under a curse. A curse that began with his no-good-dirt-rotten-pig-stealing-great-great-grandfather and has since followed generations of Yelnatses. Now Stanley has been unjustly sent to a boys’ detention center, Camp Green Lake, where the boys build character by spending all day, every day digging holes exactly five feet wide and five feet deep. There is no lake at Camp Green Lake. But there are an awful lot of holes. It doesn’t take long for Stanley to realize there’s more than character improvement going on at Camp Green Lake. The boys are digging holes because the warden is looking for something. But what could be buried under a dried-up lake? Stanley tries to dig up the truth in this inventive and darkly humorous tale of crime and punishment—and redemption. “A smart jigsaw puzzle of a novel.” —*New York Times* *Includes a double bonus: an excerpt from *Small Steps*, the follow-up to *Holes*, as well as an excerpt from the *New York Times* bestseller *Fuzzy Mud*.

In these honest examinations of identity, desire, and self-worth, Jill explores perhaps the most monumental cultural shift of our lifetimes: the mainstreaming of lesbian culture. Disting of her own personal traumas and artifacts of her not-so-distant youth she examines how pop culture acts as a fun house mirror reflecting and refracting our values—always breaking, distracting, disappointing, and revealing us. Girls Can Kiss Now is a fresh and intoxicating blend of personal stories, sharp observations, and laugh-out-loud humor. This timely collection of essays helps us make sense of our collective pop-culture past even as it paints the way toward a joyous, uproarious, near—and very queer—future.*

Now a major motion picture starring Cole Sprouse and Haley Lu Richardson! Goodreads Choice Winner, Best Young Adult Fiction in 2019 In this #1 *New York Times* bestselling novel that’s perfect for fans of John Green’s *The Fault in Our Stars*, two teens fall in love with just one minor complication—they can’t get within a few feet of each other without risking their lives. Can you love someone you can never touch? Stella Grant likes to be in control—even though her totally out of control lungs have sent her in and out of the hospital most of her life. At this point, what Stella needs to control most is keeping herself away from anyone or anything that might pass along an infection and jeopardize the possibility of a lung transplant. Six feet apart. No exceptions. The only thing Will Newman wants to be in control of is getting out of this hospital. He couldn’t care less about his treatments, or a fancy new clinical drug trial. Soon, he’ll turn eighteen and then he’ll be able to unplug all these machines and actually go see the world, not just its hospitals. Will’s exactly what Stella needs to stay away from. If he so much as breathes on Stella she could lose her spot on the transplant list. Either one of them could die. The only way to stay alive is to stay apart. But suddenly six feet doesn’t feel like safety. It feels like punishment. What if they could steal back just a little bit of the space their broken lungs have stolen from them? Would five feet apart really be so dangerous if it stops their hearts from breaking too?

They Both Die at the End

#1 NEW YORK TIMES BESTSELLER • **NEWBERY MEDAL WINNER** • **NATIONAL BOOK AWARD WINNER** Deep dig in this award-winning, modern classic that will remind readers that adventure is right around the corner—or just under your feet! Stanley Yelnats is under a curse. A curse that began with his no-good-dirt-rotten-pig-stealing-great-great-grandfather and has since followed generations of Yelnatses. Now Stanley has been unjustly sent to a boys’ detention center, Camp Green Lake, where the boys build character by spending all day, every day digging holes exactly five feet wide and five feet deep. There is no lake at Camp Green Lake. But there are an awful lot of holes. It doesn’t take long for Stanley to realize there’s more than character improvement going on at Camp Green Lake. The boys are digging holes because the warden is looking for something. But what could be buried under a dried-up lake? Stanley tries to dig up the truth in this inventive and darkly humorous tale of crime and punishment—and redemption. “A smart jigsaw puzzle of a novel.” —*New York Times* *Includes a double bonus: an excerpt from *Small Steps*, the follow-up to *Holes*, as well as an excerpt from the *New York Times* bestseller *Fuzzy Mud*.

Five Feet Apart

Named one of the Most Anticipated Books of 2022 by Vogue, BuzzFeed, Bustle, Marie Claire, Harper’s Bazaar, Electric Lit, Thrillist, Glamour, CNN, and Shondaland “Wickedly funny and heartstopingly vulnerable...every page twinkles with brilliance.” —*Refinery29 Perfect for fans of Samantha Lby and Trick Mirror, a funny, whip-smart collection of personal essays exploring the intersection of queerness, relationships, pop culture, the internet, and identity, introducing one of the most undeniably original new voices today. Jill Gutowski’s life—for better and worse—has always been on a collision course with pop culture. There’s the time the FBI showed up at her door because of something she tweeted about Game of Thrones. The pop songs that have been the soundtrack to the worst moments of her life. And of course, the pivotal day when Orange Is the New Black hit the airwaves and broke down the door to Jill’s own sexuality. In these honest examinations of identity, desire, and self-worth, Jill explores perhaps the most monumental cultural shift of our lifetimes: the mainstreaming of lesbian culture. Disting of her own personal traumas and artifacts of her not-so-distant youth she examines how pop culture acts as a fun house mirror reflecting and refracting our values—always breaking, distracting, disappointing, and revealing us. Girls Can Kiss Now is a fresh and intoxicating blend of personal stories, sharp observations, and laugh-out-loud humor. This timely collection of essays helps us make sense of our collective pop-culture past even as it paints the way toward a joyous, uproarious, near—and very queer—future.*
