—The New York Times A story of summer, secrets, love, and lies: in the course of a singular day on Cape Cod, one woman must make a life-changing decision that has been brewing for decades. “ This house, this

is a perfect August morning, and
Elle, a fifty-year-old happily
married mother of three,

place which she has visited

As Heller colors in the

this day, we arrive at her
ultimate decision with all its

devastating, The Paper Palace
considers the tensions between
desire and dignity, the legacies
of abuse, and the crimes and
misdemeanors of families.
