

A Shade Of Vampire 27: A Web Of Lies

Reylan is everything a Sydney vampire aspires to be: wealthy, handsome and independent, carefully feeding off companions plucked from the gay bars of Oxford Street. When one of those companions is killed by Jorgas, a hot-headed young werewolf prowling his streets, Reylan reluctantly puts his cherished lifestyle of and boys on hold to help a mysterious alliance of supernatural beings track down the beast. It can't be that hard... not when Jorgas keeps coming after him. But there's more to this werewolf than a body count and a bad attitude. As their relationship grows deeper and more twisted, Reylan tastes Jorgas' blood, reawakening desires he had thought long dead. And what evolves between them may be far more dangerous than some rival predator in the dark... Born in Toowoomba, Queensland, Christian completed his MA in Creative Writing at University of Technology, Sydney, soaking in influences such as Anne Rice and Clive Barker along the way. His mostly non-fictional scribbles have appeared in publications in Australia and Canada, including Same Same and Charlebois Post. Having lived in Brisbane, Sydney and Toronto, his off-the-page publishing career has included stints with Indigo Books and Random House. His dual passions for travel and mythology have sent him chasing legendary monsters across the globe, including vampires in New Orleans, asuras in Bangkok and theatre critics in New York. *The Beast Without* is his first novel.

YOU JUST CAN'T KEEP A GOOD CORPSE DOWN If the dead could come back for just one night, would we want them to? Meet the Haskins, a seemingly normal suburban family, as they prepare for the annual macabre holiday known as "Dead Day" - when the deceased rise from the grave from sunset to sunrise. Some come to reunite with family and friends, others for one last night of debauchery, still others with only one thing on their decomposing minds: revenge. From writer Ryan Parrish (OBERON, VOLITION, Power Rangers) and artist Evgeniy Borneyakov (DESCENDENT, YOU ARE OBSOLETE) comes an unnerving tale of existential horror with grave consequences.

A brutal murder, a suspect in jail, and an execution planned--but what if the wrong person is about to be killed? When a fellow U.S. Marshal asks Anita Blake to fly to a tiny community in Michigan's Upper Peninsula on an emergency consult, she knows time is running short. When she arrives, there is plenty of proof that a young wereleopard killed his uncle in the most gruesome and bloody way possible. As the mounting evidence points to him, a warrant of execution is already under way. But something seems off about the murder, and Anita has been asked for her expert opinion on the crime scene. Despite escalating pressure from local cops and the family's cries for justice for their dead patriarch, Anita quickly realizes that the evidence doesn't quite add up. Time is against Anita, as the tight-knit community is in arms and its fear of supernaturals is growing. She races to uncover the truth and determine whether the Marshals have caught the killer or are about to execute an innocent man--all in the name of justice.

#1 NEW YORK TIMES BESTSELLER • Everybody tells you to live for a cause larger than yourself, but how exactly do you do it? The author of The Road to Character explores what it takes to lead a meaningful life in a self-centered world. "Deeply moving, frequently eloquent and extraordinarily incisive."—The Washington Post Every so often, you meet people who radiate joy—who seem to know why they were put on this earth, who glow with a kind of inner light. Life, for these people, has often followed what we might think of as a two-mountain shape. They get out of school, they start a career, and they begin climbing the mountain they thought they were meant to climb. Their goals on this first mountain are the ones our culture endorses: to be a

success, to make your mark, to experience personal happiness. But when they get to the top of that mountain, something happens. They look around and find the view . . . unsatisfying. They realize: This wasn't my mountain after all. There's another, bigger mountain out there that is actually my mountain. And so they embark on a new journey. On the second mountain, life moves from self-centered to other-centered. They want the things that are truly worth wanting, not the things other people tell them to want. They embrace a life of interdependence, not independence. They surrender to a life of commitment. In *The Second Mountain*, David Brooks explores the four commitments that define a life of meaning and purpose: to a spouse and family, to a vocation, to a philosophy or faith, and to a community. Our personal fulfillment depends on how well we choose and execute these commitments. Brooks looks at a range of people who have lived joyous, committed lives, and who have embraced the necessity and beauty of dependence. He gathers their wisdom on how to choose a partner, how to pick a vocation, how to live out a philosophy, and how we can begin to integrate our commitments into one overriding purpose. In short, this book is meant to help us all lead more meaningful lives. But it's also a provocative social commentary. We live in a society, Brooks argues, that celebrates freedom, that tells us to be true to ourselves, at the expense of surrendering to a cause, rooting ourselves in a neighborhood, binding ourselves to others by social solidarity and love. We have taken individualism to the extreme—and in the process we have torn the social fabric in a thousand different ways. The path to repair is through making deeper commitments. In *The Second Mountain*, Brooks shows what can happen when we put commitment-making at the center of our lives.

Room for Rent: Normal need not apply This old Boston brownstone is not known for quiet living...first the shapeshifter meets his nurse, then the werewolf falls for his sassy lawyer, but now the vampire is looking for love with a witch who's afraid of the dark...and you thought your neighbors had issues! Undead Sly is content playing vigilante vampire, keeping the neighborhood safe from human criminals, until Morgaine moves in upstairs. Suddenly he finds himself weak with desire, which isn't a good place for a vampire to be. And Morgaine isn't exactly without her own issues – will the two of them be able to get past their deepest fears before their chance at "normal" slips away... Praise for *The Werewolf Upstairs*: "Witty and wonderful...the entertaining plot, humor, sizzling sensual scenes, and romance make this story unforgettable."—Romance Junkies "Original and full of laughs, steamy sex, and madcap mayhem."—Night Owl Romance "An entertaining, funny read." —RT Book Reviews "Delicious romance...The Werewolf Upstairs seduced me!"—Sparkling Reviews

In the straits of necessity, sometimes there isn't room for freedom. *The Price of Silver* is the second book in Josie Jaffrey's *Solis Invicti* paranormal romance series, set in a dystopian, post-apocalyptic London where a deadly infection threatens to wipe out humanity. The only people who can stem its advance are the Silver, a vampiric race who offer a simple exchange: protection in return for

blood and subservience. Emmy is fenced in by the city, the walls marking the edge of safety closing in around her and sealing her in with one vampire who loves her and another who wants her dead. As she struggles to keep herself and the people she cares about alive, her fellow humans chafe against their enforced submission, and it becomes clear that there are bigger schemes and greater deceptions in play than she had ever imagined. All the while, the monsters wait outside the barricades for their moment. Of one thing she is certain: without the help of the Silver, the humans won't be safe for long.

In a world ever more congested and polluted with both toxins and noise, award-winning photographer Pete McBride takes readers on a once-in-a-lifetime escape to find places of peace and quiet—a pole-to-pole, continent-by-continent quest for the soul. We tend to think of silence as the absence of sound, but it is actually the void where we can hear the sublime notes of nature. Here, photographer Pete McBride reveals the wonders of these hushed places in spectacular imagery—from the thin-air flanks of Mount Everest to the depths of the Grand Canyon, from the high-altitude vistas of the Atacama to the African savannah, and from the Antarctic Peninsula to the flowing waters of the Ganges and Nile. These places remind us of the magic of being “truly away” and how such places are vanishing. Often showing beauty from vantages where no other photographer has ever stood, this is a seven-continent visual tour of global quietude—and the power in nature’s own sounds—that will both inspire and calm.

'MEIN KAMPF' is the autobiography of Adolf Hitler gives detailed insight into the mission and vision of Adolf Hitler that shook the world. This book is the merger of two volumes. The first volume of MEIN KAMPF' was written while the author was imprisoned in a Bavarian fortress. The book deals with events which brought the author into this blight. It was the hour of Germany's deepest humiliation, when Napoleon has dismembered the old German Empire and French soldiers occupied almost the whole of Germany. The books narrates how Hitler was arrested with several of his comrades and imprisoned in the fortress of Landsberg on the river Lech. During this period only the author wrote the first volume of MEIN KAMPF. The Second volume of MEIN KAMPF was written after release of Hitler from prison and it was published after the French had left the Ruhr, the tramp of the invading armies still echoed in German ears and the terrible ravages had plunged the country into a state of social and economic Chaos. The beauty of the book is, MEIN KAMPF is an historical document which bears the imprint of its own time. Moreover, Hitler has declared that his acts and 'public statements' constitute a partial revision of his book and are to be taken as such. Also, the author has translated Hitler's ideal, the Volkischer Staat, as the People's State. The author has tried his best making German Vocabulary easy to understand. You will never be satisfied until go through the whole book. A

must read book, which is one of the most widely circulated and read books worldwide.
