

A Skeleton In God's Closet: A Novel

The Great Procession chronicles a series of encounters with the Holy Spirit that Jacob Reeve experienced over the course of nine months immediately following a 40-day fast. During this time, Jacob was awakened almost every night by the Spirit to receive the next portion of an ongoing parable that picked up where it left off the night before. As the story unfolds, so does the contrast between the divisive religious mindset and the mindset of pure identity in Christ. The Spirit is revealing what it looks like for mankind to venture out from the island of isolation and into the open forests of God's Kingdom: hence the Great Procession. For many, this parable will represent a foundational shift in the way everything is seen. The Incredible insights from the Holy Spirit answer many of those deep-down questions about life, purpose, and faith that many of us have, and will prove to be an indispensable resource for anyone who desires to live in a wholehearted, full embrace with Christ, knowing the King and His Kingdom, and living in the true faith, freedom, and love that the Holy Spirit beckons us into. When an ancient skeleton is discovered in Israel, will it shed new light on the life of Jesus or plunge the world into chaos? Two things can happen through grief: we can become comfortable with it, allowing it to become an unwanted companion, or we can let hope rise. The latter is anything but easy; it's a journey. In *Nothing to Hold but Hope*, Jennifer Kostick takes us through her real life struggle of pain, telling us the story of her fifteen-year battle through miscarriage, stillbirth, and secondary infertility. She invites us to walk with her through the desert of grief while searching for hope.

Keeping the Lord's Day holy is obeying the 4th of the 10 commandments, which are commandments and not suggestions. And as Jesus states they are here until Heaven and Earth pass away (Matt 5:17-20). The church from the Book of Acts time gathered on the first day of the week, the day Jesus was resurrected, calling it the "Lord's Day" and set it aside as their sabbath - 1 Cor 16:1-2, Acts 20:7 & Rev 1:9, keeping it holy and wholly for God in worship, giving, Bible study, church, prayer, evangelising (and not for worldly things, sports, restaurants, shopping, TV etc). This is a most neglected command today, but it was not neglected in church history. Many of the greatest revivalists and reformers in Church history preached and kept the Lord's Day holy such as: John Wesley, DL Moody, Charles Spurgeon, David Livingstone, William Wilberforce, Hudson Taylor, Charles Finney, William Booth,

George Whitfield and many others who have massively impacted the church. In fact during times of revival it is highly significant that revivals were always accompanied by a renewal and revival of keeping the sabbath day (the Lord's day) as well. Exodus 20:8-11 (The 4th Commandment) "Remember the Sabbath day by keeping it holy. Six days you shall labor and do all your work, but the seventh day is a sabbath to the Lord your God. On it you shall not do any work, neither you, nor your son or daughter, nor your male or female servant, nor your animals, nor any foreigner residing in your towns. For in six days the Lord made the heavens and the earth, the sea, and all that is in them, but he rested on the seventh day. Therefore the Lord blessed the Sabbath day and made it holy."

The splendor and pagan excesses of Roman society are confronted by the life-changing faith of Christianity in this historically accurate fiction work. Guaranteed fiction!

How can a loving God send people to hell? Isn't it arrogant to believe Jesus is the only way to God? What is up with holy war in the Old Testament? Many of us fear God has some skeletons in the closet. Hell, judgment, and holy war are hot topics for the Christian faith that have a way of igniting fierce debate far and wide. These hard questions leave many wondering whether God is really good and can truly be trusted. The Skeletons in God's Closet confronts our popular caricatures of these difficult topics with the beauty and power of the real thing. Josh Butler reveals that these subjects are consistent with, rather than contradictory to, the goodness of God. He explores Scripture to reveal the plotlines that make sense of these tough topics in light of God's goodness. From fresh angles, Josh deals powerfully with such difficult passages as: The Lake of Fire Lazarus and the Rich Man The Slaughter of Canaanites in the Old Testament Ultimately, The Skeletons in God's Closet uses our toughest questions to provoke paradigm shifts in how we understand our faith as a whole. It pulls the "skeletons out of God's closet" to reveal they were never really skeletons at all.

So many of us desire freedom - the freedom that is

promised to us when we decide to follow Jesus. The freedom from the burden of our sin, the need to be "good enough," anger, jealousy, and envy. Even though we are believers we would be ashamed to say that we don't always experience peace, contentment, and joy in our life. We are looking for the grace that God has so graciously given to us to be real in our life... Breaking Pride is an eBook based on one simple truth: In order to walk in God's grace we need to tear down the the walls of pride. A lot of believers, even though saved by God's grace, are still walking in pride rather than walking in His grace. Knowing what pride is and learning to identify pride in your life is the first step to overcoming a life filled with pride. Pride is rooted in fear and leads to anger, jealousy, and envy. Sin isn't keeping us from having a relationship with the Lord, it's our pride. So many of us long to have an authentic and REAL relationship with the Lord, and we long to have the fruit of the spirit filled in our heart. Our desire is to achieve these fruits through will power. But we do not even realize that the pride that lives within our heart is what is blocking the fruit of the spirit from living within us. In Breaking Pride you will learn to identify different areas of pride in your life. Filled with encouragement, Breaking Pride will take you through a practical reading of what pride may look like in your life... Let's stop building walls of pride and start building the foundation of grace within our lives...

As Jon and Shannon work to validate their find, it soon becomes clear that there are powerful forces who don't want the codex to go public. When it's stolen en route to America, Jon and Shannon are swept into a deadly race to find the manuscript and confirm its authenticity before it's lost forever.

somewhere—and we must pick up the hunt, following any trail of breadcrumbs he may have left to go out and find him. We speak of “searching for God,” “exploring spirituality,” and “finding faith.” But what if we have it backward? What if God is the one pursuing us? What if our job is not to go out and find God, but simply to stop running and hiding? Not to earn God’s love, but to receive it? Not to turn on the light, but to step out of the shadows? Jesus reveals a God on the prowl, pursuing us, hunting down his world for reconciliation. And the question we’re left with is not whether we’ve pursued hard enough, searched long enough, or jumped high enough . . . The question is, “Do we want to be found?”

This collection of poetry does not hold back. It is a force to be reckoned with. The prose jumps off the page and dances on your lips, to the increased rhythm of your heart. This book embraces the dirt and negativity of the past, which too often shapes the future, and screams honesty and acceptance. It is a deeply satisfying and emotive read. The gracefulness with which the author discloses to us the skeletons in her closet is altogether brave and endearing. These poems truly make you realize that scars ought to be worn with nothing less than pride and honor. Our scars are what make us unique, they tell the story of endurance and perseverance, of strength and resilience. They are your truth but someone else's hope. - L. J. Diaz, Author
