and electrifying Charlie Parker mystery turns a small town in Maine into an unforgettable character that threatens to destroy the brooding private investigator. The isolated community of Prosperous, Maine, has always thrived. While others suffered, the people there have remained fortunate, wealthy, secure, and insular throughout the centuries. Miles to the south, in Portland, a homeless man dies, and the disturbing manner of his death brings Prosperous to the attention of the private

investigator Charlie Parker. He is a dangerous man, driven by compassion, rage, and the desire for vengeance. Prosperous and its townsfolk recognize that he poses a threat to their security that runs deeper than any in their long history. But this community has its own way of protecting itself, and its sheltered residents have marked Charlie for death so that Prosperous may survive. Prosperous, and the secret that is buried beneath it...

Beautiful. Inspiring. It even comes with a good-looking landlord who shows an interest in her. But she can't shake the sense that something terrible has followed her to the lake, something just beyond her consciousness, something out on the edge where the sounds of a raging fire and sirens linger whenever she slows down to listen. Determined to make the cabin work, she tries to settle in and give her new life a chance. But when strange things begin to happen around her, she wonders if she's made a terrible mistake. As the darkness that's followed her manifests itself in inexplicable ways, her concept of reality is stretched thin and she realizes

unleashes an array of horrific monsters when the dark nightmares of his mind suddenly come to life.

Original.

Warning: Adult content, this work is not suitable for minors. It contains extracts of a sensitive nature (VNSL).As a young child, Kora failed to rid the physical and haunting presence of the bad man, Mr. Red Eyes. No one understood her horror stories and nightmares, so she stopped complaining. The bloody sacrifices and torture continued...tragically it intensified to sexual

degradation the day after her eighteenth birthday. Again, no one seemed to care! However, in time even her own family considered her regular injuries and 'episodes' to be self-inflicted. Just like another wayward teenager seeking attention from a lack of self-confidence. Everyone turned a blind eye, all too afraid to get involved. This was when Mr. Red Eyes identified himself as Evil personified. After which this sassy all-American blonde bombshells' hidden defiance really began. Was this a sick joke or did she know better? Where did the war between

Through the ages, the knowledge of the Hell Gates faded from human memory, thus their very existence was never captured by the written word. For eternity, the one purpose of the Dragon Guardians was to guard these Gates so that no fallen angel could escape. Time had destroyed the Dragons' physical form and disintegrated into pure celestial energy. Myths and legends captured only a minuscule ounce of truth about these creatures' essence. Three souls, knowingly and unknowingly, attempt to free themselves from their own self-imposed prison. One tormented by a pact for love. One tormented by the love for her family and its obligation.

One tormented by the love for himself and avoidance to take a risk in his life. Their battle to free themselves depends on whether they choose to open, keep closed, or ignore the Hell Gate. Deep below the heart of San Francisco, concealed under an old grocery store, one of the Hell Gates remained silent since 1906 when, at that time, it opened and the fallen angel, Samael, momentarily escaped; destroying much of the city buildings with an earthquake and fire. Survivors described a fiery fiend moving throughout the city burning all in its path. Most accepted it figuratively, but was it? Over a hundred years later, we will find out the truth. So, in the spirit of any cheesy horror story, WHAT IF Hell, today, went shopping for innocent blood in

The Delicious Torment

Elliott Smith was one of the most gifted songwriters of the nineties, adored by worshipful fans for his subtly melancholic words and melodies. The

sadness had its sources in the life. There was trauma from an early age, years of drug abuse and a chronic sense of disconnection that sometimes seemed almost self-engineered. Smith died violently in Los Angeles in 2003, under what some believe to be questionable circumstances, of a single fatal stab wound to the chest. By this time fame had found him, and record buyers who shared the listening experience felt he spoke directly to them from beyond: lonely, lovelorn, frustrated, fighting until he could fight no more. And yet, although his achingly intimate

lyrics carried the weight of truth, Smith remained unknowable. In Torment Saint, William Todd Schultz gives us the first proper biography of the rock star, a decade after his death, imbued with affection, authority, sensitivity and long-awaited clarity. Torment Saint draws on Schultz's careful, deeply knowledgeable readings and insights, as well as on more than 150 hours of interviews with close friends, lovers, bandmates, peers, managers, label owners, and recording engineers and producers. This book unravels the remaining mysteries of Smith's life and his

shocking, too-early end. It will be an indispensable examination of his life and legacy, both for Smith's legions of fans as well as readers still discovering his songbook.

Throughout the weekend of his brother's funeral, a young man reflects on life. Torment is a crashing wave of emotion.

Hunter explores the dynamics of growing up as a poor minority in a small town, facing mental health conditions that most communities would rather not name, even if they could.

The story steps through the tangled web of coming-of-age identity crises, complicated by
