

## *A C Doyle Il Mastino Dei Baskerville* (RLI CLASSICI)

This collection re-examines the works and life of Arthur Conan Doyle from multiple disciplinary perspectives. It proposes new ways of studying Conan Doyle, and considers overlooked or neglected aspects of his oeuvre, offering fresh perspectives on the multiple genres of his fiction and his relationship to contemporary writers and movements.

Winner of the 1999 Edgar Award for Best Biographical Work, this is "an excellent biography of the man who created Sherlock Holmes" (David Walton, *The New York Times* Book Review) This fresh, compelling biography examines the extraordinary life and strange contrasts of Sir Arthur Conan Doyle, the struggling provincial doctor who became the most popular storyteller of his age. From his youthful exploits aboard a whaling ship to his often stormy friendships with such figures as Harry Houdini and George Bernard Shaw, Conan Doyle lived a life as gripping as one of his adventures. Exhaustively researched and elegantly written, Daniel Stashower's *Teller of Tales* sets aside many myths and misconceptions to present a vivid portrait of the man behind the legend of Baker

Street, with a particular emphasis on the Psychic Crusade that dominated his final years--the work that Conan Doyle himself felt to be "the most important thing in the world."

A valued icon of British manhood, Sir Arthur Conan Doyle has been the subject of numerous biographies since his death in 1930. All his biographers have drawn heavily on his own autobiography, *Memories & Adventures*, a collection of stories and anecdotes themed on the subject of masculinity and its representation. Diana Barsham discusses Doyle's career in the context of that nineteenth-century biographical tradition which Dr Watson so successfully appropriated. It explores Doyle's determination to become a great name in the culture of his day and the strains on his identity arising from this project. A Scotsman with an alcoholic, Irish, fairy-painting father, Doyle offered himself and his writings as a model of British manhood during the greatest crisis of British history. Doyle was committed to finding solutions to some of the most difficult cultural problematics of late Victorian masculinity. As novelist, war correspondent, historian, legal campaigner, propagandist and religious

## Read PDF A C Doyle II Mastino Dei Baskerville (RLI CLASSICI)

leader, he used his fame as the creator of Sherlock Holmes to refigure the spirit of British Imperialism. This original and thought-provoking study offers a revision of the Doyle myth. It presents his career as a series of dialogic contestations with writers like Thomas Hardy and Winston Churchill to define the masculine presence in British culture. In his spiritualist campaign, Doyle took on the figure of St Paul in an attempt to create a new religious culture for a Socialist age. The restless, questing intellect of Sir Arthur Conan Doyle spurred him far beyond the ingenious puzzles he constructed for Sherlock Holmes. In *The Lost World*, Doyle, a devotee of the occult and fantastic tales of adventure and discovery, introduces his readers to Professor Challenger, an eccentric paleontologist, on his suspense-filled search for prehistoric creatures in the wilds of the Amazon. Professor Challenger's doughty troupe includes a skeptical colleague, Professor Summerlee; the cool-headed, plucky sportsman Lord John Roxton; and the narrator, the intrepid reporter Edward Malone. When their bridge to civilization collapses, the explorers find themselves marooned among dinosaurs and savage ape-people. Originally published in 1912, this

imaginative fantasy unfolds with humor and good-natured satirical eye for pedantry. Fans of Arthur Conan Doyle will delight in this rare gem, as will dinosaur fanciers and adventure story aficionados.

The Quest for Sir Arthur Conan Doyle

Re-examining Arthur Conan Doyle

The Adventures of Sherlock Holmes, by A.c. Doyle (cassette).

Complete Sherlock Holmes

Sir Arthur Conan Doyle

Until her death in 1920, Arthur Conan Doyle's mother, Mary Foley, was the person he most often confided in, as over a thousand of their letters attest. The story of his efforts to create a medical practice, writing short stories as a pastime, is followed by a chronicle of growing success. Further correspondence reveals a man of high morals, who stalwartly held his convictions on politics, Spiritualism, and a determination to right the wrongs he found in the world.

Stories of ghosts, demons, vampires, werewolves and ghouls collected in one volume for the first time; black and white illustrations from the magazines in which stories originally appeared.

Arthur Conan Doyle has just killed off Sherlock Holmes in "The Final Problem," and he immediately becomes one of the most hated men in London. So when he is contacted by a medium "of some

## Read PDF A C Doyle II Mastino Dei Baskerville (RLI CLASSICI)

renown" and asked to investigate a murder, he jumps at the chance to get out of the city. The only thing is that the murder hasn't happened yet—the medium, one Hope Thraxton, has foreseen that her death will occur at the third séance of a meeting of the Society for Psychical Research at her manor house in the English countryside. Along for the ride is Conan Doyle's good friend Oscar Wilde, and together they work to narrow down the list of suspects, which includes a mysterious foreign Count, a levitating magician, and an irritable old woman with a "familiar." Meanwhile, Conan Doyle is enchanted by the plight of the capricious Hope Thraxton, who may or may not have a more complicated back-story than it first appears. As Conan Doyle and Wilde participate in séances and consider the possible motives of the assembled group, the clock ticks ever closer to Hope's murder, in *The Revenant of Thraxton Hall* by Vaughn Entwistle.

First American edition of the 15 finest stories in the supernatural genre by the creator of Sherlock Holmes. Superlative examples of Doyle's superior narrative style, these are well-plotted, powerfully descriptive tales.

The Best Supernatural Tales of Arthur Conan Doyle Presents twelve of Holmes and Watson's best-known cases, including "The Speckled Band," "The Red-Headed League," "The Five Orange Pips," "The Copper Beeches," and "A Scandal in Bohemia." Sir Nigel is a historical novel by Sir Arthur Conan Doyle, set in the beginning of the Hundred Years' War, spanning 1350 to 1356. It is the background to Doyle's novel, *The White Company*, and describes the early life of that book's hero Nigel Loring, a knight in the service of King Edward III. The character is loosely based on the historical knight Neil Loring. The tale, at its outset, traces the fortunes of the family of Loring of the Manor of Tilford in Surrey, many of whose scions had been prominent in the service of the Norman and Angevin Kings of England, against the backdrop of the Black Death. The tale starts with the problems the family and its last scion, Nigel Loring, face at the hands of the monks of Waverley Abbey, up to the coming of Sir John Chandos. Playing the host to King Edward III of England, Nigel asks to be taken into his service, a request that is complied with by his being made squire to Sir John Chandos...

There is no braver officer in Napoleon's cavalry than é tienne Gerard – especially in his own opinion. Whether kidnapped by gangs of brigands or outnumbered by enemy troops, the plucky little soldier is constantly gallant, chivalrous and ready to

face any danger, even if he doesn't always think before he acts. With great gusto Gerard recounts the swashbuckling exploits and adventures of his glittering military career – carrying out secret missions for Napoleon, eluding capture by the Duke of Wellington, making a daring break from an English prison, rescuing ladies in distress, duelling to the death against the dastardly Baron Straubenthal and even saving the day at the Battle of Waterloo.

The Last Galley Arthur Conan Doyle - Arthur Conan Doyle was a master of the detective story, but his literary prowess did not begin and end with the whodunit. This volume collects a wide array of the author's short works of fiction, spanning virtually every literary genre. Detective stories are featured, but genres such as historical fiction, romance, and even nautical adventure are represented, as well. The Last Galley is an engrossing grab-bag of tales from the pen of one of the greatest nineteenth-century writers.

Arthur and Sherlock

From Sherlock Holmes to Spiritualism

Sherlock: The Essential Arthur Conan Doyle  
Adventures

Many engage in the quest, but no biographer yet has captured the enigmatic Doyle. Conan Doyle deliberately obscured his life, and his heirs remain keen to guard his papers. Yet the contributors—Conan Doyle scholars and collectors, English literature professors, research librarians, editors, and critics—concur that better biographical material is needed and that now—100 years after the birth of Sherlock Holmes—is an appropriate time to examine the biographical problems. They concentrate on the ways Conan Doyle himself and his biographers have handled these problems—or failed to handle them. In the process of evaluating and criticizing earlier

## Read PDF A C Doyle II Mastino Dei Baskerville (RLI CLASSICI)

biographical efforts, the contributors present an effective portrait of Conan Doyle. All agree, however, that much more remains to be done, and they suggest fruitful areas for further research.

An autobiography of Sir Arthur Conan Doyle that reveals his achievements from and apart from the field of literature.

A master of deductive reasoning who can solve the most difficult crimes by spotting obscure clues overlooked by others, dilettante sleuth Sherlock Holmes was the hero of 60 stories written by Sir Arthur Conan Doyle between 1887 and 1927. With the help of his loyal friend, Doctor Watson, Holmes brought countless crooks, thieves, swindlers, and murderers to justice. He even rose from the dead after Doyle tried to dispatch him in his twenty-fourth adventure, and readers protested. Some Sherlock Holmes stories rank among the most famous in detective fiction, among them "A Study in Scarlet," "A Scandal in Bohemia," "The Speckled Band," and "The Hound of the Baskervilles." Here, in one volume, are all four full-length novels and 56 short stories about the colorful adventures of Sherlock Holmes--every word Sir Arthur Conan Doyle ever wrote about Baker Street's most famous resident. Also included is an introduction by lifetime Sherlockians Barbara and Christopher Roden. The Complete Sherlock Holmes is one of Barnes & Noble's Collectible Editions classics. Each volume features authoritative texts by the world's greatest authors in an exquisitely designed bonded-leather binding, with distinctive gilt edging and a ribbon bookmark. Decorative, durable, and collectible, these books offer hours of pleasure to readers young and old and are an indispensable

cornerstone for every home library.

"Renowned mystery author Arthur Conan Doyle and famous illusionist Harry Houdini first met in 1920, during the magician's tour of England. At the time, Conan Doyle had given up his lucrative writing career, killing off Sherlock Holmes in the process, in order to concentrate on his increasingly manic interest in Spiritualism. Houdini, who regularly conducted seances in an attempt to reach his late mother, was also infatuated with the idea of what he called a "living afterlife," though his enthusiasm came to be tempered by his ability to expose fraudulent mediums, many of whom employed crude variations of his own well-known illusions. Using previously unpublished material on the murky relationship between Houdini and Conan Doyle, this sometimes macabre, sometimes comic tale tells the fascinating story of the relationship between two of the most loved figures of the 20th century and their pursuit of magic and lost loved ones"--Publisher.

## Read PDF A C Doyle II Mastino Dei Baskerville (RLI CLASSICI)

many critics consider one of the most finely drawn in science fiction—Challenger and his party embark on an expedition to a remote Amazonian plateau where, as the good professor puts it, “the ordinary laws of Nature are suspended” and numerous prehistoric creatures and ape-men have survived. “Just as Sherlock Holmes set the standard—and in some sense established the formula—for the detective story . . . , so too has *The Lost World* set the standard and the formula for fantasy-adventure stories . . . ,” Michael Crichton writes in his Introduction. “The tone and techniques that Conan Doyle first refined in *The Lost World* have become standard narrative procedures in popular entertainment of the present day.”

Arthur Conan Doyle (1859 - 1930) was an English writer best known for his detective stories about Sherlock Holmes. “*Sherlock Holmes: A Drama in Four Acts*” is a four-act play by William Gillette and Sir Arthur Conan Doyle, based on several stories about the world-famous detective.

Sherlock co-creators Steven Moffat and Mark Gatiss present their all-time favorite Sherlock Holmes adventures. The hit BBC series *Sherlock* has introduced a whole new generation of fans to Arthur Conan Doyle’s legendary detective. In this unique collection, Sherlock co-creators Steven Moffat and Mark Gatiss have selected their all-time favorite Sherlock Holmes adventures. Each of these nineteen tales, from Sherlock’s first appearance in *A Study in Scarlet* to the late classic *The Dying Detective*, is a potent mix of murder, suspense, cryptic clues, red herrings, and revenge—a ground-breaking combination of forensic science and bold storytelling.

Sherlock Holmes established new rules for what a fictional hero could be, and provided a template for detective stories we still follow today. This beautifully designed collection is the perfect introduction to the world of Sherlock Holmes and the ultimate gift for fans of the show it inspired.

Its Cause & Conduct

Best Short Stories of Arthur Conan Doyle

First Edition

The Essential Arthur Conan Doyle Adventures  
As the creator of Sherlock Holmes, "the world's most famous man who never was," Arthur Conan Doyle remains one of our favorite writers; his work is read with affection—and sometimes obsession—the world over. Doctor, writer, spiritualist: his life was no less fascinating than his fiction. Conan Doyle grew up in relative poverty in Edinburgh, with the mental illness of his artistically gifted but alcoholic father casting a shadow over his early life. He struggled both as a young doctor and in his early attempts to sell short stories, having only limited success until Sherlock Holmes became a publishing phenomenon and propelled him to worldwide fame. While he enjoyed the celebrity Holmes brought him, he also

## Read PDF A C Doyle II Mastino Dei Baskerville (RLI CLASSICI)

felt that the stories damaged his literary reputation. Beyond his writing, Conan Doyle led a full life, participating in the Boer War, falling in love with another woman while his wife was dying of tuberculosis, campaigning against injustice, and converting to Spiritualism, a move that would bewilder his friends and fans. During his lifetime Conan Doyle wrote more than fifteen hundred letters to members of his family, most notably his mother, revealing his innermost thoughts, fears and hopes; and Russell Miller is the first biographer to have been granted unlimited access to Conan Doyle's private correspondence. The Adventures of Arthur Conan Doyle also makes use of the writer's personal papers, unseen for many years, and is the first book to draw fully on the Richard Lancelyn Green archive, the world's most comprehensive collection of Conan Doyle material. Told with panache, The Adventures of Arthur Conan Doyle is an unprecedentedly full portrait of an enduringly popular figure.

These volumes represent each author's

## Read PDF A C Doyle II Mastino Dei Baskerville (RLI CLASSICI)

best and most famous writings. This finely crafted and affordable series offers the works of these world-renowned authors to a wider audience. Includes The Adventures of Sherlock Holmes, The Hounds of Baskerville, The Sign of Four, and A Study in Scarlet. A collection of letters between Arthur Conan Doyle (author and creator of Sherlock Holmes) and his mother, covering most of his life, written between 1867 and the year of her death in 1921.

"First published as a World's classics paperback, 1994. Reissued as an Oxford world's classics paperback, 1999."--T.p. verso.
