

## **Address Book: Personalized Address Book 6x9 107Pages 312Spaces For Name, Address, Phone Numbers, Email, Website Alphabetical Organizer Journal Notebook**

Get This Super Cute Address Book! Always Be in Touch! Kids who like to keep in touch with friends, family and pen pals will love this cute, kid sized address book with the bright glossy cover. Inside there is space to write the name, address, phone number and email address for each of their important contacts. Address Books for Kids are great to send along on camp stays, extended visits and travel adventures. They would also make a great gift for birthdays, holidays or any special occasion. Why not combine an address book with a kid's gratitude journal, sketchbook or notebook and make a custom gift that will be used over and over again all year long!

In a near-future society that claims to have gotten rid of all monstrous people, a creature emerges from a painting seventeen-year-old Jam's mother created, a hunter from another world seeking a real-life monster.

This softcover Address and Telephone Book is easy access to important contact list by alphabetical order, each page before the contacts list is listed from A-Z and has Emergency telephone numbers broken down by Medical Contacts, Insurance Contacts, Family Contacts and Utility Contacts also has a separate page for Frequently Called Numbers such as Services and Repairs and more. This address and telephone book also includes a reminder page with the month of January to December with ample space to write notes, there is also extra note taking sheets in the back of the book. Contacts are listed with Name, Address, Home phone, Mobile, Email and Birthday. Book size is 7x10 with 187 pages. Great for gifting or for yourself.

This is THE book on anger, the first book to explain exactly why we get mad, what anger really is - and how to cope with and use it. Often confused with hostility and violence, anger is fundamentally different from these aggressive behaviours and in fact can be a healthy and powerful force in our lives. What is anger? Who is allowed to be angry? How can we manage our anger? How can we use it? It might seem like a day doesn't go by without some troubling explosion of anger, whether we're shouting at the kids, or the TV, or the driver ahead who's slowing us down. In this book, the first of its kind, Dr. Ryan Martin draws on 20 years plus of research, as well as his own childhood experience of an angry parent, to take an all-round view on this often-challenging emotion. It explains exactly what anger is, why we get angry, how our anger hurts us as well as those around us, and how we can manage our anger and even channel it into positive change. It also explores how race and gender shape society's perceptions of who is allowed to get angry. Dr. Martin offers questionnaires, emotion logs, control techniques and many other tools to help readers understand better what pushes their buttons and what to do with angry feelings when they arise. It shows how to differentiate good anger from bad anger, and reframe anger from being a necessarily problematic experience in our lives to being a fuel that energizes us to solve problems, release our creativity and confront injustice.

Kids Address Book

I'm Glad My Mom Died

Address Book

Internet Address Book

Address book companion to the exciting and luxurious Flame Tree Notebooks. Combining high-quality production with magnificent fine art, the covers are printed on foil in five colours, embossed, then foil stamped with a solid magnetic side flap. Perfect for personal use and make a dazzling gift. This example features Van Gogh Almond Blossom

After finding a lost address book, the artist sets out to understand its owner by randomly interviewing contacts to learn more about the personality and past of its owner.

Finalist for the 2020 Kirkus Prize for Nonfiction | One of Time Magazines's 100 Must-Read Books of 2020 | Longlisted for the 2020 Porchlight Business Book Awards "An entertaining quest to trace the origins and implications of the names of the roads on which we reside." -Sarah Vowell, The New York Times Book Review When most people think about street addresses, if they think of them at all, it is in their capacity to ensure that the postman can deliver mail or a traveler won't get lost. But street addresses were not invented to help you find your way; they were created to find you. In many parts of the world, your address can reveal your race and class. In this wide-ranging and remarkable book, Deirdre Mask looks at the fate of streets named after Martin Luther King Jr., the wayfinding means of ancient Romans, and how Nazis haunt the streets of modern Germany. The flipside of having an address is not having one, and we also see what that means for millions of people today, including those who live in the slums of Kolkata and on the streets of London. Filled with fascinating people and histories, The Address Book illuminates the complex and sometimes hidden stories behind street names and their power to name, to hide, to decide who counts, who doesn't—and why.

A FLAME TREE NOTEBOOK. Beautiful and luxurious the journals combine high-quality production with magnificent art. Perfect as a gift, and an essential personal choice for writers, notetakers, travellers, students, poets and diarists. Features a wide range of well-known and modern artists, with new artworks published throughout the year. BEAUTIFULLY DESIGNED. The highly crafted covers are printed on foil paper, embossed then foil stamped, complemented by the luxury binding and rose red end-papers. The covers are created by our artists and designers who spend many hours transforming original artwork into gorgeous 3d masterpieces that feel good in the hand, and look wonderful on a desk or table. PRACTICAL, EASY TO USE. Flame Tree Notebooks come with practical features too: a pocket at the back for scraps and receipts; two ribbon markers to help keep track of more than just a to-do list and robust ivory text paper. THE ARTIST. Born in Kent, William Morris was an outstanding character of many talents, being an architect, writer, social campaigner, artist and, with his Kelmscott Press, an important figure of the Arts and Crafts movement. HE FINAL WORD. As William Morris said, Have nothing in your houses that you do not know to be useful, or believe to be beautiful.

Celebrate 20 years of nightmares with this picturebook version of the classic film, written and drawn by Tim Burton and now featuring word-for-word narration by Christopher Lee! In this beloved picture book that could only come from the visionary mind of author and illustrator TIM BURTON, we meet Jack Skellington-- a well-intentioned inhabitant of Halloweenland. Jack is bored of ""the scaring, the terror, the fright....tired of being something that goes bump in the night"". And so, in an effort to bring to joy to his town, Jack kidnaps Santa and takes his place as the jolly old elf. But instead of bringing joy to the world Jack, who is a little more than a grinning skeleton, brings fear by delivering creepy toys and riding a sleigh carried by skeletal reindeer. Only through a number of things going horribly wrong does Jack learn the true meaning of Christmas.

Telephone Book

**Address Book is the new work of fiction by the Costa-shortlisted author of Skin Lane. Neil Bartlett's cycle of stories takes us to seven very different times and situations: from a new millennium civil partnership celebration to erotic obsession in a Victorian tenement, from a council-flat bedroom at the height of the AIDS crisis to a doctor's living-room in the midst of the Coronavirus pandemic, they lead us through decades of change to discover hope in the strangest of places. 'Bartlett is a pioneer on and off the page and we are lucky to have him telling our stories' DAMIAN BARR ?'One of England's finest writers' EDMUND WHITE**

A heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother's dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called "calorie restriction," eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, "Your eyelashes are invisible, okay? You think Dakota Fanning doesn't tint hers?" She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In I'm Glad My Mom Died, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called iCarly, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi ("Hi Gale!"), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the iCarly spinoff Sam & Cat alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, I'm Glad My Mom Died is an inspiring story of resilience, independence, and the joy of shampooing your own hair.
