

Alabaster: What Is Most Precious Is Also Most Fragile

In this adaptation of his bestselling book, *All In*, now distilled in this essential edition, Mark Batterson shows us there is nothing more thrilling in life than allowing Jesus to make us dangerous. In this compelling read, Mark Batterson challenges our mistaken beliefs: That God wants to send us to safe places to do easy things That faithfulness is holding the fort That playing it safe is safe That there is any greater privilege than sacrifice And that radical is anything but normal Instead, Batterson maintains that Jesus did not die to keep us safe; he died to make us dangerous. Here is a challenge to go all in and all out by fully surrendering your life to daring plan God has for you. The message of *Not Safe* is simple: If Jesus is not Lord of all then Jesus is not lord at all. It's all or nothing. Now or never. Not safe or safe. Spanish edition also available.

Parables of Jesus examines Jewish customs during biblical times to reveal lessons on life, living, and walking with the Lord. You ' ll encounter the figures that Jesus used in his stories: the unjust judge who neither feared God or man, the self-righteous Pharisee and the humble publican in the temple, the fickle children in the marketplace, the unforgiving servant, and others exhibiting traits as compassion, jealousy, and greed. Pastor Paul Saunders makes the point that Jesus was appalled with the hypocritical nature of Jewish religious leadership. They made a great show of righteousness, but their behavior was corrupt—and Jesus was not afraid to call it out. The parables are brilliant, relevant, pithy, and personally challenging. Jesus uses everyday activities, with which we are all familiar, to illustrate a deeper truth. Although numerous scholars have written about the parables of Jesus, this book takes a fresh approach, looking at them in context and exploring the relevance they have today.

The book reinterprets the Gospel of Matthew from a non-dualistic perspective and brings out spiritual insights totally unexpected. The book also brings to the forefront the forgotten character of Joseph as the 'tekton' of the Gospel. The distinctive feature of the book is that it redefines abstruse or undefined biblical terms such as, the Father, the Son, the Holy Spirit, God, heaven, hell, Serpent, Satan, sin, etc., in a new light that makes the interpretation internally consistent, and also consistent with the external reality. According to the book, the message of the Gospel is straightforward: "The human body is the Savior. Therefore, turn to the body." The book goes beneath the literal content of the Gospel of Matthew to discover its soul.

Milton's Arcades and Comus

An Exposition of the Gospels of St. Matthew and St. Mark

Mark's Gospel is the briefest of the four gospels, but is frequently more vivid and detailed than the parallel accounts in Matthew and Luke. Written principally for the Roman world, this Gospel presents Christ as the Servant of the Lord, emphasizing the Passion of Jesus, sent to minister and to give his life a ransom for many. It is a book of deeds and contains short discourses and few parables. Christ fulfills Messianic prophecies as found in Isaiah 42:1-21; 49:1-8; 50:4-11; 52:13-15; 53:1-12, and Zechariah 3:8-10. Christ's ministry of miracles, fellowship with sinners, selection of disciples, and teaching of the multitudes revolve around self-giving love being climaxed at the Cross followed by His glorious Resurrection. Although Christ is depicted in the Gospel of Mark as a servant, the strong emphasis upon His miracles and His mission unveils His Power and Glory.

Maryam is stuck in an abusive marriage, living with her in-laws, in a conservative, toxically religious Middle Eastern setting. A few years back, her father was given a jar of priceless perfume by a dying leper and it seemed as if their fortunes would improve, but then Maryam's father contracted leprosy and was exiled by the village. Maryam and her brother, Eleazar, and sister, Marta, experience the shame and ostracism this brings. The precious jar that was meant to bring them freedom, but it only seems to have brought destruction. But rumours abound concerning a new doctor; perhaps hope is on the horizon...

The Gospel costs nothing. You can't earn it or buy it. It can only be received as a free gift compliments of God's grace. It doesn't cost anything, but it demands everything. It demands that we go "all in," a term that simply means placing all that you have into God's hands. Pushing it all in. And that's where we get stuck—spiritual no man's land. We're afraid that if we go all in that we might miss out on what this life has to offer. It's not true. The only thing you'll miss out on is everything God has to offer. And the good news is this: if you don't hold out on God, God won't hold out on you. Readers will find Batterson's writing filled with his customary vivid, contemporary illustrations as well as biblical characters like Shamgar and Elisha and Jonathan and . . . Judas. No one has ever sacrificed anything for God. If you always get back more than you gave up, have you sacrificed anything at all? The eternal reward always outweighs the temporal sacrifice. At the end of the day, our greatest regret will be whatever we didn't give back to God. What we didn't push back across the table to Him. Eternity will reveal that holding out is losing out. The message of All In is simple: if Jesus is not Lord of all then Jesus is not Lord at all. It's all or nothing. It's now or never. Kneeling at the foot of cross of Christ and surrendering to His Lordship is a radical act of dethroning yourself and enthroning Christ as King. It's also an act of disowning yourself. Nothing belongs to you. Not even you. Batterson writes, for many years, I thought I was following Jesus. I wasn't. I had invited Jesus to follow me. I call it inverted Christianity. And it's a subtle form of selfishness that masquerades as spirituality. That's when I sold out and bought in. When did we start believing that the gospel is an insurance plan? It's a daring plan. Jesus did not die just to keep us safe. He died to make us dangerous."

Notes on the Gospels

The telling of Mark's story of Jesus as the Messiah of peace in the decades following the Roman-Judean war announced a third way forward for Diaspora Judeans other than warfare against or separation from "the nations." Mark's Gospel was the story of the victory of a nonviolent Messiah who taught and practiced the ways of a new age of peace and reconciliation in contrast to the ancient and modern myth of redemptive violence. The Messiah of Peace is a performance-criticism commentary exploring a new paradigm of biblical scholarship that takes seriously the original experience of the Gospel of Mark as a lively story told to audiences rather than as a text read by readers. The commentary is correlated with the

Messiah of Peace website, which features video recordings of the story in both English and Greek. Critical investigation of the sounds of the Markan passion-resurrection narrative reveals the identity of its original audiences as predominantly Judean with a minority of Gentile nonbelievers. Hearing the passion-resurrection story was an experience of involvement in the forces that led to the rejection and death of Jesus--an experience that brought on the challenges inherent in becoming a disciple of the Messiah of peace.
