The clutched on the blanket tightened as Raine wonder if she did something wrong. She could feel it when Torak reached out his hand at her. Will he hit me? Raine shivered with that thought. Torak pulled back the hoodie off her head and gently tucked her hair behind her ear. "Don't." He said firmly, "I want to see you, don't hide yourself..." \*\*\*\*\* " The spirit of the guardian angel will breathe new life into human child. Three guardian angels will be born into terrestrial world once again and the three of you will be their protectors. " " Protectors!!? " Jedrek snapped. In the end, he stopped walking and turned his back to look at the moon goddess from far distance away, his eyes glistening red with anger. His wolf was livid. " Why do you think we will help? " Kace asked while narrowing his black obsidian eyes, his wolf took control of him. He was the youngest among the three and the less temperamental among them. The three of them were cursed by Selene because of their ferocious action to gain supreme power and authority. The moon goddess didn ' t bless them with a mate as a punishment of their atrocious way and forced them to involve in this deadly war with the demons. " You will turn us into a slave for those sickly creatures!?" Torak asked incredulously. " Aren ' t you afraid that we will snap them into two? " The guardian angel was so fragile and they as lycanthropes didn ' t appreciate the weaknesses. " No, you will not. " Selene said patiently. " You will not be their slave nor hurt them, you will cherish them in every way possible. " Jedrek laughed menacingly upon hearing this, they didn ' t care about the resurrected of the beast, once they crossed their territory, with or without the guardian angel he would tear their body apart. " I will be the last person they will see, once I find them. " He was referring to both the guardian angel and the demon. But, the next voice from Selene was laced with mirth when she spoke. " You will not hurt your mate. "

It's amazing to be a dominant wolf... if you're male. When you're a nineteen year-old girl who can beat the crap out of every wolf in your pack, suddenly it's not so great. Love isn't everything, I know; but even the most powerful she-wolf submits to her mate. If you can't be dominated, you can't be mated. And an unmated wolf has no place in the pack. My one hope is the clan gathering in the Blackwood Fortress. Every wolf in the continent attends, and a few seriously sexy wolves catch my eye. I'm bound to find at least one who can match me, right? Then there's my other problem: My alpha is a grade-A jerk. After treating me like a genetic freak my whole life, he suddenly decides to stake a claim. But I can't refuse the challenge, and my wolf won't back down. Either I submit to the alpha and become mated to his skeezy pelt, or I win the challenge and my freedom... by taking his place as alpha. Only no one has ever heard of a female alpha, and if I become one, I'll never find a mate. Wolf Shunned is the first book in The Alpha Queen Legacy, featuring a badass heroine, a dark fantasy world, and loads of sexy wolf shifters. Be warned: This is a slow burn, why choose romance. Eighteen-year-old Trinity is unlike any other werewolf in her pack. For one, there were unusual circumstances surrounding her birth, for another, she is the only pack member to never shift into a wolf form. So now she doesn't quite belong anywhere. Not quite human and not quite wolf. She thought she would be able to live her life how she wanted when she had turned eighteen. Go to college, make some friends, have some fun. But what is she to do when the dangerously sexy Alpha literally falls right into her lap? "I am not human, and I am not a wolf. I don't belong anywhere..." "...we both know that no one is going to mate with me, and even if they did, they would just reject me anyway." What is the sexy, brooding Alpha going to do? The elders are making him hold these ridiculous parties to search for a mate. He doesn't want a mate, but he knows he needs a mate to finish the Alpha Circle. Without a mate, a Luna for the pack, his people would suffer. And what is he going to do when he stumbles across the girl that fate has chosen for him and he finds out she has no wolf? "This cannot be!" I roared. "There is no way that I can mate with a girl that does not even have a wolf. She will be too weak. She will be inferior. She will not be strong enough to be a Luna." "I simply could not accept her as my mate. Not fully. It wasn't safe for her. She would get herself killed. And she would bring my pack down with her." When these two meet, sparks will surely fly. But will it be from passion, or their constant fighting? Neither of them wanted a mate. Neither of them wants the mate that fate chose for them. And neither of them can make that mate bond go away. What are they going to do now that they're literally stuck with each other?

find her mate... Their time has come. Gates is a legend among his fellow wolf shifters. For more than four centuries, he's lived without a mate, something nearly unheard of in his breed. He's spent that time mastering the art of the kill, becoming a lethal weapon for the Feral Breed Motorcycle Club, and earning a reputation as the Gatekeeper. Kaija Wariksen grew up as the Valkoisus pack princess. The Alpha's only daughter and a powerful Omega shewolf, Kaija's beauty and place within the pack hierarchy makes her the focus of desire for many of the unmated males, especially one she's desperate to stay away from. She'd rather wait for her fated mate than be just another bed warmer for a man with more attitude than brains. But when a territory dispute turns into a kidnapping, Gates and his Feral Breed brothers are called to assist the Valkoisus pack in a rescue operation. Gates soon discovers there's more in store for him than a fight. He finds his mate in the Alpha's daughter, a woman targeted by a mystery sect kidnapping Omega shifters. To keep the Valkoisus pack safe, the Feral Breed must put Kaija in danger, risking the only thing Gates has ever needed, and igniting a rage that could destroy the entire wolf shifter population.

The girl blinked again as she examined, with deep curiosity, the pink egg-shaped thing in her hand. "Don't make me wait. Put it inside," the man ordered and Abi swallowed. Abi had no idea whatsoever as to what this thing was. She had never seen anything like this before. She wanted to ask him what this thing was and what he meant by 'put it inside' but the man was so serious, she was afraid she'd fail the test if she showed him that she didn't even know what this was. "Is this clean?" was what she asked instead and the man half-smiled. "It. Is. Very. Clean." He stressed out every word. Still unsure about what to do, Abi hesitantly looked at him and then in the next second, she put it inside her mouth. Excerpt #2 "All you have to do is follow three rules, Abigail..." He started and Abigail held her breathe in anticipation. She was a little nervous. "First, you will be home before or during twilight. Any later than that and you'll be punished. Understand?" Abi blinked. She didn't expect that this was actually his first rule. "I understood... I just thought that my curfew is pretty early." She trailed off but Alexander just looked at her with eyes silently saying the words 'my house, my rules'. "Second, while you're in this house, you will listen to no one but me.
