

Amazon Selling Secrets: How To Make An Extra \$1K \$10K A Month Selling Your Own Products On Amazon

MAKE MONEY ON AMAZON: How to Become a Successful Amazon Seller Thousands of people sell products on Amazon. Some approach it like a yard sale. Others have built a successful sales business on Amazon and earn substantial income from profits made by selling through the world's largest marketplace, Amazon! This book contains proven steps and strategies on how to make money on Amazon.com by selling hot products. Amazon is the largest online marketplace in the world and that too by a huge margin. It truly is a giant, and after so many years, it is still growing at a phenomenal rate. This book will teach you how to set up a virtual shop in this marketplace. **THIS BOOK WILL TEACH YOU A SIMPLE STRATEGY THAT YOU CAN USE TO EARN A HEALTHY PROFIT ON AMAZON. IT GOES LIKE THIS:** Find a KILLER product that sells well and has a big enough margin for you to make a real profit. Find a supplier that will manufacture that product for you. Customize the product to create your own unique brand. Set up a system so that the supplier manufactures and supplies the product directly to Amazon. Become a high ranked seller so that you get the sale every time. Just promote your product and let Amazon handle all the behind the scenes hassles. Watch the profit rolling in, with minimal amount of work to keep the system running. Not that easy, you say? Well, it is when you read the detailed description of how to accomplish each of these steps. This is not a get rich quick plan or a pyramid scheme of any kind. This method is unique within the online industry because it doesn't try to hack the system to find an easy way to make a lot of money. Such schemes sound too good to be true because they usually are. This is a matter of applying the principles and strategies that Amazon endorses and encourages among its sellers. That way, you have their full support as you seek to establish and advance your own Amazon store. The book is structured into 6 steps that you need to take to get this system set up and working for you. Follow along with each step and you'll be off and running in no time. Take action now. Scroll to the top of this page and click the 'BUY' button. Then, start reading **MAKE MONEY ON AMAZON: How to Become a Successful Amazon Seller** on your Kindle device, computer, tablet or smartphone. This is it: the first guide on every source of used books to sell on Amazon. Bookselling veteran Peter Vally (of www.FBAmastery.com) collects ten years of Amazon seller experience into one place, and over 40 sources of cheap books to sell for huge profits on Amazon. In this landmark guide for Amazon sellers, you will learn: - How to profit off small press overstock sales. - Six places to source books just on university campus's (Hint: None of these are obvious). - The exclusive story of one seller who makes \$30,000 a year and pays NOTHING for inventory. - Where to find people selling collections of thousands of books (note: This isn't about eBay). - Forming partnerships with used book "gatekeepers" - people who already process thousands of books and don't know what they're worth. - A full 5 pages on eBay arbitrage (including a simple tool for finding listings other booksellers can't). - Dozens of more sourcing ideas, from picking up library sale leftovers to negotiating with college libraries. More than just a checklist, each source I've used gets a personal story with profitable lessons. For Amazon booksellers, it all comes down to the sources. With good sources, even a complete amateur can run a profitable Amazon business. Part I: The book begins with a focus on the top 10 "core sources" that will rocket you to your profit-target - 10 places you can source books every single month with little guesswork. Part II: Then Valley gives you a list of "Supplemental Sources" to use at your leisure. Your base profit target it already covered, but if you want to go even bigger, this is the list. And you get 21 of these book sources. Part III: As if you needed more, the "Advanced Sources" 12 places to source used books if you want serious book-ninja status. There are more books in this world than there are people like us to sell them. We live in the midst of a virtual book river. In this guide, Amazon seller Peter Valley is going to teach you how to get in front of it. This is the largest and most comprehensive guide to finding used books ever published. Inside, you'll be reading the exact blueprint for what brings Peter Valley over \$80,000 in deposits each year selling used books on Amazon.
