

An Inspector Calls: York Notes For GCSE (9 1)

A journalist's twenty-year fascination with the Manson murders leads to shocking new revelations about the FBI's involvement in this riveting reassessment of an infamous case in American history. Over two grim nights in Los Angeles, the young followers of Charles Manson murdered seven people, including the actress Sharon Tate, then eight months pregnant. With no mercy and seemingly no motive, the Manson Family followed their leader's every order -- their crimes lit a flame of paranoia across the nation, spelling the end of the sixties. Manson became one of history's most infamous criminals, his name forever attached to an era when charlatans mixed with prodigies, free love was as possible as brainwashing, and utopia -- or dystopia -- was just an acid trip away. Twenty years ago, when journalist Tom O'Neill was reporting a magazine piece about the murders, he worried there was nothing new to say. Then he unearthed shocking evidence of a cover-up behind the "official" story, including police carelessness, legal misconduct, and potential surveillance by intelligence agents. When a tense interview with Vincent Bugliosi -- prosecutor of the Manson Family and author of *Helter Skelter* -- turned a friendly source into a nemesis, O'Neill knew he was onto something. But every discovery brought more questions: Who were Manson's real friends in Hollywood, and how far would they go to hide their ties? Why didn't law enforcement, including Manson's own parole officer, act on their many chances to stop him? And how did Manson -- an illiterate ex-con -- turn a group of peaceful hippies into remorseless killers? O'Neill's quest for the truth led him from reclusive celebrities to seasoned spies, from San Francisco's summer of love to the shadowy sites of the CIA's mind-control experiments, on a trail rife with shady cover-ups and suspicious coincidences. The product of two decades of reporting, hundreds of new interviews, and dozens of never-before-seen documents from the LAPD, the FBI, and the CIA, *Chaos* mounts an argument that could be, according to Los Angeles Deputy District Attorney Steven Kay, strong enough to overturn the verdicts on the Manson murders. This is a book that overturns our understanding of a pivotal time in American history.

Exam Board: AQA Level & Subject: GCSE English Literature First teaching: September 2015 First exams: June 2017 Revise set texts in a snap. Need extra help with 'An Inspector Calls' ahead of the exam? Pearson Edexcel International GCSE in English Literature and Language 2020 Revision Guide

The Skull Beneath the Skin

Charlie Horse has very set ideas of just how his pub should be run. No food (apart from crisps and nuts) and very definite ideas about what kind of customers are welcome in his hostelry. Unbeknown to Charlie however, there is something very odd indeed going on in "The Bucket and Shovel", and for just this once, Charlie is going to be the last person to find out. Because very shortly, an inspector is going to call...Please note this is a short story and is quite difficult to categorise - there are slight elements of fantasy (although it has a contemporary setting) as well as a smattering of mystery, and also is intended to have a slight Pratchettesque feeling to it. This short story is also available in the "Paul McCartney's Coat and Other Stories" collection, along with nine other tales, and is available to purchase separately.

***NATIONAL BESTSELLER* *SHORTLISTED FOR THE CWA HISTORICAL DAGGER AWARD* A Globe and Mail Best Book of the Year A New York Times Editors' Choice Pick "Banville sets up and then deftly demolishes the Agatha Christie format...superbly rich and sophisticated."-New York Times Book Review The incomparable Booker Prize winner's next great crime novel-the story of a family whose secrets resurface when a parish priest is found murdered in their ancestral home Detective Inspector St. John Strafford has been summoned to County Wexford to investigate a murder. A parish priest has been found dead in Ballyglass House, the family seat of the aristocratic, secretive Osborne family. The year is 1957 and the Catholic Church rules Ireland with an iron fist. Strafford-flinty, visibly Protestant and determined to identify the murderer-faces obstruction at every turn, from the heavily accumulating snow to the culture of silence in the tight-knit community he begins to investigate. As he delves further, he learns the Osbornes are not at all what they seem. And when his own deputy goes missing, Strafford must work to unravel the ever-expanding mystery before the community's secrets, like the snowfall itself, threaten to obliterate everything. Beautifully crafted, darkly evocative and pulsing with suspense, Snow is "the Irish master" (New Yorker) John Banville at his page-turning best. Don't miss John Banville's next novel, April in Spain!**

Peopled by larger-than-life heroes and villains, charged with towering questions of good and evil, Atlas Shrugged is Ayn Rand's magnum opus: a philosophical revolution told in the form of an action thriller-nominated as one of America's best-loved novels by PBS's The Great American Read. Who is John Galt? When he says that he will stop the motor of the world, is he a destroyer or a liberator? Why does he have to fight his battles not against his enemies but against those who need him most? Why does he fight his hardest battle against the woman he loves? You will know the answer to these questions when you discover the reason behind the baffling events that play havoc with the lives of the amazing men and women in this book. You will discover why a productive genius becomes a worthless playboy...why a great steel industrialist is working for his own destruction...why a composer gives up his career on the night of his triumph...why a beautiful woman who runs a transcontinental railroad falls in love with the man she has sworn to kill. Atlas Shrugged, a modern classic and Rand's most extensive statement of Objectivism-her groundbreaking philosophy-offers the reader the spectacle of human greatness, depicted with all the poetry and power of one of the twentieth century's

leading artists.

This updated edition is designed to support students in study and revision for the new GCSE (9-1) English Literature exams.

WINNER OF THE MAN BOOKER PRIZE • NEW YORK TIMES BESTSELLER • An affluent Indian family is forever changed by one fateful day in 1969, from the author of The Ministry of Utmost Happiness "[The God of Small Things] offers such magic, mystery, and sadness that, literally, this reader turned the last page and decided to reread it. Immediately. It's that haunting."—USA Today Compared favorably to the works of Faulkner and Dickens, Arundhati Roy's modern classic is equal parts powerful family saga, forbidden love story, and piercing political drama. The seven-year-old twins Estha and Rahel see their world shaken irrevocably by the arrival of their beautiful young cousin, Sophie. It is an event that will lead to an illicit liaison and tragedies accidental and intentional, exposing "big things [that] lurk unsaid" in a country drifting dangerously toward unrest. Lush, lyrical, and unnerving, The God of Small Things is an award-winning landmark that started for its author an esteemed career of fiction and political commentary that continues unabated.

#1 NEW YORK TIMES BESTSELLER • OPRAH'S BOOK CLUB PICK • NATIONAL BOOK AWARD LONGLIST • "An instant American classic and almost certainly the keynote nonfiction book of the American century thus far."—Dwight Garner, The New York Times The Pulitzer Prize-winning, bestselling author of The Warmth of Other Suns examines the unspoken caste system that has shaped America and shows how our lives today are still defined by a hierarchy of human divisions. NAMED THE #1 NONFICTION BOOK OF THE YEAR BY TIME, ONE OF THE TEN BEST BOOKS OF THE YEAR BY People • The Washington Post • Publishers Weekly AND ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • O: The Oprah Magazine • NPR • Bloomberg • Christian Science Monitor • New York Post • The New York Public Library • Fortune • Smithsonian Magazine • Marie Claire • Town & Country • Slate • Library Journal • Kirkus Reviews • LibraryReads • PopMatters Winner of the Los Angeles Times Book Prize • National Book Critics Circle Award Finalist • Dayton Literary Peace Prize Finalist • PEN/John Kenneth Galbraith Award for Nonfiction Finalist • PEN/Jean Stein Book Award Longlist "As we go about our daily lives, caste is the wordless usher in a darkened theater, flashlight cast down in the aisles, guiding us to our assigned seats for a performance. The hierarchy of caste is not about feelings or morality. It is about power—which groups have it and which do not." In this brilliant book, Isabel Wilkerson gives us a masterful portrait of an unseen phenomenon in America as she explores, through an immersive, deeply researched narrative and stories about real people, how America today and throughout its history has been shaped by a hidden caste system, a rigid hierarchy of human rankings. Beyond race, class, or other factors, there is a powerful caste system that influences people's lives and behavior and the nation's fate. Linking the caste systems of America, India, and Nazi Germany, Wilkerson explores eight pillars that underlie caste systems across civilizations, including divine will, bloodlines,

stigma, and more. Using riveting stories about people—including Martin Luther King, Jr., baseball's Satchel Paige, a single father and his toddler son, Wilkerson herself, and many others—she shows the ways that the insidious undertow of caste is experienced every day. She documents how the Nazis studied the racial systems in America to plan their out-cast of the Jews; she discusses why the cruel logic of caste requires that there be a bottom rung for those in the middle to measure themselves against; she writes about the surprising health costs of caste, in depression and life expectancy, and the effects of this hierarchy on our culture and politics. Finally, she points forward to ways America can move beyond the artificial and destructive separations of human divisions, toward hope in our common humanity. Beautifully written, original, and revealing, *Caste: The Origins of Our Discontents* is an eye-opening story of people and history, and a reexamination of what lies under the surface of ordinary lives and of American life today.

Why do critics feel impelled to unmask and demystify the works that they read? What is the rationale for their conviction that language is always withholding some important truth, that the critic's task is to unearth what is unsaid, naturalized, or repressed? These are the features of critique, a mode of thought that thoroughly dominates academic criticism. In this book, Rita Felski brilliantly exposes critique's more troubling qualities and proposes alternatives to it. Critique, she argues, is not just a method but also a sensibility--one best captured by Paul Ricoeur's phrase "the hermeneutics of suspicion." As the characteristic affect of critique, suspicion, Felski shows, helps us understand critique's seductions and limitations. The questions that Felski poses about critique have implications well beyond intramural debates among literary scholars. Literary studies, says Felski, is facing a legitimation crisis thanks to a sadly depleted language of value that leaves the field struggling to find reasons why students should care about Beowulf or Baudelaire. Why is literature worth bothering with? For Felski, the tendencies to make literary texts the object of suspicious reading or, conversely, impute to them qualities of critique, forecloses too many other possibilities. Felski offers an alternative model that she calls "postcritical reading." Rather than looking behind the text for its hidden causes, conditions, and motives, she suggests that literary scholars place themselves in front of a text, reflecting on what it calls forth and makes possible. Here Felski enlists the work of Bruno Latour to rethink reading as a co-production between actors, rather than an unraveling of manifest meaning, a form of making rather than unmaking. As a scholar with an abiding respect for theory who has long deployed elements of critique in her own work, Felski is able to provide an insider's account of critique's limits and alternatives that will resonate widely in the humanities.

Over two million Shakespeare Shorts sold! Discover the world of Shakespeare with this collection of brilliant stories - perfect for readers of all ages. Prince Hamlet of Denmark is mourning for his father's untimely death - but everyone else seems to have moved on, including Hamlet's mother who is now married to his uncle, Claudius. From P.D. James, one of the masters of British crime fiction comes the second novel to feature the famous female detective Cordelia Gray of the Pryde Detective Agency. Set on

the sinister Courcy Island, An Unsuitable Job for a Woman is a thrilling murder mystery. Clarissa Lisle hopes to make a spectacular comeback in a production of The Duchess of Malfi, to be played in Ambrose Gorrings's sinister castle at Courcy Island. Cordelia is there to ensure her safety following the appearance of a number of poison-pen letters. But it soon becomes clear that all are in danger. Trapped within the walls of the Gothic castle, the treacherous past of the island re-emerges, and everyone seems to have a motive for sending Clarissa 'down, down to hell'. Marking the return of the private detective Cordelia Gray, The Skull beneath the Skin is the sequel to An Unsuitable Job for a Woman. P.D. James is Britain's pre-eminent crime writer and the author of many bestselling titles including Death Comes To Pemberley, Children of Men and Death in Holy Orders.

The Limits of Critique

The Greeks has provided a concise yet wide-ranging introduction to the culture of ancient Greece. In this new and expanded third edition the best-selling volume offers a lucid survey that covers all the key elements of ancient Greek civilization from the age of Homer to the Hellenistic period. It provides detailed discussions of the main trends in literature and drama, philosophy, art and architecture, with generous reference to original sources, and places ancient Greek culture firmly in its political, social and historical context. The new edition has expanded coverage of the post-Classical period with major expansions in the areas of Hellenistic history, literature and philosophy. More emphasis is placed on the Greek world as a whole, especially on Sparta, and the focus on social history has been increased. The Greeks is an indispensable introduction for all students of Classics, and an invaluable guide for students of other disciplines who require grounding in Greek civilization.

A new series of bespoke, full-coverage resources developed for the 2015 GCSE English qualifications. Approved for the AQA 2015 GCSE English Literature specification, this print Student Book is designed to help students develop whole text understanding and written response skills for their closed-book exam. Developed in response to a high level of customer demand, the workbooks in this series provide an innovative new approach to revision with a range of tasks and answers for students to test and track their writing skills in advance of the exam. Each workbook contains sections to be filled in by the reader.

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

How to Navigate Clueless Colleagues, Lunch-Stealing Bosses, and the Rest of Your Life at Work

The Origins of Our Discontents

"My name is Karim Amir, and I am an Englishman born and bred, almost..." The hero of Hanif Kureishi's debut novel is dreamy and Karim, desperate to escape suburban South London and experience the forbidden fruits which the 1970s seem to offer. When the opportunity of a life in the theatre announces itself, Karim starts to win the sort of attention he has been craving - albeit with raucous results. With the publication of Buddha of Suburbia, Hanif Kureishi landed into the literary landscape as a distinct new

fearless taboo-breaking writer. The novel inspired a ground-breaking BBC series featuring a soundtrack by David Bowie.
